"The Great White Throne"

By: Joyce Morris

October 23, 2005

We thank the Lord for all that He has accomplished in our lives and for all the changes that you have gone through and many experiences you have had in the Father. Also all the things that He has done during the many years you have been in this ministry.

We are astounded when we remember all that He has done in all these years. It is overwhelming. The Father was revealing so much to us before it would even happen. He had us interceding. He was judging but we didn't know the results of the judging. We knew that the work had been done in the Spirit.

The Lord finally got some people to grow up. We have been ministering on the Tree of Life for the past two weeks. Basically the Lord has been showing us that the tree of life is the mind of Christ.

We see in so many scriptures that there is one God, one faith, one Lord, one many membered body, one new man. It is very interesting that in the beginning there were four rivers. It is a representation of man himself and the four rivers are the understanding of man himself. There were four rivers in the beginning and in the end there is one river. Basically as you partake of the tree of life

Many years ago when God first started us in this realm God had to bring you out of the system, out of the church and out of the church teachings. We have a newsletter called Reigning in Life, which you may obtain from us. Some people have been waiting a very long time to reign with the Lord. The elements are burning up. The elements mean the religious teachings. God had to come to you as a thief in the night. Night represents ignorance. We were in the night. *2Peter 3:10, The day of the Lord will come as a thief in the night in which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein, shall be burned.* Man is ignorant of Christ. There is a part in your mind that still lacks some truth in Christ. The Tree of Life is all truth. It is all truth and all wisdom. The more you allow God to awaken you in your mind and deal with the conscious and the subconscious the more truth you will have. He has to go into the subconscious like a thief in the night and consume even past teachings. What you thought heaven was and what you thought of streets of gold. Many are teaching that we will fly away. We did fly away in the

spirit. We go within and get our minds in the heavenly state. We strive to block out everything but God.

The Lord had to come to you as a thief in the night and steal your doctrines, and burn up the elements of your earth. The elements are religion. All the traditions and doctrines that were put in your mind. God allowed us to partake of that because we had to go by the way of the law. You had to experience the Law of Moses before you could appreciate the law of life. You had to have some of the law of the letter in order to appreciate the law of life and be able to see the difference. When you are brought out of it you can see the difference clearly after being in this message for sometime, the Lord spoke to me and said, "There is something in your subconscious mind that is affecting your relationship with Me. You are not aware of it but just be quiet and listen to Me. I will show you what it is." I saw myself going to the Baptist church at the age of five. I was with my Mom and Dad and I had my bible in my hand. The preacher is preaching hell fire and damnation. I remember when I would tell my mother a little white lie. Of course a lie is a lie, so there is no such thing as a

little white lie. I would do it because I didn't want to get hit with her hickory stick. She would even send me out to get my own hickory stick. To avoid a whipping I would tell a little white lie. Now you kids make sure you don't lie. It will catch up with you. Mine caught up with me. My brothers and I went fishing and we were sand bagging. You use a feed sack and you go in the creek and try to scoop up the fish. Then you put them in a jar. We didn't tell her what we were doing I had my Daddy's boots on and I could hardly walk in them. We were dipping and a snake passed right over my hands and into the water. I screamed, "snake" and my brother ran off and left me. I ran too, but left the boots in the creek. We sneaked in the back window and I changed my clothes so mom wouldn't know what we had been up to. I thought since she had a visitor, she wouldn't notice. I walked in the living room and I heard, "Joyce", where do you think you are going? Those are not the clothes you had on this morning. How did you get in your bedroom? I had to tell her what happened and she made me go back in the creek to get the boots. I was scared to death.

God showed me that everything the Baptist minister had taught me was still in the subconscious of my mind. That is why when you go through some dark moments in your mind; it takes time for God to get your attention. He tries to tell you that He wants to come as a thief into your darkness, and consume that part that caused a dark moment in your mind. It keeps you from

walking in the understanding that he wants you to walk in.

When God said He wanted to deal with something in my subconscious, I was lying in my bed. He went into the subconscious of my mind and consumed that teaching that was instilled in my mind for all those years. No matter what you do you are always storing thoughts in your mind. The mind is like a computer. The Lord brought me to a place where He showed me not to read any books unless He chose them.

In *Phil 3:8*, it says, *Count all things but loss for the excellency of the knowledge of Christ Jesus my Lord; for whom I have suffered the loss of all things, and do count them but dung, that I may win Christ.* It says count it all dung that you might win Christ. That you might gain more of my anointing and feed off of the tree of life. The Tree of Life is the book of life and it is within every human being. It is God Himself and God is all truth. Even in this book, the Bible, I don't go there until I first go within. I go within and I spend time with Him. He is the author and the finisher of our faith. He is also the author of this book, the Bible, inspired by the Holy Spirit. It was given to the men who had written it. You can go in the word without communing with Him, but I find it better for me if I commune with Him first. It just works better for me. Yet you can get in the scriptures and it can tear you apart without the leading of the Holy Spirit.

Whatever we do, we are doing it unto Him and through Him. So partaking of the tree of life is the most wonderful

experience that we have daily in Christ. Of course, partaking of the tree of life will bring affliction, persecution and tribulation. How do you get more life? It is by death. More and more death to the soul. That is why God puts each individual soul through trials and tribulation. It is to work more death in the soul and more resurrection and life. God is trying to tell you that it is not a time to be inhibitors of the earth. This is not the hour for you and I to walk in the carnal mind.

In the book of Revelation, the angels are in the heavens. You are the angels of the Lord. The angels in the heavens are preaching the Kingdom of God and every time you get in the spirit you are preaching the gospel of the Kingdom of God to the four corners of the earth. His voice is being declared throughout the land. You have what is called the trumpet. This trumpet is being sounded in the earth. Every time we come together as a group and we go deep in the Spirit, you might think that nothing is happening but the energy and power is the greatness of the Lord and of what He is doing and it is His thoughts. You are sitting here and you are eating off of the tree of life in Christ as you commune with Him.

I will never forget the night when He said, "Become one with the Book of Life". I said, God how do we do that? He said, "Recognize that I am in you and as you commune with Me you are one with Me." If you are one with Me, then you have become one with the Book of Life". As you become one with the Book of Life you will be sitting at the

Great White Throne of judgment. It is not something in the future but it is now. That is what we are doing when we come here. We are worshipping Him and adoring Him. We are one with Him and ruling and reigning with Christ through what He did, not what you did.

It is your inheritance to be able to come to the Holy of Holies boldly. It is the very throne of God because of what Christ did. The very least can come because of the blood of the Lord Jesus Christ. When we come together we have got to lose sight of any problems we might have. You just get it off your mind. If you do that, the Tree of Life will swallow up those thoughts. God will take care of whatever is troubling you, in His time and His way. You just lose sight of it. As you do, you become like disciples where you are willing to lay down your life for the brethren. The brethren are the world. God so loved the world that He gave His only begotten son.

I can tell when some of you get a little restless. Yet I wait on the Lord to tell me when to end the meeting. I appreciate your patience. Just understand that God is using you and understand the importance of this place in Him that He has you in. You are sitting at the Great White throne of God and God is doing a great work. You have gotten in the mind of Christ. That pure river is the mind of Christ. In the pure river you are not under the sun and the moonlight. You are not under that natural light. You came out of that natural light when you were filled with the Holy Ghost. There are three lights, the natural that is the sun

and the moon, then the candlestick, which is the Pentecostal experience. The people under that light need the gifts in order to believe God. They have to have a prophecy. Some people say, "What happened?" "No more prophesy." You came into another realm. You came under a different light. In the Pentecostal realm you needed the candlestick. There is a prophecy now and then a word now and then to keep you going. You needed to speak in tongues in order to pray correctly. Now we are in the realm of the Holy of Holies. You are so caught up in Him that you lose sight of yourself. You are caught up in Him and He is caught up in what He is doing. He is rejoicing with such happiness and joy because He has finally gotten some people to grow up and more over to let Him do what He wants to do and He can let His thoughts flow out of us.

One would say, "Well Sister Joyce, I just don't feel like I am doing anything. I just don't feel that God is using me." When you talk like that, you are still going by feelings. You cannot go by feelings in this realm; if you did you would have quit long ago. This realm is strictly knowing. It is where faith has grown and matured into fruit. When faith grows it becomes a fruit of knowing. It is just that you have to trust Him. God has done so many things and He will let you know that He did it through the body.

The reason that He doesn't always let you see too much is because He wants to keep your pride in check. He doesn't want

you to get the glory. Your ego and pride cannot be in this work that He is doing. This realm is all about Him. When you came out of the Pentecostal (candlestick) realm and went into the Holy of Holies. The Feast of the Tabernacles you went into praise and worship. We have people come here and say, "You have lost your praise and worship". They don't realize that we are worshipping Him all the time. They are used to the outward appearance realm.

We love then and accept them where they are. We were there and understand. If God says to worship outwardly we will do it. I am just here to go with the flow of the Spirit. I have told God just let us be in tune with you. You cannot put God in a box. When you come out of the Pentecostal realm you come under another light. That light that you come under is God's light. It is where you grow and mature and come into a relationship with Him. You find that you do not need prophesy like you used to and you don't have to call Sister Joyce like you used to. You have been taught through Christ and we are just a vehicle to show you how to get hold of God yourself.

Sometimes the people that you have been teaching start to rebel. They think they know more than the teacher. Just like teenagers. The same is so with some sons. They start to lose respect for the ones who brought to where they are in God but they get too big in their mind.

The word says that you are to respect each other and respect the Christ in one another. Submit to the Christ in one another. You

may not agree with the leader but you still have to show respect. We need to understand God's order. As we go with His order we will be fruitful in the Kingdom of God. It is important to respect those whom God has assigned to watch over your souls.

Many ministries want to keep people under their thumb. They want to hold them in their church and they do it through fear. Christ is raising up Shepherds to teach you to grow up. The time is coming when you will need no man to teach you anymore. You are going to be sitting under a tree and it will be the Tree of Life. If you sit under the Tree of Life all the time, you will need no man to teach you. You don't need that carnal man. You don't need the carnality coming out of any man. The Tree of Life is in each one of us. I want to hear from your Tree of Life and not from your tree of knowledge of good and evil. If it is from the Tree of Life it will be coming out of the Spirit of God and it will quicken you. We are to feed off of the Tree of Life. God is trying to get us to sit under the Tree of Life. As we grow we are that one new man that God is creating. You came out of the church, out of the woman, out of the system. I went back a couple of times and checked it out and couldn't believe how much I had grown. The Lord said, "If I had gone back I would still be in the same place. There would be no change and I would not have grown.

The system has more to offer you, in the natural. The choir, music and the surroundings all entertain the soul. People have

left this fellowship because there are no thrills here. Did Jesus have a choir, did He play basketball? I think He and the boys with Him were very serious. They had a position. That is why the Lord pulled you out of the system. He did it so that you could sit under a word that enables you to grow in Him.

The church is the woman and we love her. The sons are going to marry her. There is only going to be one shepherd. If you keep feeding off of the Tree of Life you become that one river, you become swallowed up. There is one new man, which is corporate but just one shepherd. The only one who is going to teach is Jesus Christ. He is going to be teaching through that one new man, The Corporate Man. He is going to be teaching the whole council of God and all of the truth to the church. They are going to have to hear it. A marriage is a union and when we marry her there is going to be a union. She is going to come forth with the glory of God. Just as the scriptures say. She will be nothing but God's glory. She is the house of the Lord. We had to come away from her and learn.

God will join us with her in His time. If we were to go back into the system we would lose sight of our calling. Whatever you eat is what you become. I am saying this to someone who is here. There is a mixture when you are going backwards. You are not aware of what is happening. You will be all right for a while, but it can sneak up on you. The little foxes spoil the vine.

When we get in the world it is the little things that get us off

track and then we are not maturing in Christ. Some of you should be further along then you are. Hello!! Some of us dance around things. Later Lord!! Well later is up. Just look at what is happening in the world today. It is up. Now is the time.

Do you understand how important you are? Do you realize that truly, many are called but few are chosen. He chose you to be His son and He loves you even as much as He loved His own son. He loved you enough to set you apart. It is not easy to be set apart and to walk this walk. He didn't say it would be. Sometimes it gets lonely. Your friends are doing their own thing. I found myself saying, "Lord these people are doing whatever they want and you don't do anything to them. They are happy and I am going through hell. They are out there having fun. If I did that you would punish me. If I did that I would go through torment in my mind. God said, "It is your calling Joyce." He didn't judge them because they are not called to this life. He is not dealing with them. You have to go through the tribulation first. The church will eventually go through the tribulation and that is when they will need God's sons to marry her. Joseph was needed. He was a son that God was raising up at that time. He had to be in God's prison. He had to be totally set apart and separated from everybody else and be in the Kings prison. That is what God has done with you. He has set you apart. When you do not yield to the women, which is the soul, you are deeper in God's prison. The more you say no to the soul,

the more you become a prisoner of God and you are shut in with Him. You cannot come out of the prison and be exposed to the world. You are already ruling and reigning with Christ but the world cannot see it. Who does see it? Those in the invisible realm. Every time we come together there are thousands who come to join us because God's fullness and His glory is already flowing from the very throne of God. He is not allowing it to happen in the natural yet. When it does happen the world is going to see it. Revelation 1:7, Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen. That means that no one is going to miss it. We are busy releasing people on that side. This river has the river of life on both sides. Isaiah 60:18 Violence shall no more be heard in thy land, wasting nor destruction within thy borders; but thou shalt call thy walls Salvation, and thy gates Praise. This goes along with Rev 22. All of those 12 gates in Revelation have become gates of praise and walls of salvation and all of these are experiences that you have in God. Each one is a stepping-stone and the twelfth gate is where God totally and completely governs you, consumes you and swallows up your soul.

That is why the streets turn to gold and you begin to walk upon those streets. What does that mean? Your walk has totally changed into the nature of God. That is how simple it is. Your walk has changed into the entirety of God's nature and you

are walking on the streets of God and people are looking at the glory of the Lord because you are the reflection of the Christ. In Revelation 21:22, it says there is no more temple. That temple was measured to one man. That second man Adam after the Spirit that God has been working on and creating all along. The word says, let us make man in our image and in our likeness and He has measured that man by the word and the spirit.

Do you see how simple it is? It is very simple. The church is going to be blown away when they find out what those streets are. They believe that when they fly away and go to heaven there will be streets of gold to walk on. They just don't understand.

In Revelation 21:21, And the twelve gates were twelve pearls; every several gate was of one pearl: and the street of the city was pure gold, as it were transparent glass. When your mind is completely transformed it is transparent. That is immortality. It is pure gold. It was transparent as glass. I have never seen gold transparent as glass. This gold is the nature of God. In Revelation 21:22, I saw no temple therein; for the Lord God almighty and the Lamb are the temple of it. They had no need of the sun neither the moon. They came out from underneath the natural light. Revelation 21:23, And the city had no need of the sun, neither of the moon, to shine in it: for the glory of God did lighten it, and the Lamb is the light thereof. Revelation 21:24, And the nations of them which are saved shall walk in the light of it: and the kings of the earth do bring their glory and honour into it. Every individual that accepts Jesus Christ and every nation will

have to walk in that light. That light is the truth. That is why He wants you to feed off of the tree of life because it is the only tree that has the pure truth. It is the tree that has no mixture. It is nothing but the mind of Christ. All nations will have to listen to the truth that God has been teaching you in the past many years. All nations. That is big. It hurts when you cannot share this but the opportunity is coming 21:24, and the kings of the earth do bring their glory and honour into it. Revelation 21:25 And the gates of it shall not be shut at all by day: for there shall be no night there. In this realm you cannot shut the gates. You cannot tell them they can't come at 3 o'clock in the morning. You would like to but if God wakes you up your gates are not supposed to be shut. They are supposed to be open. Because you are the gates of salvation. You are the door that is set in the heavens. Jesus Christ is the door. He, I am the way, I am the truth, I am the Life. He said, That no man can come to the Father except through Me. They cannot be thieves and try to get through the door in different ways. They have to come through the door. The door went to the cross and was crucified that He might become a door in the heavens. This door entered into many people.

When He is living in you and you are one with Him, the way, the truth, and the life and the door is in you. When God brings people to your open gates, the door is in the heavens because you are in the mind of Christ. That door is the entrance for them to come into the Kingdom of God.

The only way you can become like that door is for you to be cut down like that tree. Every door that you have is your house was a tree. Before you can go into someone's house you have to go through a door. Revelation 20:11 And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them.

If you sit with Him long enough your carnal mind will fly away. It cannot stand in the presence of God. Your belief of what heaven was, will go in the other direction. It will be consumed. The word says, The great white, which means pure and light, it is the mind of Christ. Again; Revelation 20:11 And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. It is because in the Holy of Holies and in the mind of Christ there is no place for the carnal mind. Revelation 20:12 And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works.

When the Lord started us out in this realm many years ago, He said, "Become one with the book of life as you worship Him. He wanted us to understand that as we worshiped Him and became one with Him, the power and energy of Christ increased so much that it brought about unity. There is more power and energy when each person gets their mind totally on the Lord and we

worship Him. There is more anointing and power flowing from the group. Psalms 133:1, Behold, how good and how pleasant it is for brethren to dwell together in unity! If some minds are on other things, it is like letting air out of a tire. I even notice that when one of us has to be away and not make the meeting, we feel that the power has lessened. We miss that member of the body.

We appreciate each one of you. You are Kings and Priest in the earth and you are ruling and reigning now and you are God's government in the earth today.

We had a vision of some books in a library and they were all dusty and dirty. I asked God what He was trying to show me. He then showed me the book of life that was flowing out of each one of us all those old books started coming off the shelves and they became people. These are the people who have been waiting and each person has a book. Each person's book is their life and every experience that they had is in the book. All their pain, guilt, unforgiveness and misunderstandings. All of a sudden all these books stood before the Great White Throne of judgment and the book of life. They didn't stand before the King James Bible. They stood before God Himself. The book of life that was in each individual and God stood before the books and began to read their lives. The books were opened. He began to read their minds and their hearts. When God comes to you He opens up your mind and your heart and reveals things to you, about yourself. He tells you the truth and it brings love and life

and liberty and freedom. Notice, the books were opened and another book was opened which is the book of life. This is what happens at every one of our meetings. Revelation 20:12, I saw the dead, small and great, stand before God, and the books were opened, and another book was opened, which is the book of life, and the dead were judged out of those things which were written in the books according to their works. 13, The sea gave up the dead, which were in it. The sea is humanity. The word says, the time will come that the voice of the lord will be heard in the grave. John 5:28, Marvel not at this, for the hour is coming, in which all that are in the graves shall hear His voice. People would come out of their graves. When you get in the spirit you are worshipping Him and they are hearing His voice. When you feel weights it is their minds, their torment, their guilt. The sea gave up the dead that were in it and death and hell delivered up the dead. It was those that did not come into and did not make Jesus Christ Lord of their life and died and went on the other side. They all have to come again before the Great White Throne and be judged. Then they are ready to bow down to the lordship and the control of the Lord Jesus Christ. It took death and hell to bring them there. The death and hell is to bring every man to God. You came to God through hell and torment. We don't yield to Him until we have gone through some suffering, trials and tribulations. Revelation 20:13-15, And the sea gave up the dead which were in it and death and hell delivered up the dead which were in them and they were

judged every man according to their works. And death and hell were cast into the lake of fire. This is the second death. And whosoever was not found written in the book of life was cast into the lake of fire. So if they were not written in the book of life then they have to go through more hell and more fire. If you study the lake of fire, you will see that it is for the unbelievers, those who still have fear. Blessed is he who does not have to partake of the second death. That is why it is important to let the fire of the Lord purge and burn out those things in your life, which would hinder you from escaping the second death. You will partake of the resurrection life and glory and all there is in Christ. So it is better to let Him burn it out now, rather than later. If you put it off you will not be able to enter into the resurrection life. Just like those in Noah's time, they were not able to enter in for 4300 years. That is a long time to wait to enter in. Let the Lord work on these things in our lives now.

One time the Lord was ministering in France. He has used us in different countries to bring about change. He was ministering to these men who had served kings. He said it was time to release them. They understood what it was like to serve the king but they wanted to serve The King; the real one. All of them bowed down to the Lord except one. I asked what was going to happen to that one. The Lord said He will remain in that state of mind until I visit him again. God is the one who decides what will happen to those on this side and on the other side.

If you can understand this side, you can understand the other side. You just take away your body. That is the only thing that has changed. Your soul and your spirit are very much alive.

God is very simple; He is not complicated. There are different levels of hell and different levels of heaven on both sides. They are still learning on the other side and will continue to learn. We will be forever learning about God. He is so big and there is no end to Him. You are sitting at God's Throne. You are sitting in His judgment today. Every time we come together we are sitting in the judgment of the Lord. It is all happening now.
