## "The Father's Works"

By: Joyce Morris

1991

"The Father, He doeth the works." This is the day that the Father is doing the works and it is called the Day of the Lord. It is the day of the Father's works going forth through His sons.

Eph 2:10 for we are His workmanship, created in Christ Jesus to good works, which God has before ordained that we should walk in them. Jesus was able to do the works that He did because He was one with the Father. To bring Him to that place of being one with Him, He had to mature. Even though Jesus was without sin, He was tried, proven, and tested in the mind. The purification has been going on in our minds for several years and the Lord has been purifying and cleansing our minds so that He is able to operate through our minds more easily. He can do this as we allow Him to rid us of all thoughts that are not bringing life. Rom 12:2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good and acceptable, and perfect will of God.

Jesus was able to do the Father's works because He operated totally out of the mind of God. He could do this because He was one with the Father. Out of that oneness, it was not Him,

but the Father was doing it through Him. John 5:19 Then Jesus answered and said to them, truly, truly, I say to you, The Son can do nothing of Himself but what He sees the Father do. For whatever things He does, these also the Son does likewise.

In Jesus' time, the Father operated only through one man with all His fullness. Now God is incorporating a many-membered body of people to do His work through them. They do not have to be in great members but can be in small groups like Gideon's Army. He is making us one with Him. We have heard a lot of talk about being one with God, but this is not talk, this is experience. This is walking with Him moment by moment, day by day, being willing to let go of our own negative thoughts so that God can prevail. He is operating through us in the mind of Christ that brings about His purpose for His Glory.

God's thoughts operate out of the Spirit with much wisdom, love, peace, and life that goes out to the whole creation. For six days man has tried to do the works and has failed. Now we have come out of the sixth day. We are in God's day. The Father, he is working through the flesh man, but through a people who

have become one with Him. All the works that Jesus did pointed to the Father. He never received the glory. All the works that the Father is doing now, no one is to receive the glory. There is no effort. It is without labor. No effort in this. Not by might, nor by power, but by My Spirit saith the Lord. When we operate in this realm it is very quick. Many Times we cannot get into this realm because there are so many negative thoughts. When we empty our negative thoughts through praise, we become one with the Father and, through this unity, He operates through the mind of Christ.

This is how He is creating. He created through His thoughts and the vibration of His thoughts goes to the whole universe by His Spirit. God is excited to find a people that can be one with Him just as He was with His Son. God has used many people and still operates through them but in a limited way; He still speaks through them without them even knowing it. God has brought us back to the beginning, to create with Him, by His Spirit and Word.

**God has enhanced Himself and He has enlarged Himself in a body of people. As we allow God to create a new heaven and**

a new earth in us, we through Him can create a new heaven and a new earth in the universe. The Father is causing us (through the mind of Christ operating out of us) to shake the whole earth and all of the heavens of mankind. It will not be measured by man's time, because it is in God's time. Hebrews 12:26-27. (Rev 21:1) And I saw a new heaven and a new earth. For the first heaven and the first earth had passed away. And the sea no longer is.

The Father wants your to let go of you negative thoughts. In the natural, you have to cultivate your field. The spiritual; you have to cultivate your mind. God wants us to begin to plant nothing but the seeds (thoughts) of the Father. As you do that, you will become one with creation. You will become one with the universe that is within you. You will find harmony like you have never experienced before. You will experience beauty, peace, joy like you have never experienced before. As we walk in this, the whole creation will begin to feel the effects of the vibrations that are coming out of the mind of God.

This is the mind that we operate from every day—when we wake up in the morning, while on the job, and within our homes. We are the mind of Christ. For who hath known the mind of the Lord, that he may instruct him? We have the mind of Christ. 1Cor 2:16 For who hath known the mind of the Lord, that he may instruct him? But we have the mind of Christ. The vibrations of His thoughts are going forth to meet the people. God will begin to walk in the

minds of people. We will go into the stores and the Father in us will walk into the minds of others and lift them out of their darkness and doom. As we are at home our Spirit will leave our bodies and go into hospitals and institutions and to people who are sick or insane. God's thoughts will vibrate out of us and go into these places in the visible as well as the invisible. This is why God wants us to wake up today and not sleep but to begin to be aware of what is going on. He wants us to be part of this wonderful explosion now taking place in the realm of the Spirit.

The Father wants you to understand that even those in the invisible realm are joining with us and their mind is the mind of God. Heb 12:1 Wherefore, seeing we also are encompassed with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us. There are many whom God desires to reach and hasn't been able to reach because He has not found a people whom He can operate out of in this realm. God is even going to send His thoughts into leaders of this world. He will bring about His desires and His purpose and His plan will be accomplished.

God wants us to understand that He is ruling this world and planting His thoughts, which He will interject and vibrate to bring about His whole plan for all mankind. When God's thoughts are vibrating, there is nothing but wisdom and knowledge, love and life, which is to bring His creation, back to Him. I declare unto you today that this oneness

is not just for us but it is for all creation to be reconciled back to the Father. 1Cor 15:28 , And when all things shall be subdued to him, then shall the Son also himself be subject to him that put all things under him, that God may be all in all. He wants us to be with one with each other. God wants us to understand that many of us see ourselves as divided. We go about our own way doing our own thing. The Father wants us to see our selves as one in Him. If we are one in Him, we are one in each other. We are to experience this oneness though out the week and with the groups that have been joining us in the Spirit. As we begin to flow with those that join with us in the Spirit in that oneness, we will also experience other groups with us. We don't know when it will happen, it doesn't matter. He wants us to understand the importance of this day and hour.

Rev 21:1 God is creating a new heaven and a new earth. As a new heaven and a new earth have been created in us, we do not allow the fowls of the air to fly into our heavens anymore, nor allow any imaginations, illusions, or duality to fly into our heavens. The Father is turning around and taking us back to where we are Spirit, thoughts and His word. The Lord wants us to understand that heaven and earth shall pass away but His word shall not pass away. So now we are becoming the totality of His word and His word is His thoughts. He is shaking our heavens and He is bringing us to the end of our world. The world will pass away and all that will remain is the word. That is what we are. We are the word. Mat 24:35 Heaven

and earth shall pass away, but my words shall not pass away.

I'm beginning to see that as we stay in this realm even disease and sickness will have to pass away. Our bodies are going to become subject to this because there is such a change going on inwardly that there is also a change going on in our bodies. This transformation is taking place in each one of us. This new heaven and new earth that God is creating is His mind. The word says that in the beginning the earth was without form. God has had to empty our earth. What He is forming now is His mind. The earth has to have a mind formed into it, which is the mind of God. Gal 4:19 My little children, of whom I travail in birth again, until Christ be formed in you, When this happens the glory of the Lord shall fill the whole earth. God has had to empty our heavens and our earth so that He could form His mind with us. His mind is formed and developed in you.

In *John 5* today we became the pool of Bethesda. Multitudes came today and were washed and cleansed out of the mind of God. It was His mind operating out of a people today. The mind of Christ raised up the dead out of the sea and from all the ages that He wanted to reach to bring them to this pool of water to be cleansed so that they could go back into His mind which is life, peace, wisdom, and knowledge and understanding that brought them a release with freedom and liberty in Him.

God desires us to be His sons. Ever since the time that Jesus walked, He said, "Ye are gods" (even to the religious

people) and yet there was only one Son who was manifesting the nature of God at that time.

At the pool of Bethesda, there was a particular man who had been in bondage for 38 years. He was in bondage to his own mind, which was the carnal mind. The sons of God have been in bondage to the carnal mind. On the seventh day—the beginning of the day of the Lord—the Lord began to say, "Arise". He told this man in *John 5* to "arise and take up the bed and walk". That is exactly what God has been speaking to us for the past several years and if we get down at times, He is still saying to us to arise and ascend in the consciousness of your mind back into the mind of Christ. Come out of that negative thinking, out of that death realm, out of that oppression depression and all those things that do not bring life. Rise up out of it and take up thy bed and walk in a realm of rest. We are going to walk in the mind of God and cease from our own labors.

We are going to be the Sabbath all the time, every day. We are going to be Sabbath for man. For all of creation, God has to bring us to the end of our labors, the end of our selves. Sabbath was made for man. Jesus is the Sabbath. He ceased from His own labors and it was the Father who was doing the works through Him. The Sadducees did not believe in the resurrection. When you begin to tell people that you have ascended and you have arisen into the eternal realm, they will persecute you. They will hate and despise you, because they are looking for a catching away which is the rapture. Not

the arising and ascending as Jesus had arisen and ascended. God has caused in His day, which is His day, the Sabbath, some people to arise in Him. A new man, a new creation man has arisen and ascended. Back to *John 5:14*. After Jesus found him in the temple (the one that He had made whole and who had ascended), He said to him, "Sin no more lest a worse thing come upon thee". We need to meditate on that one. When God is causing us to ascend as a group, do not worry about the others that cannot ascend, just keep on ascending. They will come on and their thoughts will bow down to the Christ. Do not even focus on the negative things that are still in you. Focus on the goal. Focus on God expanding Himself in you and the negative will automatically be consumed. Do not focus on the negative, because you give it energy. Rejoice ye heavens and keep arising earth. *Rev 12:12* Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth, and of the sea! For the devil is come down to you, having great wrath, because he knoweth that he hath but a short time. As you do, God swallows up the negative and consumes it. If you refuse to keep on ascending and you want to do your own thing, then He said, "the worst thing will come upon you."

So this is a day of focusing on arising from the entire negative that is in your mind. "And My Father worketh through and hitherto and I work. Therefore the Jews sought to kill Him because He had not only broken the Sabbath but He said,

"That God was His Father." Making Himself equal with God. We become one with the Father, we are now equal with the Father. To be equal with the Father merely means that the Father has His entire way with your life and He can operate the way He has longed to operate for generations and from the beginning to the end. His works can go forth out of you, as they never have before. Jesus said, "Verily, verily I say unto you the Son can do nothing of Himself". He knew He could do nothing of Himself and that is the understanding that we need to have as He also had. We have nothing to boast of our selves and all that we do is to point to the Father. We do not bring any glory to ourselves. We are not to have pride other than that we are proud of who we are in God. We are proud to say, "Father I am so glad that I am an extension of Yourself, that You can express yourself to all creation where ever I may be, where ever You may send me." I rejoice in the Lord at the doors that He has opened for us. When God sends even two people to Lorton Prison for instance, and you cannot go. You can send your creative thoughts with us with a vibration and we will no longer have any meeting where we feel that the negative is taking over. We have gone down there many times and have felt negative energy that would slow down the process of what God wanted to do. I do believe that God is setting up an order today, and you can bear what He is saying as you are obedient. If you have problems, get you negative thoughts dealt with before you come into the

meeting and have the right vibration and energy going forth. If you are not able to come out of that because you are down and have been down for several days, it takes you longer to get out of it. Phone someone who can operate out of the Spirit, the mind of Christ, and give you the energy of His thoughts and words to bring you up in that realm of the Spirit.

I believe most of you have come to the place where you can get hold of it yourself. Do not hesitate to let go of your ego and your pride and just call for help. I might have to do this myself because I have too much on me. I encourage you to do this because these meetings are very important.

God's light is extended to the four corners of the earth. Verily, verily I say unto you. The son can do nothing of Himself but what He sees the Father do for everything that He does so also doeth the Son. Now we can come here, go inwardly and we get in the realm of the Spirit. What we see the Father doeth so we do. We wait for His instructions then His thoughts begin to operate and we do what He shows us to do and that is exactly what Jesus did. He said, "What the Father showeth Me to do, I do." The Father showeth the Son all things that He Himself doeth and that is exactly what God is doing today. Everything that God does, He is showing us what He did and He is doing it through us. It goes on to say that He will show greater works that you will marvel. Now I want you to see something that I had not seen before. For the Father raises up the dead and giveth them life to whom He will.

When you become one with God you are a son. It is still the Christ. The Father raises up the dead and then He gives life, for the Father judges no man but hath committed all judgement to the Son even as thy honor the Father, He that honoreth not the Son honoreth not the Father who has sent him. Now, this is the key See Verse 29, "Verily verily I say, it shall come forth that they have done good unto the resurrection of life; and they that have done evil, unto the resurrection of damnation. So those who have done good will come into the resurrection life". Rev 20:6 Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years. Those that didn't, He sent them into the resurrection of damnation. Can you hear what it said? Resurrection of damnation. The resurrection is the second death and the second death consists of those who are being brought up out of the sea. It takes the damnation, which is hell to bring you to the resurrection. That is why it is called the resurrection of damnation. Rev 20:13-14 And the sea gave up the dead, which were in it; and death and hell delivered up the dead, which were in them; and they were judged every man according to their works. Rev 20:14 And death and hell were cast into the lake of fire. This is the second death.

In John 14:5, Thomas said unto the Lord, "We know not where thou goest and how can we know the way" Jesus said, "I am the way, the truth and the life. They didn't understand

where He was going because they didn't know the way. Jesus was saying, "If you would just follow where I came from. I am the way, the truth and the life and no man cometh to the Father but by me. If you had known me you should have known the Father.

Henceforth you know Him as you begin to walk in oneness in this union with the Father. This is an experience walk. Those that are walking in oneness in this union with the Father, when you know them, you know the Father. What is often happening is that you are still seeing the person. You can't see God, you can't see the Christ. Jesus said, "If you know Me, you know the Father." How could He say that? Because He was walking so in oneness with God and He was operating totally out of the mind of God. If you are not operating totally out of the mind of Christ, then not always can someone know the Father. If you are operating out of the mind of Christ then others can know the Father. "If you had known Me than you should have known the Father also. You should have known Him, you should have seen Him. You should begin to see Father in each other. If we come here and cannot see the Father then I ask you what have we learned? Jesus said, "Have I been with you for such a long time and yet have you not known me?" It makes me want to cry because I can imagine how Jesus felt.

Having walked with them day after day, are we recognizing Him? When we should recognize Him. He that hath seen Me hath seen the Father. How can you show us here is Jesus? When is He going to return? No wonder,

it is because they have never really seen anybody walk it. But this is the day that the Father is going to walk through some people and totally consume their souls and then God will only open the eyes that He wants to open because He doesn't reveal Himself to everybody. He will open the eyes of those whom He wants to see Himself. Believe thou not that I am in the Father and the Father is in Me? The words that I speak to you I speak just not my own but it is the Father that dwelleth in Me. He doeth the work. He says, "I do words but they are the fathers words and they speak through. I will say to you humbly today that these are not my words this is the Father speaking to you today through a vessel and I do not boast of myself but I humbly come before you and plead with you to meditate on these words that He sent into your spirit and your mind today. Let every word that you have heard today become one with you and become one with your mind. Nourish them until they become so much a part of your being that you let not one fragile word go out of this room and out of your mind and drop to the ground and let not even the fowls of the air come and steal one of these words that went forth today out of the Spirit to go into your mind. I encourage you to listen to it over and over again so that it becomes apart of you. Then you will be able to operate out of it daily in your life and know that God is admonishing each and every one of us in His love and encouraging you to take not this word lightly. Do not sit here and say, I can just hear the word only but think about who you are and

be a doer of the word you heard today. Jam 1:23 For if any is a hearer of the word, and not a doer, he is like a man beholding his natural face in a glass:

The explosion that the Father revealed to us is happening in the Spirit realm. You will be a part of this explosion and it will affect the universe and the creation. Jesus said, "Believe that I am in the Father and the Father is in Me or else believe Me for the very works I do. The evidence of the miracles themselves, because the works were coming from the Father Himself. This is the day that the Father's works are being manifested. It could never be manifested before because there was too much flesh operating. It has effected and hurt many people. There have been many ministries. Many times we have, each one of us, because we thought we were doing what God wanted us to do. We were running with this and running with that and quoting scriptures right and left and yet it was not coming out of the Spirit. This is the day that it is going to come out of the Spirit and it is going to be nothing but the works of God being manifested to His creation. I'm saying Now. I do believe there is a lot of undoing. A lot of undoing of the works of man. This is the day, and it has already started. You will see an increase of works of ministries being burned up.

All that will remain is that which is of God but the wood hay and stubble ministry is being consumed and there will be an increase you will see it. God will use this ministry to work in those areas to consume those works because they must be consumed

in order for His works to be enhance and go forth in a multiple way as never before. Jesus said, "Believe that I am in the Father and the Father is in Me or else believe Me for the very works I do. Verily verily I say to you he that believeth on Me, the works that I do shall he do also.

To believe on, Jesus means to believe on knowing what you are, where you came from and where you are going. To believe on Jesus is to know who you are, where you came from and where you are going. To believe on Jesus is to know what you are and what you are to do and what your responsibilities are. To believe on Jesus is to know that the same Jesus is in you and operating through you today. He is not operating as the man Jesus. That ministry ended when He resurrected. It is not that ministry. Not the same type. The ministry that He ministered back in the beginning was Spirit and word and was one with God. He said, Father return to Me the glory that I had with you in the beginning, and that is the ministry that He is bringing forth today to operate in the universe.

For verily, verily I say to you he that believeth on Me the works that I do shall he do also and greater works than these shall he do. John 14:12
