## "LIGHT/TRUTH/IMMORTALITY"

(11/01/09)

*By: Joyce Morris*

I want to bring in the vision that God gave a few weeks ago. It will tie into what we have been ministering on. There are a lot of things that are vitally important, because it is about your destiny and your finished course. It is very important for each of you to see what you are going into, and to see what you are to expect and take place. So we challenge you to take heed unto the word of the Lord and carefully listen to what he has to say. He really wants you to have the understanding and full concept of your calling. He wants you to understand what your purpose is and what he is training you for. He is preparing you.

We have been ministering in the past couple of weeks on the Tree of Knowledge of Good and Evil and last week we minister on exchanging the truth for a lie. Actually this is what happened in the Garden of Eden.

We know that Adam found absolutely nothing

but truth in the Garden of Eden. There were no lies existing in the kingdom of God. We have the understanding that the Garden of Eden is the kingdom of God within you. We also know there was no death in that realm. It is amazing how much life was in that realm and we will get to that later.

Some people after the fall lived to be 900 and some years older. Just think about that for a minute. We need to know how life was before the fall of Adam. It will excite you and it will challenge you. It will cause you to lose sight of your problems and your circumstances and all the little itty bitty things you are going through. It will cause you to rise above your situations and March on in that army God has called you to be a part of, that army he is unfolding to mankind at this time.

We were ministering on truth and how important it is for you to embrace that truth and to never let it go.

God has minister a lot of truth to this body over the years. Even the new ones have been hearing some of the truth of the Father, because you know this is the day that the father wants the pureness of his truth to flow from his throne. God wants to speak for himself. I believe the time has come now that God wants to speak for himself. He has had man speaking for him, but it has brought mixture into the body of Christ and that is why the body of Christ has not come forth into the maturity that God wants. He wants the pureness of his word to come forth in his kingdom for his glory. We continue to minister this word and his truth, because his truth will continue to march on. Basically the light of truth will never be put out. No one can put out the light of truth. Many come against the truth and come against you, because of what you have learned in the Kingdom of God, No one can put the light of

truth out. His truth keeps marching on. So we have been learning that the worst deceiver is yourself. Yes you can have false prophets and false teachers, but basically the only one that can deceive you is yourself, because if you allow yourself to listen to certain things that come in your mind then you let go of the truth that God had given you. So it is important for you and I to embrace the truth. You will see that if we do not love the truth then God will turn us over to a strong delusion, and then we end up in imaginations and illusions with all the fear that is in the world today. So I find that the things that God gives us are precious.

I want to start out by explaining some things to you and I brought this chart so that it will be really easy for you to understand. So just overlook the printing and the drawings. I had another poster that disappeared and it showed every piece of furniture that was in the tabernacle in the Old Testament. We know that the tabernacle represents you and me. It was a foreshadow of what was to happen in us in the Kingdom of God. We have been ministering on the Light and on Truth. We have been ministering on embracing the Truth and

that you are the Light of the World. There are three different types of Lights. If you come in through this door, Jesus is the door and this is the only way you can come in to the Kingdom of God. You can try another way, but you will not be able to enter in, even though some say they have, the fact is that you can NOT enter in without the blood atonement, and without experiencing the blood of Lord Jesus Christ. He is the door, the entrance, of coming into the Kingdom and accepting Christ as your Savior. Christ is the one who made the sacrifice for you. There is another altar in the Old Testament. It was an altar where once a year an atonement was made on behalf of Israel for their sins. It could not do away with what was in man's mind because only what was pure and perfect could do that for us. So therefore, that is why the lamb was slain before the foundation of the earth. He pressed on through all that he went through and went to the cross for us so that we could understand that we have been saved by grace and by the Mercy of God. Not by your works lest any man should boast. **Eph 2:9**

Now the sixty fold is where you come in to the water baptism and there is so much in this but I don't

want to get into that because that is a separate teaching which we will do at the appointed time. But the point that I want to get across is that in that light are a people that are the righteous, who are scarcely saved. These are people that are part of the body of Christ but they are the thirty fold and have not gone on any further. They had stayed in that realm and they live by their five senses; they live by the natural light and are completely controlled by the weather. They are still very much in the world and in the system of this world; the system of Babylon. They are controlled by the natural. The next realm, the sixty fold is where Jesus told the disciples to tarry in Jerusalem until they were endued with power. So here you can see that Jesus is the way (30 fold) and the truth (60 fold) and the life (100 fold). These are the three different realms, "I am the way" "I am the truth" "I am the life".

Now this one hundred fold is the path of life and few there be that find it. There are a few that find this realm. I want to get into the main point, here in this realm the sixty fold, the light is the candlestick. It has seven stems and is all gold. In this realm their light is the candlestick. So

when you came into this realm you were endued with power because there is only truth in the Holy Spirit. The Holy Spirit is called a he. The Holy Spirit is the Comforter. As you know the Trinity is the Father, the Son and Holy Spirit. We need all three. The Spirit enters in you when you accept Christ as your Savior but you have not been endued with power until you come into this realm, the sixty fold. When you are endued with power your heavens open and you begin to realize that there is a supernatural realm that is all around you and you begin to understand that you are a supernatural being. Therefore you have seven candlesticks which are the seven Spirits of God. This is where all gifts begin to operate; the gifts of miracles; the gifts of prophecy; the gifts of tongues; all of these are in this realm. You can find this in **ICor.12**. The people that live in this realm can have the light of prophecy, or tongues, or miracles and so forth.

It is interesting that this one hundred fold realm swallows up the other two realms. **Jesus said, "I am the way, I am the truth and I am life."** You become nothing but life when all things in you that are not

like him are swallowed up and everything in you bows down to the Christ. Each of these realms is to bring you into maturity where you will grow. He said, "Let us make man in our image and in our likeness." In each realm the word is coming forth to change you more and more. Not many people come that far. Some stay in the thirty fold and some stay in the sixty fold. **Jesus is the way, the truth and the life.**

In the tabernacle of the Old Testament there was a veil, and no one could enter in accept the high priests and that was only once a year. But because of what Christ did on the cross it enabled every born again believer to come into the Holy of Holies through the blood of the Lord Jesus Christ and by the grace of God. They come into his presence, but they do not necessarily stay there. **Heb. 10: 19-23** Some go back to the thirty or sixty fold realm. They can come to the one hundred fold and have their conscience washed and they can experience the presence of the Lord. In this realm there are a people who are learning to walk in the Spirit and they are growing and maturing. In this realm there is only one piece of furniture and it is all gold. It is a mercy seat with two angels and God

becomes the light. He is the light in this realm. **The word and the truth of Christ and the Lamb of the Lord is your light and your life. Is.60:3**

You are learning the mysteries of the kingdom of God and the very heart of God. You are learning the pureness of His truth. In this realm the fire begins to burn out the wood, hay and stubble and all of the things that are not like Him. So when you desire to be more like Jesus and have a desire to be used by Him, He will begin to reveal His very heart to you and me. In this realm He begins to consume the mixture that you still have from coming out of the world. The one hundred fold realm is pure. It is the pureness of God. I have seen people come from the thirty, sixty, and one hundred fold and know the mysteries of the Kingdom of God. The mysteries are the heart of God. God loves you and He gives you the best of Himself and He desires for you to know His purpose. He wants you to know everything about His kingdom and His truth, because you are His light in the world. As He becomes your light and you have more truth, those things that are not like Him will be consumed. God is giving us the truth in order to change us into His image and His

likeness. **Prov. 4:17-18**

The whole purpose of God is to change us into His image and His likeness. We are either in truth or we are not. When you are walking in the Spirit and you are walking in the mind of Christ, you are walking in truth. We have the word and the spirit to overshadow our minds but when our minds are not overshadowed we begin to decline and we come out of the Spirit and then we are in a lower realm where there is darkness and ignorance and ignorance is the opposite of truth. You begin to have illusions and imaginations in your mind.

We want you to understand how to apply this in your daily life. God wants to show you His heart, His desire and His truth. He doesn't want you to take it lightly, because you are responsible for everything you know. I have seen some come into this realm, (the one hundred fold) and God has reached out to them and has shared His very heart with them but although they were very excited about this, they did not embrace the word that was taught to them by God. God is patient. There are times when some people hear this teaching, but they tend to slip and slide. They may sit and hear the teachings but

they just don't understand because the veil that is on their minds has not been rent. There is a veil over the mind. The bible says that when the heart is turned to the Lord the veil is rent. **II Cor. 3:16** So as we look into the mirror which is the word and have a true relationship with the Lord along with a hunger and desire to have more of Him, you will not be able to get enough of Him. You will forever be learning and finding out more and more about Him. He has so many secrets that He wants to share with you. He desires to use you and we are about to come into what we have been waiting for, for a very long time. God wants to challenge you. It is important to continue on and to march in the truth that God has given you. We have to continue on to be that bright light that He has called us to be. Let Him shine His light out to you and I. Let Him be that personality and all that He is through you and me. You are here so that He can be expressed. He wants to express Himself through you and me to be all that He is.

He only gives the mysteries of the Kingdom to those who are willing to come aside and be disciplined. Being disciplined is not easy.

There are different levels in being disciplined. When you come to Him you begin to understand that we bring a lot of baggage in, but we need to yield that baggage to the Lord and count everything as dung that we may win Christ. **Phil.3:8** The more that we let go of, the more anointing and power we will have and this will allow us to be used by the Lord for His glory. Everything is for His glory and His purpose in this earth. So many people go through their entire life and never know what their purpose is. Every individual was created by God for a purpose and a reason for them to be here in this world. Jesus is the example for you and me to follow and as we see and understand His way and His truth we end up in this realm. You come into more of a rest in this realm and you cease from your own labors. You are one of those angels sitting at the end of the mercy seat. These two angels are facing each other. So as you are looking unto the Lord; He is the example we must follow. He is the one we are to look at. He said "follow me and none other". There are many who are following other people. They are following the signs and wonders and miracles but the Lord said, "You will know them by their fruits."

You are to be an ensign to the nations and that ensign is a people who begin to come into the rest of God where they have peace no matter what is going on in their situations. They are resting in their heavenly father because they have developed a relationship and they are a people that are walking in faith. Faith has to be present in each of these realms and you will have to walk in that faith, truth and love of Christ. Faith and love are intertwined, they go together. They support one another so therefore in each realm we have to have faith.

The more you let God consume, change and transform your mind and your thinking you will be like Christ, because you are looking at Him. He is the author and finisher of your faith. Isn't that good news! Sometimes we get our eyes off of Him and we get our eyes on circumstances and our problems. That is when we lose sight of the word and the Spirit. God has the answer to every problem that you have. He has already made provisions for each and every one of your problems. His provision has already been made. Christ has made the provision for your healing, your deliverance, your finance and your needs when He went to the cross. God

gives His grace and mercy, but some do not continue on in Him. Time is running out, time is short. It is important to continue to yield to your Lord and Savior and to have that relationship with Him. Those who do not embrace His truth and take it to heart are taken over by a mixture and it will take them back under the candlesticks. I have seen people come here and they have heard the word and heard the very heart of God along with the mysteries of God. God has been working with them for at least ten years in regard to certain areas of their lives telling them to let go of those things that He brought to their attention. By His grace and mercy. He was patient but there came a time when He just turned them over to what they wanted. Sin is sin and God cannot accept it. This is what the Father does with us. He turns us over to the very thing that we are holding on to. This causes us to lose sight of what He has taught us. I have seen people come here and then they go back to the thirty fold realm and they do not remember what the Father has taught them because God closed the door. He shut it so they couldn't remember what He had taught them. This is the

heart of God. He is so precious. He loves us so much that He desires us to have the very best of Himself. It is so important to understand the hour that we are in. It doesn't matter what hour you have come in.

There are people who will be in the thirty and the sixty fold. But how many want to be in the one hundred fold? You would not be sitting here today if you were not supposed to be in the 100 fold. Those in the 100 fold will be the ones who will inherit all things that the Father desires to give them. God has been preparing you to come out of the imaginations and the illusions in your mind. He wants you to line up with this realm of faith and trust Him daily with your life. He wants us to come to a place where we are ready for what is coming and is on the horizon. None of us has arrived yet but God has been perfecting us and has done a lot of work in us. There are a lot more of God's son's who are under more pressure than ever right now. The reason is because God is doing the final touches. He is preparing us for what is coming. There is a harvest that is coming and He is training you to finally be a beacon of light. You will be a light in the darkness. You

will be the individual that God has chosen to shine out to people who are troubled in their mind. You are already a light but your light will be even brighter. When God is finished with you, you will be so one with Him.

As you read **Rev.1:16** you will see that Jesus' Light is so bright that it is as bright as the full strength of the sun. The full strength is so bright that you can not even look at it. That gives us some understanding of how Bright Jesus really is! One of the brethren had a vision that the sun was coming upon the field which is the world. The world is the field and the harvest is ready but the laborers are few. Trust me, the laborers are few! Very few people want to do what needs to be done in this hour. So in the vision, this sun was coming up from behind and darkness hit the field. The moonlight lit up the field. Today many people live by the light of the moon. The moon is a representation of the darkness. In **Rev. 12-1** it talks about the woman and she is being clothed with the sun and the moon is under her feet. The sun people whose soul is beginning to arise and they are letting their light shine and are allowing the word to work in their lives. They

are using the word daily in their lives. It is more than just hearing the word and the truth, but they are beginning to apply the truth. I know that you were tested this week. I have no doubt about it and I was too. If you failed a test this week, that's alright because we learn by our mistakes and we learn from the tests. But, you get right back up on your feet and start over again.

The Father wants you to understand that the Man-child is being birthed out of you and me. That Man-child is Christ Himself. He wants to come out of us in all that He is, in His fullness. He wants to come forth in all of His glory and excellence and He will come forth in a people and you will bear all of His glory and you will be one with Him. You will not be seen. People will see nothing but only the Christ in you. Christ in you is the hope of glory; the glory upon you. God wants you to understand that the glory is now; it is not something in the future. We can have that now as we walk with Him daily and as we are more and more consistent in walking in the Spirit. Right now, the reason that the world is in this condition and in such turmoil is because many are depending on the light from

the moon which is darkness.

God is exposing everything that is in the world. He is exposing everything that is Babylon; the unrighteousness, the imagination and fear. He is also exposing the government and the nations. He is bringing everything into the light and He is shaking it. It is not going to be able to stand. But why is God doing all of this? It is because He is preparing them for the truth which is the real thing.

You may say, well I have been hearing this Kingdom message for years. When will I be able to get out there? Well let me tell you, the time is coming, and it is coming very soon. Nations are hearing it, as we get in the Spirit. But I am talking about the outward manifestation that is going to take place. God is going to manifest His truth. God showed me that there are some people who are becoming one with the Tree of Life and they are partaking of the truth and they are listening to our Savior. They are beholding the truth, and becoming the truth as well. They are obeying and walking out the truth. They are feeding off of the Tree of Life and the fruit of the Spirit. The Tree of Life is the Word and

the Spirit. They are feeding off of peace, joy, love and victory. They are not defeated. They are not feeding off of worry, defeat or fear but they are feeding off of Christ Himself by that love affair with their heavenly Father and they are depending on Him for everything.

We are always going to have surprises in our lives. We will have trials or tribulations come our way, but we are a people who do not stay down very long. It is a people that understand the word of God and they get back on their feet and they know that the truth is marching on, and that the truth of God will continue to march on. You are becoming that truth. You are becoming the Kingdom of God and the Kingdom of God will fill the whole earth and every nation will have to come to the Kingdom of God and those that don't come will be cut off. I see the nations coming. The word says kings will come to your arising. Nations will come. They have got to come and they will come to this truth. They will come and bow down to the Christ and to the King of kings and to the Lord of lords. **Is.60:1-5** Can you imagine Russia coming into the Kingdom of God? England and China? Just to mention a few. These nations will come in and

they will bow down and those who will not will be cut off from the earth. **Ps. 37:9**

In the vision that I had, the Lord showed me this light will cover the whole world. In the vision I saw it filled the whole earth and the glory of the Lord filled the entire earth. The truth of God filled the entire earth. I saw people bowing down to the Christ, to the King of kings and the Lord of lords. They were bowing down to the very truth that is in you and me. I saw rulers in high places. They are already coming in the Spirit. I just praise God because there is something getting ready to happen even in the natural and we have been waiting for it for a very long time. This is what you have been training for. If you want to be a part of this you need to understand what God has called you to. He wants you to finish your course. He doesn't want you to give up. He doesn't want you to get upset and quit, because of all that you may be going through. All of this is training, and it is teaching you to trust Him in everything. You will have some things hit you left and right, but God always tells me to get right back up on my two feet. It is only by the grace of God, that He stands up inside of me and keeps me going!

One will say, well Sister Joyce do you have anything to back this up? I sure do!! I got up that morning and saw that with the coming of the Lord there are the sons on this side and the sons on that side and all of the glory of the faithful sons who endured to the end shall be saved. But when God cuts the wicked off the earth this world will once again be the Garden of Eden. The Kingdom of God will fill the earth and there will be no lies, no death, no worry or fear. There will be a continuing of birthing. People will be born, that is why Satan will have to be loosed again a thousand years because they have to be sifted as well. But I am trying to tell you that His glory will fill the whole earth which is all of His truth and all of His nature. Imagine this; you are going to be around people who are totally like Jesus! People totally like Him! **Rev. 20:6-7**

I see people looking at each other and not having to say a word, because they are basking so much in the love of God and the life of God and that eternal experience. They are those that will enter in that first resurrection. **"Blessed is he that hath part in the first resurrection"** **Rev 20:6** That is why it is so important for you to go on. I am not talking about you losing

your salvation, but I am talking about the first resurrection. It is the first fruit company that will enter in. There will be people that will be part of the continuation of the teaching so that they can grow and mature in Christ. In Isaiah it talks about people being born even after the millennium age. There will be no more murder or death but only life. That is something to think about, isn't it!!!

Now we are not to forsake the assembly of meeting with the body. It is more important to be at these meetings now than ever before. We need support from one another and we are to assemble together with one another and not to take these meetings lightly. We need to know and understand how important they are because God is teaching and training us for what He wants to give to you and me. Many are called but few are chosen. It is only those who want all that He has and all that He is. They do not want it for themselves, but they want it because they love Him so much and they understand how much He loves them. They keep falling in love with Him and they want more and more.

I asked the Lord to show me where this is in the word. God wants us to

get a hold of this truth. In **Rev 21:21** reads **"The twelve gates were twelve pearls; every several gate was of one pearl and the street of the city was pure gold as it were transparent glass.** It is a people that have walked it out and gold is the nature of God. It says here, **"and I saw no temple"**; this means when the Father is finished with you there will be no temple. You will not see the temple. The reason is because you will have gone all the way with Him. **Rev. 26:22** **"There will be no more temple in it for the Lord God Almighty and the Lamb are the temple of it"** So it is a people that allowed God to consume their lives and everything that is in their soul that is not like Him. Therefore He has taken over your entire body to where you no longer exist. The only thing that can be seen is the Lamb and God Himself. As I said before these are a people that are coming into the one hundred fold; which is the feast of the tabernacle, to come more and more into that oneness with Christ. It says in **Rev. 21:23** **"....and the city had no need of the sun, neither of the moon to shine in it for the glory of God did lighten it and the Lamb is the light thereof"**. They don't need the candlestick or the

natural light which is the sun and the moon because God has become their light that realm, that life, the abundant life that is in Christ Jesus!!! Jesus said **"I am come that you may have life and life more abundantly. So therefore you get that life by staying on the narrow path. That narrow path is hard and few there be that find it. The broad path is destruction. Matt. 7:13-14 But it says in Rev. 21:24; "....the nations of them which are saved shall walk in the light of it."** What light are they talking about? What light are they going to walk in? They are going to walk in your light. They are going to walk in the truth that you have learned and understand and have been trained by in the Kingdom of God, because we are all soldiers of the Lord. Joel's army will execute the word to His people in these last days, and it will be nothing but God's truth. **Joel 2:10-11**

It says in **Rev. 21:24** **that the nations of them that are saved shall walk by the light of it and the kings of the earth do bring their glory and honor to it and the gates of it shall not be shut at all by day for there shall be no night there.** If you begin to partake more and more of the truth and allow the Lord to change your thinking and

to consume your imaginations and illusions then the more you will be walking out the word and become the word. That is when you don't have to think about the word but you are automatically doing it. You don't have to think about the question, "should I lay with that person?" You don't have to think about that because you are called to the light. Sin is death. The more you take on His nature the less you do what others do. You don't conform to the world. It is all about being changed into His nature and His image and likeness. God is a consuming fire! He consumes those things that are in our lives that must be consumed. Then it is no longer in our nature to do certain things anymore because He burned them out. You don't have the desire to do those things anymore. Your desire is to do His will and to do what He wants you to do. Isn't that what God is causing us to do and to become?

**Rev.21:24 The nations of them who are saved shall walk the light of it and the kings of the earth do bring their glory.**

It is a daily experience; a daily walk with Christ and the Father is going to have a people that will embrace this truth, and not let go of it, and begin to

walk in this truth.

In the light of Christ there is no distance. His light can go all over the world. You can just sit here and you can be that light for Christ. His truth can go all over the world. You sit here and worship and praise Him and His light will go to the generations out in the world, and a truth will enter in their minds and they will wonder where did that come from? I'll never forget when we were ministering on salt. We have Salt I and Salt II newsletters. If you haven't read them, you need to get those two. The Lord was using us to minister to the young people. A lot of young people are on drugs, but God was ministering to young people in the area who were on drugs and alcohol. He was ministering to the darkness in their minds. I remember that the weight was very heavy and He was ministering to their generations and what they were connected to due to their families; the parents and grandparents and down through the line. God was going in and taking His light through those who were willing to sit here and allow the light and His truth to go forth and to enter into minds on the other side as well as this side because Jesus Christ

has the key to death and hell. Therefore, He is using a people to use the keys of the Kingdom to where He can minister and bring restoration and tear down and build up again.

We had a sister who came here after that, and about a year later she started reading Salt I and Salt II. When she read them, the Lord revealed to her that was the time that she was going through some very hard things in her life. We gave the month and the date when he was ministering to all these people. She was in the darkest time and the Lord spoke to her and said, "I ministered to you through this body and that is what brought you out of the darkness of your mind." So when you sit here you don't know who you are ministering to. You don't know who Christ is touching. You don't know who He is delivering. You are sitting here and He is preaching through you. He is preaching His truth and His life and His light and peace to many people all over the world. He is touching those that are in darkness and bringing truth to set them free. The truth of God will make you free. That is what is so wonderful about this realm.

When we came into this God was telling us to arise,

and we have shared this with you before. He said arise many times. What is He telling you to arise from? He wants you to live above your circumstances and your problems. He wants you to rule over them through Christ, and to walk above your circumstances. He wants you to live in that eternal realm. That eternal realm overlaps with the realm of time. That is why time is moving so fast and nobody understands why time is moving so fast. God is even going to swallow up time. God will completely swallow up time when He fills the whole earth with His truth and all nations will begin to come to this truth when they have that tabernacle experience in God and He tabernacles Himself in His people. They will be all that He is and will come into a rest and will cease from their own labors and enjoy the peace of God and the Kingdom of God, which is righteousness, peace and joy in the Holy Spirit. All these nations will be caught up in what Christ did on the cross and they will be caught up in an eternal realm and God will swallow up time and we will be living in that eternal realm in Christ. **Isaiah 60:1-2-3**

God is so good. When we first came into this realm He took us into different

countries to bring change and if you want God to bring about change, you have to let the Lord deal with what is in the invisible realm. You have a supernatural realm around you and you are a supernatural being in Christ. That is who you really are. You are not this body. This body carries you around, but it does decay. Though the more you put on the incorruptible you stop the process of decaying because you are partaking life. Oh, I can't wait to get into that, but first it says here - behold gross darkness is covering the earth. This is already happening. Look at **Is. 60:1-2**. You need to read it for yourself. There it says that all nations will come. When this truth overtakes us and all the teachings that God has given us over the years, overtakes us, it will happen. Many generations are already coming because they see the glory of the Lord when we get in the Spirit. They behold the manifestation of God's glory and His truth. That is why He is bringing the generations and they are coming from afar; from the north and south and east and west. Now, it is going to happen in the natural as well. They are going to come from every direction. All the nations will come

to the brightness because they will need the wisdom of God. They are going to need the truth of God and the understanding of God and they will need everything that you have been learning, and everything that you have walked out, because it cannot become life until a person has walked it out. When you have experienced the truth nobody can take it away from you.

In **Isaiah 60:4**, now it says - lift up your eyes (this is what is going to happen to us) all have gathered themselves together and their sons shall come from afar and they daughters shall be nursed at they side. So your families are going to come in. They may have laughed at you because you have walked in His Kingdom, but for the people who have laughed at you and hated you, it says here in **Is. 60:14-15** - they will come and will have to bow down to the Christ that is in you. They will bow down to the truth that is in you. It is not about you; they are bowing down to the Christ. They are bowing down to Jesus because they have need of Him. Read this whole thing because it goes along with **Rev. 21:24-25 their gates shall be open continually, day and night and all the nations and kings flow in and out.**

**Isaiah 2:1-3** says that God is building His house in a high mountain and this high mountain will be exalted above all other mountains. This high mountain is the Kingdom of God and you are the house of the Lord. So He is building His house on this high mountain. He is not building His house in religion and traditions and doctrines of man. He is not building His house on man's beliefs. No! Except God builds the house it is built in vain. **Psalms 127:1.** There are people today who are trying to build their own house and to tell people how to build their own house, but the only way you can build your house is by allowing God to build it. God is using a people that are living in the 100 fold realm and are becoming kings and priests in the Kingdom of God. That is what this realm is all about. You are a king and a priest in the Kingdom of God.

A lady came to me and she is sitting in this realm but she doesn't understand it yet. She told me that people are coming to her and they are opening up and telling her all their problems. I told her that it is happening because you are in the kingly and priestly ministry. They are confiding in you because the priest is in you. They

will come and tell you everything and you have to listen. But there you are sitting in heavenly places on this high mountain in Christ.

The Word says you don't go and get them, but they come to you. Joseph didn't go to Israel. Israel had to come to him. God is training you and it is like a Joseph company. Joseph knew there was going to be a famine in the land and he was being trained. He was storing up the Word; an incorruptible seed. It was the truth that God had given him and all the things that he had gone through that made him what he was. They had to come and bow down to Joseph to partake of that corn of the seed that was much needed in a desperate time.

Some people are going to enter into the immortality of Christ to where they are going to receive a glorified body. Jesus died for the entire man when He went to the cross. He died for the body, soul and spirit. We are all going back to spirit. In this thirty fold realm, people are still soulish. In the sixty fold it is more of the Spirit of Christ; more of the Spirit of the Lord.

How are we going to come out of all of this? It is going to be by faith. That is the only way. Have a love affair with your heavenly

Father. It is all about His son. Everything is centered around Him and everything is for His purpose and for His glory. Jesus didn't want to be the only Son. He died so there could be many sons. He died so that many could come into the very same thing that He came into. He had the same body, but it was a glorified body when He came out of that grave. He said, I am the way; I am the truth and I am the life.

If you keep on following Him, you are going to come out of that grave that is in your mind. You are going to come out of that tomb and you are going to walk right into immortality; that body that is forever. You have a celestial body that is waiting for you. I want to tell you that Jesus went to Mount Transfiguration to show the disciples this. But it was after the sixth day. Now after your sixth day; the sixth day is the carnal man, when the Lord has swallowed up all the carnality and everything that is in your soul that represents the Adam nature you are going to experience going to Mount Transfiguration. But, He had to come down off of that mountain to fulfill what He needed to fulfill on the cross for some people to come into the very thing

that He was going to come into because He said " I am the way, the truth and the life." You keep following me. You keep becoming who I am and what I am. In doing that you are going to walk right into that glorified body just like I did.

After the sixth day, He only took three of them there and it was faith, hope and love. Oh Lord have mercy. John represents love, Peter represents faith, and James represents hope. Now, why am I bringing that out? There were two people who translated before Christ came and never saw death. They were translated. Lord have mercy! I hope you hear this. How could that be? Enoch was one of them. I want to get back to Mount Transfiguration and then I am going to go to Eve. I know that these are deeper truths, but take it in your heart if you don't understand it all. It is the Word of the Lord. Jesus is the example for you and me.

Now, when He went to that mountain, it says - His countenance changed. He transformed. He translated right in front of their eyes. Why was Moses and Elijah both there? They were both there because they were both translated. Moses was there because God wanted

you to see that the law could not enter into the Promise Land, but Moses could enter in because of his obedience. The law of the letter could not go in to the Promised Land and that is why He had to bring a new order which was Joshua. God brought him in because of his faithfulness, and all that he went through with Israel and they were there to encourage Christ and to remind Him and to show Him what He was going to go through on the cross, but also to show Him the joy that was set before Him. The Bible says that He endured the cross because of the joy that was set before Him. **Heb.12:2**

Jesus saw what would happen on the cross, that He was going to bring some sons into this glory but eventually, even the body of Christ would come in and be transformed into the glory and would be without spot, without wrinkle and without blemish. God is going to burn up the elements of the earth. He is going to burn up that religion and the law of the letter and He is going to burn up traditions and doctrines of man and the truth of God and His Kingdom will remain and stand forever through eternity and people that would not receive it will be cut off.

**Psalms 37** Those who have been faithful and true will walk in this realm of faith, hope and love in Christ. They will not come down from that Mount of Transfiguration. The time is coming when He takes you up there after the sixth day when He takes you up on that mountain and that is where your mind will be completely transformed into the entirety of the mind of Christ. Your mind will be transformed into nothing but the Word of God and you become the complete Word of God and the complete truth of God. You become every truth that God has given you. You are becoming it now but you will become it in the entirety of who He is. You become what He is and you don't come down off of that mountain because when your mind is transformed then the body has to come in as well to the light and you will be swallowed up in the twinkling of an eye. Death will be swallowed up and you have put on the incorruptible and that last trump is the last truth that God wants to give His people. In the twinkling of an eye, your body will change completely into immortality.

How is that going to happen? I have to go back to Eve now. If you look at **Gen. 5:1-20**, you can see

how many years different ones lived. Enoch remained in the earth for 365 years. That's a long time. He was translated. God took him. Why did God take him? He took him because he walked with God. Two cannot walk together unless they agree. **Amos 3:3.** Your mind does not agree with God sometimes and at times your mind does not line up with the Word. That is for all of us. But he walked with God and he was translated. I want to tell you why he was translated. The very thing that caused him to be translated was one thing, faith. Lord have mercy! **Heb. 11:5** It didn't say that he was translated for his good works but it was by Faith. To have faith is to understand that you are walking in a supernatural realm and you have come to a place where you believe that God is who He is and what He says is true.

Now what gets me is that if the weatherman says that a storm is coming, everyone believes him. They don't doubt the forecast. They go to the store and stock up and get prepared. But half the time, when God speaks through me, some don't believe me. God is wanting a people to believe that He is who He is and for them to respect Him. The only way that we

can please Him is to walk by faith. Enoch pleased God because he walked with Him. He was in agreement with His Word and that is why he was translated. He didn't see death. There is going to be some people that will walk in this. I do believe that.

You might say ,well what about Paul? He said it was God's time to take him. He finished his course and everything that I called him to do he had done and he knew that he was finished and he knew it was time to go because the Spirit of God had told him. That doesn't mean that he didn't enter in because he does receive the prize. So how do we get this promise that God gives us?

Can you imagine the reaction of some when this hits the world? People are going to walk around with a glorified body and will not age. They will not age because they are not eating off of the Tree of Knowledge of Good and Evil, but they are partaking of the Tree of Life. Listen to the message on the Tree of Life.

They couldn't even plan a funeral for Enoch or for Elijah either. Today, many people are standing afar off. They will say, what happened last Sunday? I can't be at the meeting, but anything happen? These

are people that are standing afar off. I want to be like Elisha. I want that double portion. If you see someone walking in this, you need to hang out with them. Do not be defeated or discouraged and don't give up because you have a destiny and it is going to be fulfilled if you walk with the Lord. And those who come in, in the last hour will get the same pay as I do. If I come in all the way to immortality you get the same thing even though you have come in, in the last hour. I told the Lord, that's not fair. No, no, I'm kidding. So, I want to finish my course. I want to go all the way and I want those forerunners to come along with me. Let's all go together. Let's all stick close to each other. Be like Elisha. He said, I am going with you Elijah. He said, you won't get it unless you see me leave. That means that we have to be watching. We can't go to sleep. We have to be ready. Jesus said I am coming in an hour that you will not know. There is a difference in being ready and getting ready. God wants us to be watchmen and not be slumbering. Be ready!!

If God tells me that a storm is coming, I ask Him to tell us what to do. I want to be ready. We are children of the day not children of the night.

Let's go to **Heb. 11:1** Faith is the substance of things hoped for and the evidence of things not seen. Let's define faith. The provision of healing has already been made; the provision of deliverance has already been made, and the provision for your needs has already been made so therefore you have to get in the realm of faith in order to pull it in. The problem is that faith and patience go together so you don't necessarily get the harvest right away. The farmer has to wait after the seeds are put in the ground. The fowls of the air come and try to steal the seed. Those are like words and thoughts that come in your mind and cause you to worry and fret over your problems. God gets you in some situations where it looks impossible and looks like nothing can get you out of the mess. But you have faith.

I have to give you this example. Years ago, a sister said that the Lord was going to heal or correct her eyesight. She was driving along in her car and she had taken her glasses off because God said He would heal her eyes. Though she thought she was exercising her faith, she ended up in a ditch. Some people didn't want to ride with her after that. So, faith is action. Yes, it is. But we have to know

what God is saying. We will get into more on that, but we don't have time today.

Enoch was translated by faith but he had to walk with God. In order to walk with God he had to agree with God's Word. He was walking out that Word. He was a doer of the Word and experiencing the Word in his life. The Bible says by faith Enoch was translated. By faith he was translated. That is what my Bible says. He didn't see death. Lord have mercy! It was not found. Death couldn't be found. This was his testimony. Your testimony is very important. It is not what you say and not what you reveal to others regarding our knowledge of the truth. Your testimony is that you are pleasing God.

In **Heb.11:5 - By faith Enoch was translated that he should not see death; and was not found, because God translated him; for before his translation, he had this testimony, that he pleased God.** Then it goes on and tells you how you please God. But without faith it is impossible to please Him for he that cometh to God must believe that He is and that He is a rewarder of them that diligently seek Him. So when you are seeking Him for healing, deliverance and your needs

to be met, He has already provided those things to us. So what you are seeking is for you to come into that rest where you are accepting it and believing it. For instance, even though you might have to keep your glasses on - one day you believe it and resting in it and you take your glasses off and your eyesight is getting better. That is when you can remove your glasses because the manifestation of what you believe is starting to take place and you are beginning to bring the harvest in.

We will go to **II Cor. 5:1 For we know that the tent which is your earthly home (this body is your earthly home) were dissolved we have a building of God, a house not made with hands eternal in heaven.** In other words, we have a glorified body waiting for us. Here indeed, in this (present abode, body) we sigh and groan inwardly because we yearn to be clothed over (we yearn to put on our celestial body like a garment, to be fitted out) with our heavenly dwelling. **Verse 3, So that by putting it on we may not be found naked (without a body).** **Verse 4, For while we are still in this tent, we groan under the burden and sigh deeply (weighed down, depressed, oppressed) - not that we**

want to put off the body (the clothing of the Spirit) but rather that we would be further clothed, so that what is mortal (our dying body) may be swallowed up by life (after the resurrection). So this dying body is to be swallowed up by life. Verse 5, Now He who has fashioned us (preparing and making us fit) for this very thing is God. Who also has given us the Holy Spirit as a guarantee (of the fulfillment of His promises).

You have a titled deed to this. You are entitled to it. All those that died in faith could not receive this promise because they had to wait for you and me to come in. **Heb. 11:39-40** They are waiting for us to come in and then they receive the very promise that we enter into. Lord have mercy! Verse 6, So then we are always full of good and hopeful and confident courage; we know that while we are at home in the body, we are abroad from the home with the Lord (that is promised us). Verse 7, For we walk by faith (we regulate our lives and conduct ourselves by our conviction or belief respecting man's relationship to God and divine things with trust and holy fervor, thus we walk not by sight or appearance. Amp. IICor.

#### 5:6-7

So God doesn't want us to walk by sight or appearance but by faith. So those who enter into this will enter in by faith.

I had a lot more to give you, but I think I gave you enough. The gist of it is that faith is in your whole entire walk. Faith is necessary for you to grow and mature. Faith becomes knowledge when you begin to walk out the truth and knowledge then that is no longer faith, because you are just doing it. It becomes a part of you. Every truth that you experience is elevated to where you know that you know that you know. Then there is no doubt, no worry and no concern. In every situation that you are in, God wants you to live by faith and to be one who will obey His word and believe it. May God continue to bless you in all of His truth as you continue with Him.
