"The Government of God"

02/03/1991

By: Joyce Morris

The Kingdom of God is being established in the hearts of men and women all over the world. It is not by might or by power, but by His Spirit sayth the Lord. The Lord is bringing change through out the earth by His judgements. He is doing this by his Spirit and His Word. **Heb 12:26-28**

Several years ago the Father spoke a prophecy that He would bring governments to flow into our fellowship. They would flow in, and they would flow out. We thought at first at that time that this would take place only in the natural, until the Father began to teach us what He really meant. In **Eph 6:12** it states: "For we are not wrestling with flesh and blood-contending only with physical opponents-but against the despotisms, against the powers, against (the master spirits who are) the world rulers of this present darkness, against the spirit forces of wickedness in the heavenly supernatural sphere. The Father is bringing the rulers before Him in the realm of the Spirit to demolish their carnal power that they have used to control people in this world." The Father is bringing the rulers before Him in the realm of the Spirit to demolish their carnal power that they have used to

control people in this world. The world is trying to establish peace in the natural. The only way peace can be established is by Christ, working through a people for His glory. 1Tim 2:1-4, "I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men: 2. For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. 3. For this is good and acceptable in the sight of God our Savior: 4. who will have all men to be saved and to come unto the knowledge of the truth." Also read **Psalm 149 verses 5-9**, which is very important. God is raising up His own government. You are the government of the Lord. We are kings and priests to rule and reign here upon the earth. **Rev 5:9-10**, God brings the rulers that have ruled over the earth - even those that have passed on the other side. The former rulers are still ruling because their minds (spirits) are still operating on the earth. That is why the Lord has to deal with the rulers of the world first because His Kingdom and His government is being established today upon the earth to bring peace upon all mankind. If you will notice, the Lord begins

to minister to the rulers that He brings to us. After God corrects the rulers and the kings, and after He ministers to them, there is such a tremendous peace. We, as kings, rule with the authority of the Father in His nature, in His mind. We minister the authority and the power of God to establish what He wants to establish, to let His people go into this realm of peace, mercy, forgiveness and everlasting joy in the Kingdom of God. **Psalm 149:5-9**

So He is letting us know that we, as a people today, are His government that He is establishing in the earth. In the natural, the people vote to elect the government. But God chooses His own government. God is the one who elects His government. **Isa. 9:6**, reports that this government is "laid upon His shoulders". God is the head and this is the "shoulder ministry" at work. He is ministering and increasing His government. It is not just here but everywhere that God is establishing His government throughout the earth. We are making decrees out of Zion, Oh Glory to God! It is being established now.

Through Jesus Christ, God has brought us out of the king's prison. We have been sitting on

the throne since He brought us into the complete rest. His order, which is His Word, is being spoken. It is being spoken and is going forth today to establish His kingdom upon the earth. His kingdom is righteousness, peace, and joy in the Holy Spirit. When Joseph was brought out of prison, he became king over Egypt, appointed by Pharaoh. He even governed all of Israel, Glory to God!

The Lord wants you to understand that if we are kings and priests upon the earth, then we are kings over the whole world. Government means, "To govern, to have control over, to rule, to direct, to manage, to govern a nation, to govern our own feelings and thoughts, to guide in action or thought". The Lord has to govern our life first and our mind. Then He has to bring us into the place where He governs our emotions and our feelings. If we were to stay in the emotional and feeling realm, we would not be able to govern, as God wants us to govern in the spiritual realm.

Matt. 10:9-10, states that we would be brought before kings, before rulers of the world. This is already taking place, saints of God. Jesus even said, "Take no thought what you are to say". Why did He say to take no thought of what you shall say? Because it cannot be your thoughts to do what He wants to do. The Father will speak through us. If we are One, it can only be His mind operating through us. His thoughts are going forth to decree what He wants to decree, and when God finishes, there is peace. This is how peace is being

established in the world today. God is bringing us before kings in the natural, as well as in the invisible realm. When God moves in His mind, He puts His thoughts, plans and actions into the minds of the rulers of the world. He puts His thoughts in the leaders' minds even in the recent Persian Gulf War. He is doing it with a spoken Word by His Spirit. The thoughts of God are being sent forth into the minds of His people, sent like arrows to the whole world, and these arrows (His Word) cannot return void. Hallelujah!

He is trying to get us on the throne today because the work must be done from there, the throne room, which is the mind of God. God is showing me that He will not use people to govern the world who will not allow Him to circumcise their hearts.

He reminded me of the Levites, the sons of Zadok, who were priests. They were the only ones God permitted to enter into the Holy place because they had allowed God to circumcise their hearts. The Lord showed me something a little different from what I had seen before. In Ezekiel 44, the Lord became angry because the priests had allowed unclean and uncircumcised people to enter into the sanctuary. The sanctuary is the Holy of Holies. The Holy of Holies is the mind of Christ. A lot of people think they are going to operate from there without having had their hearts circumcised. He made a promise to Abraham, "a covenant forever." That covenant was not meant to be of the old circumcision, by the letter of the

law, but of the new circumcision which is done out of the law of the Spirit. We don't have any traditions or doctrines here, but in **Colossians 2:12**, it says we are circumcised through the operation of God. So God does the operating and He does the circumcision of the mind, of the heart

Some think they can do their own will and still be able to rule with Christ. That does not work at all. The Levite priests, who were the sons of Zadok, were the only ones that could do the work in the Most Holy Place. The other priests had chores: taking care of the gates and doing different jobs. They were not permitted to minister in the Most Holy Place. They simply refused to have their hearts, *their minds*, circumcised. So those of us who still want to live in the flesh, will have appetites for the soulish realm, will not be able to work in the Most Holy realm.

The meaning of Zadok is "righteousness, just and true." The reason the Lord has been dealing with the mind is that He only operates through His mind in this day and time, to fulfill His purpose so that His Kingdom can be established as He chooses. It cannot happen to an impure mind. It cannot happen through the carnal mind. Yes, we are "the righteousness of God". Yes, we are "Holy in the Lord". But that does not mean we can go out and commit "presumptuous" (willful) sin. The Father is going to use a vessel that is willing to be circumcised in the heart (the mind). "Think upon these things, things that are true, just, holy, and of a good report".

We are operating out of the Mind of Christ. This is why we should come together with our minds emptied of negative thoughts. The time is coming when you won't have negative thoughts any more. The Father is laying the axe to the root to eliminate those thoughts from your mind. Instead, you will be operating in the mind of Christ all of the time, day and night.

You wake up in the mind of Christ and walk in the mind of Christ throughout the day. The Lord began to tell me: "Joyce, as you begin to obey My Spirit, you will no longer have negative thoughts in your mind. I AM bringing you into a place where those negative thoughts will not flood your mind any more, but you will have only positive thoughts because you are walking in this realm." Hallelujah! He said: "I brought the flood of waters of My Word to wash your mind." Back in the time of Noah, when thoughts were wicked and the heart was wretched, God repented that He even had created man. So He had to bring a flood. What was the flood doing? It was destroying the wicked thoughts. That is what the flood has been doing in our minds: destroying those wicked thoughts from our minds. This has released us to ascend higher and higher in the Spirit.

Moses, like Noah, was a man used greatly in his time. He was righteous, he was just, and he walked with God. Moses' name means, "a just man made perfect". Noah was a just man made perfect in his generation, and he walked with 'God. His name means, "rest, calm, quiet,

peace and tranquility". This is a state of mind. When your mind is in complete rest and total tranquility and peace, it permits peace to cover the whole earth.

We are not a people at war. The battle has already been won. We come to the kings that God brings to us with the ultimate love that brings correction, and then brings peace. When peace comes to the kings, then peace comes to the people. Peace must come to people that lived many thousands of years ago and have waited for this day that the Father is establishing His Kingdom upon the earth. Hallelujah! God's New World Order is coming in now, and it must take place.

The Lord wants us to ascend in the Spirit as kings and priests, ministering correction, then peace. God does the correction. God brings the peace. This is a righteous judgment and this is how His Kingdom is being established in the earth. That is why He has us to ascend in the Spirit. The Lord has said that we have been ministering in the king-priest realm and we don't realize the effect that takes place in the world today.

You are the government of the Lord. You have to understand the office that you have in the Father. You have to understand your responsibility in God and who you are in God. We are not the government of the natural, but we are the government of the Most High God, the government of all nations, Oh Glory to God! He will govern ALL nations and He tells you that your inheritance is the nations.

Jesus Christ has ALL power and ALL authority in heaven and earth, Oh, Hallelujah! He is raising Himself as one King in a many-membered body, as one Priest, Hallelujah, to establish His purpose in this earth and nobody is stopping it because He is getting together a people that are willing to lay down their lives. These feelings, emotions, and carnal desires are not worth a hill of beans. We need to be what He wants us to be in this earth today as His government.

As stated above, God is not bringing the ruler to this ministry in the natural. He is bringing the invisible world rulers to us in the spiritual realm as well as those in the physical body. We won't have to go to Africa or to the Soviet Union to talk to the rulers of these governments. The Spirit will bring them to us or we will be taken there by the Spirit. We will go before them and God will put in their minds exactly what He wants to be done in this world in this day. This is the day of the Lord and the day to say:

"I AM the God of this world. No longer will man be God of this world, but I AM God of this world." Glory to God! I was never so excited in my life as when I started to see this. I said, "Lord, the prophecy has already been fulfilled. Your government is flowing through us now." They are coming and they are coming and they will continue to come. We will be able to do this by being sensitive to whatever God wants to do as we meet together.

Saints hear me! The United States government, in the natural, has affected the whole world. It is done first in the natural, then in

the spiritual. Why do you think God is using the United States to do what He is doing today? As our government affects the world today, God's government affects it even greater than you can possibly comprehend. Our little needs and our problems are so trivial. Let's go to **Isaiah 9:6**, "For unto us a child is born. Unto us a son is given and the government shall be upon His Shoulders."

Now I want you to put yourself here: Unto us Christ is born. Unto us a son is given (one son - corporate, but one). Unto us the government shall be upon your shoulders. You are the government of the Lord. God intended for the church to rule the world but the church never has. The church has been so bound with religion and doctrine and philosophy. Also, the church system has been fighting among themselves about who is right and who is wrong. They have been having a battle with Satan. They need to realize that Satan lost the battle at the cross. If they would quit fighting him and get into what God is doing, then we would be really ruling the world like God wants us to do. God intended for us to be in control of the world, to rule, to direct and to manage.

As Paul said, "you are ambassadors for Christ." Is that not true? The good news is that, as ambassadors for Christ, you are ambassadors to the whole world, not just to Soviet Russia. You are not the governor (in the natural) of a state. But spiritually, in Christ, you are governor of the whole world. Why do you think God sends us, in the invisible realm, from one nation to

another, then another and another? And what are we doing? We are making decrees. What is happening? The Word is being spoken out of the Spirit by the mind of God to decree what He wants to be and what shall be.

The Soviets can make all the plans that they want to make. So can Japan. In a war nations can plan what they want, but: I see, in the Spirit, God tearing up all their papers and ripping out the pages because He is raising up HIS GOVERNMENT in this New World Order! Rather than a New World Order, I prefer to call it "*The Kingdom Order*". It is, *The Kingdom Order*, that is *coming* in and God is getting a people who He is governing their lives.. Through Him they will govern the whole world. In order to do that, they have to deal with the rulers of each country and each nation. The Father has been showing us that there are rulers that people have not been able to see, that are still ruling and operating in the invisible realm. This is the principalities which are a power structure of rulers around the world that has been ruling since before Christ. That is why God is using His government to deal with these realms so that peace can be brought to all those people subjected to such principalities and be released because He came to set the captives free. The only way you can have peace in this world is for it to happen in each individual. Only God can bring that peace because His son is the Prince of Peace; and peace is our ministry. We come to them with our weapons, which are not carnal but are mighty through God, pulling down the

strongholds by the mercy and grace of God.

In the judgment of God, it is they themselves that brought the judgment upon themselves because their own sins corrected them. That is basically what happens. The way God judges in the realm of the Spirit is to just let His light shine. His Light is the Truth and the Truth reveals everything that is to be corrected. He corrects it and brings peace. It won't happen in the natural until all this work is first done in the spiritual, and then it will take effect in the natural.

"His Name shall be called Wonderful, Counselor". Can you hear this? YOU are wonderful, You are the counselor. I am not taking anything away from Jesus because when you are totally transformed in Him; there will be no man but Jesus, only. Jesus will counsel through you to the whole creation. His counseling is going on today. There are times when God takes you in the Spirit and you go to different people. God is ministering (counseling) to them through you in the Spirit. He is giving them His wisdom; His knowledge, His thoughts, and many think it is their own thoughts! **Isa. 9:7. "The Mighty God, the Everlasting Father, the Prince of Peace, the increase of His government and the peace there shall be no end."**

His government has increased and it shall continue to increase until it fills the whole earth for His Glory. It says there shall be no end to this (His) ministry. We have not been made priests after the carnality of things, but after the power, the everlasting gospel of which there is no end.

In the past, a lot of people really wanted to be kings. I can remember when this king-priest message went out about 28 years ago. Many got bigheaded and puffed up because they wanted to be a king. But they never wanted to be a priest. One must become a priest before becoming a king. A priest, in humility, is to minister to the Father and minister to the people. In doing that, He increases in you and His government increases in you. His government has increased tremendously and there will be an increase of the government this year, even here, because God ordains it to be so.

The controlling that God does is really to set people free, to release them, so that they are controlled in peace. I would like to be controlled by peace, not controlled by fear! You are not ruled over by fear any more nor controlled by the carnality of man's ignorance, his beast-nature, nor mind. Instead, you have yielded control to a righteous God. A God that is pure, just and Holy will control His people through His great love, peace and righteousness. The sin and other things that used to go through all our lives can no longer control us.

Another thing the Lord laid on my heart is that there may even be kings in us that must be dealt with. Kings are sometimes thoughts that rule us and make us do things that rob our peace and joy. A king, to me, is nothing more than a thought that wants to rule and cause you to disobey the Christ. Every high and lofty thing is being made low and God

is bringing down every thought that is being exalted today.

The Lord began to tell me that when Abraham met all those five kings, he destroyed them and then he met the Melchizedek priest, **Gen. 14**. The Lord showed me every thought that I brought through the power of God to Christ is "a king". Any thought in my mind that troubles me, that God has us to deal with, immediately meets the Melchizedek Priesthood Ministry. You will be sent forth to bring peace, and wherever you go, you bring peace. Christ in you destroys what is not of God, but He destroys it through peace in order to bring these things back into harmony.

There are so many people, like Lot, who are in captivity when all these kings are in control of them. All these different thoughts in their minds are ruling them. When you have allowed God to deal with these thoughts in your life, then you can turn around and they are looking at peace face to face. The time is coming when you will come forth and not have to speak a word. Inwardly you are speaking a Word and it is sent forth into their mind. I believe this is the day of the Word being spoken and being sent forth to do the Father's will and purpose.

In **Matt. 10:16**, Jesus was telling his disciples: "behold, I send you forth as sheep in the midst of wolves." So He is sending us forth as sheep. He is the Lamb and He is sending us forth with the lamb nature. It is true that when we are sent in the Spirit, we do go forth in the midst of wolves. "Be ye, therefore, wise as serpents and harmless as doves."

Why are we harmless? Because we are ministering Life, Life, Life! **Verse 17:** "But beware of men for they will deliver you up to the councils, and they will scourge you in their synagogues; 18 And ye shall be brought before governors and kings for My sake, for a testimony against them and the Gentiles."

When we get in the Spirit, God brings us before governors, He brings us before kings. What is a testimony? **Verses 19-20,** "When they deliver you up, take no thought how or what ye shall speak for it shall be given you in the same hour what ye shall speak 20 for it is not you that speaks but the Spirit of your Father who speaketh in you."

It is the Father speaking in and through us to do exactly His will and purpose. **Psalm. 22:27-29,** "All the ends of the world shall remember and turn unto the Lord: and all the kindreds of the nations shall worship before thee .28 For the Kingdom is the Lord's and He is the governor among the nations, 29 All they that be fat upon the earth shall eat and worship, all they that go down to the dust shall bow before Him, and none can keep alive his own soul."

The Spirit of God is speaking to them to bring to their remembrance of who they are and where they came from. He says, "I have nothing against you. You are forgiven. You are reconciled. Come back into Me, now. Come into the Light."

They will remember and they shall return unto the Lord: "For all the kindreds of the nations shall worship before thee. The

Kingdom is the Lord's and He is the governor among the nations."

When you are one with Him, you are the governor of the nations. There are wars and rumors of wars of nations. The wars and the nations are in the mind. When the Father is finished, He will be governor of every mind and every soul and every nation. There will be no more wars because each soul will have returned back unto the Father. **Rom 11:36.** Everything comes out of the Father, goes through the Father. And when it returns back into the Father, there is no war but total peace.

So how are they going back into God? When God has us to ascend in the Spirit, He takes us before the rulers. They have a war going on in their mind and that nation and that war has to be dealt with by the Love of God. By shining His Light, they will no longer rule the world. Hear this! They will rule it in a different dimension, not on the dark side, but on the bright side. When the rulers go back into God, then all the people can go back into God. Then there is peace in the whole land. Why is there peace? Because they all went back into God. Guess where God is - He is in you! No wonder God said the universe (His Kingdom?) is within you.

I'm seeing a whole picture here of the government of the Lord filling the whole earth. As we come together, you may wonder why we do this today? Now it is time to put the Word into action, for decrees to be made out of Zion in a greater dimension. We have been making decrees, but now, in a greater dimension,

because this is how peace is coming to mankind. This is through Christ, the only way man can get peace, and Christ is doing the work through His body on the earth to fulfill His purpose in this day and time.

Government means, "To control, to rule, to control the affairs of the country, the city or the world. The governor of a state is over that state, only. This is in the natural. God is the governor of all the nations, the entire world. This is in the spiritual realm. That means governor of nations in the world that are in people's minds. You once had many imaginations and many nations in your mind, but now He is beginning to govern these imaginations and these nations. When He has governed all of your nations, then He can use you to begin to govern the nations and imaginations in other people's minds. This will release them and bring peace to their minds through the Christ that is within you. Tremendous! **2Cor 10:4-6** *"For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds; 5 Casting down imaginations and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought 6 to the readiness to revenge all disobedience, is fulfilled."*

If you have been brought out of your prison, you should not be focusing upon your afflictions. If you do so, you are actually bringing yourself back into that prison again. When Joseph came out of the prison, he was removed from his afflictions. **Gen.39.** They no longer ruled

him, but he was in control. We will have things come our way but the position and place where God has brought us is to learn not to focus on those things that come our way.

We are to rule over them and not let them rule over us. We need to realize our responsibility in this important hour and of the turmoil that faces the whole world. This word to some people would sound ridiculous.

Today, almost all Christians are proclaiming that the world is coming to an end. They say, "Get ready for the rapture". They are publishing doom and gloom. Saints, be ready because a realization is going to hit them when they see that the rapture doesn't happen the way they have believed. This ministry that the Father is raising up will be called on to bring peace to their minds. In the fear of tribulation, they are looking at the situation of the world. This is the world He is burning up and He has burned up pretty much all of the "elements" (principles and doctrines) in you and me. He has burned up your heavens.

Genesis 42: Jacob saw that there was corn in Egypt. Joseph had been raised up in the darkest hour. He was the only one who had bread. God is raising up kings and priests to rule upon the earth. He didn't say to rule in the clouds in the sky, or be up there singing hymns while the whole world goes into chaos. How ridiculous to sit up there and watch everybody down here get totally destroyed. Is God not greater than this? Always when the world was in a situation, He raised up delivers. Much of the

church cannot believe that God is big enough to deliver them in it. Many in the Body want an escape. I call the rapture doctrine an *“ego revelation”* that tries to save the ego self. The carnal mind always wants to save itself (flesh stroking). The carnal mind thinks: “All I have to do is say, Father, forgive me, I’m ready, and you are going to take me out and perfect me somewhere up there on cloud nine!” It isn’t done that way.

Why do you think God has been catching you up in the Spirit so much? This is the day of the Lord. You could not ascend before the day of the Lord. The Lord caused our consciousness to be raised up in to the Realm of the Spirit. (*Eph 2:6*) We are caught up in Him and are in Him.

During that time in Egypt when there was trouble and tribulation, God humbled Israel. The Bible says the humble shall hear and be glad. Many in the church cannot hear it. Religion has them bound so much in their traditions and doctrines. But all of Joseph’s brothers got broken and humbled. They could not get any bread because of famine in the land. They needed bread and had to go where the bread was. It was in Egypt. It was where Joseph was and Joseph was with the sinners and he would give them bread.

Now that is exactly how it happened with Christ and exactly how it will happen today. They were humbled and Jacob saw and said unto his sons, “Why do you look one upon another?” The Father is going to speak to some leaders - - in dreams or however He wants to deal with them. But

He will turn to some other leaders of the Body of Christ and say “Why do you keep looking at one another and get each others revelations that have gotten you nowhere?”

Jacob said, “Behold, I have heard that there is corn in Egypt. Get you down (this means humble) there” and they had to go down where it was. He said, “so that we may live”. This bread is the only Word that can bring life. Jesus said, “I AM the Bread of Life” bread that brings life out of darkness). They all go down in Egypt and guess who they found? Joseph. [See **Gen.42.6**] Joseph was the governor of that “world”.

Isa. 60, “Arise, for the Glory of the Lord has risen upon you and He will bring the nations that are afar off. The kings shall bring their treasurers and bow down unto you.” Those who are afflicted and hating you will bow down because they are looking at Christ and seeing Christ.

“Joseph was the governor and they bowed down themselves before Him with their faces to the earth. And Joseph saw his brethren and he knew them but he made himself a stranger unto them.”

Joseph knew his brothers but they knew him not. God has brought some to us. They still do not know us. They do not know who you are. Israel came to Joseph but Joseph did not reveal himself to them. But one day he did reveal himself and they all wept, even Joseph (they saw the Christ) He forgave them. That’s exactly how it will be. He had a Word to sustain them through

the darkest time because he was governor.

The king of Egypt, Pharaoh, was the only one who could appoint Joseph. God said I am the only One who will appoint those who will be governor of My world, and it will be a priest of righteousness. The Levites, the sons of Zadoc were priests of righteousness but they could not minister with any sweat. Sweat represents works being done out of the flesh.

There will be a ministry that will minister only out of the Spirit, **ONLY OUT OF THE SPIRIT!** There will be no works of the flesh at all, only the mind of God. That is the ministry that will be the government in the world to establish His purpose and His will.

Rev 19:11, *“Then I saw heaven opened, and behold, a white horse. And He who sat on him was called Faithful and true, and in righteousness He judges and makes war. His eyes were like a flame of fire, and on His head were many crowns. He had a name written that none knew except himself. He was clothed with a robe dipped in blood, and His name is called The Word of God.”*

What I see here is: You are the Word of God. God created everything in the beginning with His Word out of the Spirit. That is what is happening. **Verse 14**, *“And the armies in heaven, clothed in fine linen, white and clean, followed Him on white horses.”* (These represent righteousness, holiness, pure-ness of the mind).

Rev. 11:15-16 "Then the seventh angel sounded: And there were loud voices in heaven, saying, "The kingdoms of this world have become the kingdoms of our Lord and of His Christ, and He shall reign forever and ever. (When the Father is finished, it will be Christ reigning forever and ever upon the whole world. 16 "And the twenty-four elders who sat before God on their thrones fell on their faces and worshiped God," (The priesthood. They throw down their crowns and worship the Father.) Verses 17-18:"saying: "We give You thanks, O Lord God Almighty, the One who is and who was and who is to come, because You have taken Your great power and reigned. The nations were angry, and Your wrath has come, and the time of the dead, that they should be judged, and that you should reward Your servants the prophets and the saints, and those who fear Your name, small and great, and should destroy those who destroy the earth." (This is going on right now.) Verse 19: "Then the temple of God was opened in heaven, and the ark of His covenant was seen in His temple. And there were lightnings, noises, thunderings, an earthquake, and great hail." Heb. 12 states, "Everything will be shaken until His Kingdom is established."

Isa. 3:13-15, The LORD stands up to plead, and stands to judge the people. 14 The LORD will enter into judgment with the elders of His people and His princes: "For you have eaten up the vineyard; the plunder of the poor is in your houses. 15 What do you mean by crushing My

people and grinding the faces of the poor?" says the Lord God of hosts." God goes back to the ancient times to deal with those who have ruled over the people and caused them to be poor in Spirit. (Isa 3:13-15) He corrects them to bring His peace to them and also for His glory. His peace in the end shall reign forever throughout His creation. Amen.
