“The Four Faces of God”

By: Joyce Morris

07/26/1992

The word that the Father has been speaking to us just seems to get stronger and stronger. It is important that you digest what He has been saying and let it become part of you. Allow Him to deal with every area of your life, and consume whatever is not like Him.

I know this is the time and it is now upon us. It is not something in the future; it is right now that we are to operate in the full wisdom of God, the full knowledge of God, and the full understanding of God.

There are two companies. I have never seen this as clearly before. We always knew there were two companies.

In *Rev 4:4*, we see that the elders have their thrones. There is another company having the four faces of God. Both companies are working together but one is a little closer to God than the other and yet both are a company of people who are closer to God than all the other people in the whole earth.

We want to expound on that today and share with you what this company with the four faces is, who they are, and what they are doing.

The four faces of God are named after the four beasts in Ezekiel. They are the beast

nature. They are called beasts to remind us from where they came.

In *Rev 4:4*, there are two groups of people. Royal priests are part of that royal priesthood, contrary to the four faces of God - which is the nature of God. The four beasts have four faces. We are going to expound on the type of four faces and how they operate and also see how we operate in one or the other.

Actually when these four faces of God really come into that union with the Lord, He swallows up their souls to where they will never ever reflect the counterfeit which is the four faces of mankind, the Adam nature. In *Rev 4:4*, John was on a particular island, an island of love. He had a relationship with Him. He was very close to the Lord and totally separated unto the Lord, as he was secluded on an island.

When we come into that place in God and have that relationship with Him, we are actually totally set apart on an island with God. A lot of people are around us but we cannot convey to them our vibrations because they have not as yet come into that love affair with God. John had that love affair with God as he rested his head upon the breast of Jesus. He did not, in other words, rely upon his

own understanding. He became like a little child, totally dependent on the Lord. Therefore, he was put on this island where the Lord gave him most of his revelations and understanding.

There are a people today, who have made up their minds that God is their whole life and without Him nothing really matters. There is no substance in anything without Him. We are finding that we want to have Him as our first love, and out of that relationship, we will come forth in His nature.

In *Rev 4:4*, John saw into this day even back then. When you have this love affair with God you will see what the ministry of the four faces is to be in the earth today. God, Himself, is setting up these two types of ministries today. Nobody can stop Him. God is totally in control. He is bringing it about just the way He wants. He is setting up this ministry to have a responsibility in the Kingdom of God, of all of His Government and His ideas. The complete mind of God will operate out of this ministry.

John saw into the future, to the day of the Lord. He saw that a door was open in heaven. God has opened that door. When we saw that open door, God began to

catch us up into another realm. We are not in the realm that we used to be in and it is only by the grace of God that He has brought us into this higher realm.

But someone had to point us to that open door. They had to find it first. God has always had a forerunner - someone who was looking for something deeper in God. God is supernatural; and He, is Spirit. That is why we are returning back into the Spirit.

John saw into this day and he saw that there was a door opened and another realm. He not only saw it but he operated in it. The reason? He was operating in the realm of love, the realm in which God is bringing this ministry. That is why we are going through various kinds of trials. Some of us struggle. Some of us have felt frustrated. That is good because frustration makes us press on into God. Frustration should make us determined to go on and to experience what God has for us today. Whatever your frustration is, don't let it stop you. Keep moving on and pressing on in God because what we are in right now is so important.

God can use the least of us as we get to know Him. There are great realms in the Lord. That's what is so exciting about God. David was called at a very young age. He saw this open door. A trumpet was blowing. The Amplified Bible calls it a "*war trumpet*", and there is a war going on in the heavens now. God has to bring us to the end of our war.

A few years ago, different ministers came through here and said that our war has ended. The warfare that we have had has been in our minds. When God brings us to the end of our war,

we can go to war and battle for others so that they can come to the end of their war. The trumpet is calling us to go up in the Spirit and to cleanse the heavens from other peoples minds so that they can come to the end of their wars and have peace.

God says, "*(Come up Here and I will show you these things.)*" The earthman (carnal minded or religious minded) cannot see what we see or hear what we hear because their mind is not in the realm of the Spirit. We have had people with no understanding of what is going on in our meetings and they get right up in the Spirit. They receive it and they know it is God. They see it and they understand it. There is no mistaking the Spirit of God and the presence of God.

Then they get out of the Spirit and their own carnal mind hits them again, with a flow of negative thoughts. They try to reason it out and understand it with the carnal mind and that is impossible to do. The carnal mind cannot comprehend the things of God.

There are times when God gives us a new thing. Our spirit bears witness, but our head says, "No, that is not true". Our spirit has born witness and reveals the fruits of it, but our head rejects it because of past teachings. That is why, God is calling us to Him in the Spirit so we can have an understanding of His mind, and be able to operate in it. If our minds are flooded with doubt and unbelief, it is because we are being proven and tried each time we come into a new truth from God. God is proving, trying, and testing us to see if we are going to

give up or hold on, and move in the next truth that God presents to us.

If you lose that truth that God gave you, then you will start sliding backwards and believing in some other stuff. God's desire is to bring us from one truth to another and that we hold on to each new truth. This is the time that the trumpet is being sounded and all of you have the understanding of that. When you are caught up in the Spirit you are catching creation up with you. Understand the importance of that. The more we are caught up, the more of creation is being caught up with us.

Rev 4:4, This is glorious. John was seeing what God was setting up. He looked into this day. He saw you and me. Think about that. He saw all the elders of the priesthood being assembled together, Each one being placed on a throne. There were 24 elders. Actually that is the number of the priesthood. In *1 Chronicles*, when God set up the Levitical order, there were 24,000 priests. Here we see that different ones had various positions. They are called the elders. These are the first fruits among the many brethren. They are called elders because they are the first born, the ones birthed into the realm to become priests. Priests, which God has set up today, are totally different from those He established in the Old Testament.

Rev 4:4, says 24 other thrones surrounded the throne. The elders don't have **THE THRONE**, but they have a throne. Throne means authority. So each one of these priests has an authority, but do not have the ultimate authority of **THE THRONE**.

They do not have the four faces of God, but they do have authority. They have the seat that God has given them and they are priests after the royal priesthood, the Melchizedek order. These are the Sons that God is using to be saviors upon Mt. Zion and deliverers to deliver creation.

The first thing that they are doing is to have thunder and lightning come out of the throne and these are the judgments. Their throne is the judgment by which they will judge the world. Let's go back to *Rev 4:4*. Seated on these thrones were 24 elders arrayed in white clothing with crowns of gold upon their heads. This means that these people have gone through the fire. The Lord has purified them by a righteous judgment. A judgment not of their carnal mind, but totally coming out of the Spirit of God and they are operating right now. We have been experiencing this now in degrees. They have had God's nature worked in them to know how to rule and reign with Christ **NOW**.

Rev 3:21. The Lord says, "(To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in HIS THRONE)." An overcomer is an individual who has overcome their soul. (woman) The biggest problem we have is the woman. (soul) The soul is our emotions, feelings and desires. This is the feeling realm. They have overcome the woman. The woman has become totally submissive to the Spirit. It knows that Christ is the head and it says let the woman be silent. When the soul or the woman speaks her own mind, those who are in Christ know who is speaking.

Sometimes they won't even answer her. Why should they get down with the woman? If they are in the mind of Christ why should they wallow with the woman? (the carnal mind)

Two different types of nature can operate out of each one of us. Let the woman be silent. The woman is becoming more and more silent as we allow God to consume our souls. This only happens if we go through the fire. The Lord purifies our thoughts it causes the woman to react in us with seducing thoughts. That woman is in every one, and operates within us at times. She wants to steer us away from where God wants us to go.

See *Rev 4:5*. Out of the throne comes flashes of lightning, rumbling, and peals of thunder and in front of the throne seven blazing torches burned, which are the seven Spirits of God - the sevenfold Holy Spirit. Several thousand people in the visible and the invisible - out of them was coming lightning and thundering. It also says the earth will burn like an oven. Why is it going to burn like an oven? It is because God's judgment is going forth. He is already judging the world. We ARE in the Day of the Lord. What are the flashes of lightning and thunder? It is God's Voice. Who and what is the voice? God's own people. We are the voice and God is speaking decrees out of Zion. This is the voice of the Lord going forth, executing a righteous judgment, which is bringing forth righteousness in this hour, because He is God.

This is His day, that He is showing us and will continue to show who He is. Even though He

is judging, it is still righteous and it is delivered in His ultimate love. We all here, learned that the wrath of God is the ultimate love of God. Judgment is correction and is needed to bring righteousness on the earth today.

Let us go to *Exodus 9*. This is a type and shadow of what God is doing today. He began to deal with the rulers of Egypt. He told Moses to pick up his rod, which caused flashes of lightning to come upon the earth. Moses stretched forth his rod to the heavens and in *Verse 23*, lightning and fire ran down along the ground and the Lord rained hail upon the land. Many times we have been in the Spirit and seen lightning and heard thundering, and we have seen storms. We know it is God's voice going forth and He is executing and doing His will in the world today. God had a place for His people. They were in Goshen land. And in the Hebrew or Greek translation, Goshen is where you are dwelling in the presence of God. Jesus said, "*abide in Me and I will abide in you*". When we abide in Him that is our Goshen land because it is our place of protection.

Psalms 91:7,1, "(A thousand may fall at your side)" and nothing will come nigh unto thee because we are (*in the secret place of the Most High*). God has always had a place for His people. He is not going to take them out. He is going to keep them right here and take care of them. So it is not a rapture in the sense that the church has taught us but it is being "*caught up*" in the Spirit and that is the place of our protection.

Notice what Pharaoh said to Moses. "(I have sinned this time, the Lord is right and my people are wrong.)" He is always repenting and then his heart hardens. Isn't that true of us? You and I repent and then our heart hardens and we go back and do it again. The reason the heart hardens is that we didn't believe what God told us, so we just keep on doing it. Then our hearts (our minds) harden, and our mind is not sensitive to the Spirit.

So, if you have a Pharaoh experience (and we all have) don't be surprised. Your heart hardens because of unbelief. If Pharaoh had believed what God said and did, his heart would never have hardened. Every time God gave him instructions through Moses, Pharaoh would repent but then wouldn't change. He would say it, but wouldn't do it. Saying it and doing it are two different things. Repentance is changing one's mind and then acting it out. When the mind hardens, we are not sensitive to God. We are not tender hearted toward God. Our love affair is not flowing the way it was.

Look at *Ex 9:28*. "(Entreat the Lord for there has been enough of these mighty thunderings and hail, (these voices of God). I will let you go, you shall stay here no longer.)" We know that He hardened his heart again. God's voices are going forth in the earth today. His voice is being sent out to the four corners of the earth. You do not have to go to the four corners of the earth for it to happen. And that is what is so exciting about this realm.

Let's go back to *Rev 4:6*, "(And in front of the throne there was also what looked like a

transparent glassy sea, as if of crystal. And around the throne, in the center of each side of the throne)" - Notice it says, "(in the center of the throne were four living creatures full of eyes in front and in back.)" (With the knowledge of what was before and at the rear of them.) Then it goes on down to say, they have eyes "around and within"

Ezekiel 1, Describes them again. "(They have eyes that are within, eyes in the front and eyes in the rear.)" Why has God put all that in there? Ezekiel even had a vision of this. What was he seeing? He was seeing some people come into the full manifestation of the Father. He was seeing some people come into the four faces of God. That they would come into the four natures of God. He was seeing them operate even as Jesus Christ operated. These people will operate and express the totality of God Himself, expressing the full wisdom of the Father. They have eyes in the forehead, eyes in the back and within. They have eyes to see in the future. They have eyes to see in the past and they have eyes to go within to deal with what is inside of them.

Have you wondered why God has taken us into the past of peoples' lives? He also takes us within ourselves to deal with what is within us? How did these people get to the place where they are? It says in *Ezekiel 1 Verse 4*. A strong whirlwind that came out of the north blew upon the people and brought about an amber color, which is the nature of God. The north wind is many storms, which they have had to come through. They are not just sitting on this throne. They have become the whole throne. They

have become one with the Father and one on this throne. They have the ultimate power and anointing of God. They will manifest the full mind of God and they operate in the totality of the mind of God just as Christ did. They take no glory unto themselves. When they begin to adore and praise and exalt God. You do not see any crowns on them. You see the crowns on the other priests but not on them. They do not need a crown. They have actually become the mind of God. Paul could not receive his crown when he finished his course. He walked his course and said, "I have finished it. There is a crown that is laid up for me and it is a crown of righteousness that I will receive in that day." They have eyes in front and in back. There are a people whom the Lord will give His complete authority, His complete nature. These people have gone through the fire. Many storms have come their way to bring total purification, to purify away all your ideas and your desires and all your attitudes. Actually even purify you to the point where you have no identity whatsoever. When we have lost our identity we will never point to ourselves (in spiritual pride) when God uses us, and say, "look at me and see what I did." Everything we do will point toward the Father. We will always point to Him and always glorify Him.

The four beasts are an example to those that have their crowns on, because they can see what they have and their relationship with the Father and how much they adore God and how much they give God the glory.

All of a sudden you see the 24 elders throw down their crowns at the feet of the Father because they begin to see and understand to whom the glory belongs. Their revelations, knowledge, understanding and what it took for them to get their crowns; they lay it all down so that only God Himself can receive all the glory and the honor.

Rev 4:7 "(The first living creature (one being) was like a lion; the second living creature was like an ox; the third living creature had a face like a man and the fourth living creature was like a flying eagle.)" The interesting thing about these four beasts was that they had complete unity, and were of one mind, the mind of God. They wait upon the Spirit and then move together and go like a flash of lightning because they act through the leading and guiding of the Spirit. They go straightforward and move in the direction of the voice of the Father. No orders are heeded from anywhere else. They are constantly listening to the voice of the Father and listening for His orders and they move together with such astounding unity. They are set up to govern things in the Kingdom of God and in the world.

Ezekiel 1:5 says, that the man is the first one and is the front. The lion is the right side representing authority, anointing, and power. The ox is on the left. Jesus expressed the lion in **Matthew 1**. Gives the total expression of the lion. Jesus went forward expressing the power and authority of the lion nature. He expressed the kingdom. In **Mark**, He expressed the ox, which is a humble servant.

Philippians speaks of the nature of the ox. The eagle is at the back of the head. The eagle has an eye in the Spirit and always waits for the Spirit to take him up into higher realms.

Jesus Christ portrayed each of these natures because He was one with the Father. He said, "(If you have seen Me, you have seen the Father)". People, who are lost in God, have seen the Father. Watch the four beasts, and you will be watching God's ways, God's actions. You also hear His understanding and His wisdom.

Rev 4:8 "(And the four creatures, individually having six wings, were full of eyes around and within (underneath their wings). And day and night they never stopped singing, holy, holy, holy is the Lord God Almighty. Who was and is and is to come.)" Why could they say that? Because they became - Who was and Who is and Who is to come.

Rev 4:9 "(Whenever the living creatures offer glory and honor and thanksgiving to Him who sits on the throne, who lives forever and ever.)" (Through eternities of the eternities).

Are you willing to lose everything? Do you realize that this ministry is a ministry forever? That you will minister from eternity to the eternities. In these two realms of eternity to eternities you will RULE with Him. What are we putting before these positions? We have to get our priorities straight. We have to have a goal. If we do not have a goal we are lost. I am trying to tell you that the goal is right in front of you ready to take place. Once you are set in that position you will not be removed, and you will remain in that position for eternities.

The time is coming when you will no more go out. This is a people who will never go out of the "Spirit again. They are totally one with Him and they stay in that realm. We are not going in and out like we used to. Have you noticed that? It is a matter of getting our priorities straight to see the position that God has called us to. We talked about the lion, the ox, the eagle and the man. We know the man is in the front. The word always talks about the son of man. God is creating sons for humanity. The son of man means a son for humanity. The man was first because Christ came to feel the infirmities of all His brethren so that He could be a priest forever. He is already seated with the father, manifesting all His nature in this realm. He is in this ministry forever. His ministry is righteousness and peace and it goes forth out of the throne continually and never stops. He is not ministering like He did when He walked this earth. He is in a different realm. This realm is above all principalities and all powers. (*Eph 1:21*)

The Lion is on the right side. The Lion nature has to be worked in you. You can operate in the Lion nature, which is the nature of Christ and then you can turn around and operate in the other lion nature. The carnal mind has power, which also has a nature to it. That nature can be expressed and be seen. God's Lion nature in us has the potential of being a leader. Everyone whom God is raising up to be a deliverer or to release the creation will have to be delivered first. You have to be released before you can release

creation. There is that leadership ability in you. Also there is an ability in you to control, but you keep that ability to control subdued, because, you know, that God has not called you to control anyone. The only one that God wants you to control is yourself. There is leadership and there is authority. When you issue out different things for people to do, you do it with the authority of a servant of Christ and people are able to receive it.

Then we have the beast nature, which controls people. Controls them and gets them to submit to their authority. There is a submission between the Godly Lion and the Lamb. Their authority is in gentleness and patience. You can distinguish between the two, because both natures are different. The Godly Lion nature is Spirit led. The beast nature is bossy and controlling and does not have patience at all. It is very quick tempered. That is the carnal nature. Once God brings you out of the carnal nature your whole aim is to bring others out of the carnal realm.

You can easily flip from one nature to the other. If you understand that the carnal nature has been crucified with Christ then you will find your true self. It takes certain ones longer to find their true self. You need to wake up to the reality that your true self is the Christ. If you go back to sleep again you will go back to that lion nature of becoming bossy and telling everyone what to do. In fact sometimes you do things and don't even tell them. That is trying to take over or trying to control when you shouldn't be controlling. That is how the

carnal lion operates. He is also stubborn and resists change.

The carnal lion argues with you, but gives up when he thinks he is losing. He is a quitter. I am amazed at the patience of every one of you here. You didn't get that overnight. Every one of you had to go through tribulations and God had to work patience in you. Many times you have sat here as we waited on God. You have had to have patience worked in to you in order to operate in this realm. Many times the soul will speak negative things so that you would give in to your tiredness. You would gird up your mind with praise and continue to go where the Spirit leads, and let God accomplish what He wants done. He has to work all that in us. I just thank God for what He has done and is still doing.

Not everybody can take this kind of ministry. It is totally letting God have His way. Some ministries are very busy and not letting God's Spirit and word have its way to accomplish what He wants.

We know that the carnal lion also is very emotional and in **Daniel 7**, it speaks of all four of these beasts. These four beasts represent an empire and actually it is nothing but the carnal mind ruling the world empires. The lion comes roaring to devour. Have any of you had a relative, a friend or a husband or wife seem like a roaring lion? With all these emotions and anger coming at you. They are trying to devour the life that you are flowing within Christ. Be aware of when you are that roaring lion or when you are allowing God to work His nature and life in you. The

lion beast always dominates people and also makes decisions for other people. That nature has to be dealt with.

God has taught me never to force anyone to do anything. I have made suggestions and counseled, but then left the decision up to you. That is the lamb nature. The lion speaks truth with authority. It is up to you to heed to the authority and be obedient.

The carnal lion knows everything. You can't tell him a thing. He knows it all. Also they can never say, I'm sorry. The carnal (flesh) lion is bossy, impatient, quick tempered, stubborn, argumentative, quits, comes on strong, very controlling, very emotional and wants to dominate and have others under their control and authority, makes decisions for others without telling them, and is a know it all and can-not apologize.

Let us look at the good Lion. This lion shows a good example, always wants change and improvement to take place in his or her life, and wants to bring about change. These people are going to bring about change in the entire world. They are unemotional because they have finally gotten their emotions under control through many experiences in their walk with Christ. They are strong willed but it is the will of the Father. People get mad at them because they stay in God's will. They are not easily discouraged, and they are independent. They do not have to have friends because they have had a taste of walking alone and they can handle it. They know that it is nice to have friends but

they know they have everything they need in God. They have great confidence and always have goals.

The ox is another side of God. The good ox is a servant, easy, calm, cool and relaxed. He gets the job done. It is not a forced thing and you always see the peace in him. He forgets about himself and serves others. Self is totally denied in the ox nature. The fleshly ox is very fearful, worried, selfish and self-centered. The Christ nature is easy to get along with, a good listener, pleasant, compassionate and concerned. The flesh is negative and moody. Some people find it more difficult to get out of these negative traits. Unless you allow God to deal with your soul in certain areas of your life you will not change. Some people find it hard to get in the Spirit, because they have operated for so long in the flesh nature and the carnal mind. All their thoughts make it very difficult for them to enter the Spirit realm. Someone like that has to be willing to change and to be willing for God to deal with their weak areas. You do not have to drop down into that negative realm.

I really want to bring that out because if you get down in that negative realm, even though you have a lot of negative thoughts coming against you, you still make the choice to get down with it. When you stick to whom you are in Christ and know that the carnal man was crucified with Christ on the cross then you are not one with that. You have a union with God. You have a union with that positive part and recognize what the other is and you overcome it.

When you are in the Spirit and negative thoughts bombard your mind, you know immediately that is not your true self and you say, I know who I am in Christ. Christ is life. You let the Christ in you consume the negative energy. *Phil 4:8, "(Finally brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue and if there be any praise, think on these things.)"*

The flesh side is moody, depressed, has false humility, low self esteem, is worldly, self centered, complaining, and there is always something wrong with them. They have to work real hard to get in the Spirit. They are hard to please and they have a very deep need to receive approval. You may operate in the wrong lion or ox realm at times, or you will come across it in others. You will not want to operate in the wrong kind. You have high standards. See *Colossians 1, and Ephesians 1 & 2.*

The four natures of the carnal man are in the lion, the bear, the ox and the eagle. The bear nature is extremely lazy. He wants to sleep all the time.

The four natures of God have eyes in front, eyes in back and within. They know what is going on at all times. They are in tune with the Father. They have a complete awareness of the spiritual realm. They have a complete awareness of the invisible realm and aware of vibrations of any one who comes into the room. They are full of wisdom, knowledge and understanding. They know what

will happen in the future. When they get with people God allows them to see their past and see what has destroyed their lives. They can always bring them, out of the past. People are locked up in time, so they have to go back in time to get them unlocked. They also have to go into the future to do things that God wants them to do or show them. Perhaps, seeing in the future is to give them hope. They also can go within and they can hear their thoughts, just like Jesus did. He was so in tune with His Father, with these four natures operating at all times in His ministry.

We are to be conformed into His nature. We are not being conformed after that old man because that old man is dead. We are to reckon that old man to be dead. We are to be totally recognizing one nature and that nature is the nature of Christ. That is what we are to think about, to let the Christ be expressed through us daily. There are times you feel like you would like to hit someone but you know that is the wrong nature trying to come in to your mind to act out those thoughts and you realize that you are not that nature. I am not that roaring lion but I am that lamb that is lying down with the lion.

Which one of the natures is operating out of you? With this information as a guidelines you can recognize it quickly and know who you really are. Who you really are, is the Christ. Go within and have a relationship with Him and get in the realm of love and the fruits of the Spirit will automatically flow out of you. Patience, long suffering, meekness will flow right out of

you We have the opportunity to have that place in Him. There are some sons who are not in this realm yet, but they will come into this realm and join those who are operating in it NOW. God will bring them in. We are all going to become one, because it is only going to be the mind of Christ operating through and out of us.

Ezekiel 1: Those who have been through the storms and have come out of the north wind and the nature of God has been worked in them. They don't break ranks. They know their place in God. They never become jealous of each other, or of others, because of the realm they are in. There is no need to break ranks because they are all one and one with God. There is complete unity. One does not want another's position because they all have become the throne and have become one with the throne which is God Himself. That is where their faith is.

In **Ezek 1:11**, "*(Such were their faces. And their wings stretch out upward, each creature had four wings, two wings of each one were touching the wings of the creatures on either side of it and two wings of each creature covered its body.)*" These creatures are only interested in one thing and that is flying. They want to soar in the heights of the heavens and that is their interest. They have wings. **Verse 12 & 9** "*(They went everyone straightforward.)*" their lives are completely led by the Spirit "*(they do not turn.)*" They are on that straight and narrow path that can only lead to life. **Verse 13** "*(and out of the midst of the living creatures there was what looked like burning coals of fire, like torches moving to and fro)*" the judgments

of God "*(among the creatures, the fire was bright and out of the fire went lightning and the living creatures darted back and forth like a flash of lightning.)*"

When we come here on Fridays, sometimes our minds wander off. Our goal is for us to empty our thoughts and to allow God to consume our thoughts to where we are totally in unity. In that unity God can take us deeper in Him. We go deeper and deeper in to the Spirit and out of that God can send us all over the world like a flash of lightning, going to the four corners of the earth. We have already experienced this here so this is not new to some of you. God Himself is ministering all over the world. God is excited when He can find a vehicle that He can move through and do what He wants to do because of the willing vessel. He can accomplish what He wants to accomplish at that time. When individuals go forth in the Spirit like a flash of lightning all over the earth that means that His truth is being preached in the four corners of the earth. It means that the judgment of God is going forth to the four corners of the earth. They have torches and the idols and the kings are being dethroned.

If you read about Gideon - he had torches and he had 300 men and they dealt with the idols that were among the people. These people are one in the Spirit and God is able to accomplish what He wants through them.

To continue in **Ezek 1:15**, it says; "*(Now as I was still looking at the living creatures I saw one wheel.)*" All of this is one; one, one all through the whole chapter is

speaking of unity. Their rims they were so high that they were dreadful and the four had their rims full of eyes round about. Meaning they had the eyes of God. They were alert and had the awareness and could see in the past, present and the future. "*(Wherever the Spirit went the creatures went and the wheels rose along with them for the Spirit or the life of the (four living creatures acting as one) living creature was in the wheel.)*"

When we come here at times, all of a sudden the Spirit isn't moving. Then we wait on the direction from the Father and when He shows us why it isn't moving and points us in the right direction. We get back in the flow again. If we are going in all directions we are not really in unity. Read the whole chapter. Actually these people bear the whole nature of God. They have been transfigured in the complete glory and the manifestation of the Father. We have experienced this in degrees and I thank God for all the experiences He has given each of us. He is going to show each of you that He has chosen you. It is not by chance that you were brought here today. God in His ultimate love has laid this before you to show us the positions that we are operating out of and the ultimate one that He is bringing us into.

We need to think about our priorities. Know what your ultimate goal is. We have one desire and that is for our Father's will to be accomplished in this earth, which is to bring man out of his carnal mind. Our goal is for God's Kingdom to be established on the earth and for

is will and purpose to be
accomplished.
