## “Word- Spirit - Form” Part I

By: Joyce Morris

10-22-2006

The word today is going to be a word of enlightenment for all of us.

There is not one individual here today that is not waiting for some kind of results to take place in their life. There is no one here that does not have a need in his or her life.

God wants me to teach you how to get these results. He also wants me to show you what is holding up the results in your life. In addition, to teach you the importance of knowing and understanding the spiritual laws of God.

God has taught you that he has made provision for us for everything that we need in our life. You need to hear what the Lord has to say today. I am going to proceed very slowly because I want you to get it. You may say “I have heard some of this before” but you are going to see and hear it in a different enlightenment today.

I really have to begin with God, because in the beginning was God. God is the beginning and God is the end. God is the Word, so the Word was in the beginning. Moreover, it says heaven and earth shall pass away and the only thing that will remain is the Word. *Matt 24:35 Heaven and earth shall pass*

*away, but my words shall not pass away.* Now that tells me something. You are going to see the importance of God’s Word more than you ever have in your entire life. You are going to see the importance of the words that come out of your mouth more than you ever have. You are going to see that a word is like a sperm.

Words are things that go out into the atmosphere. When you are speaking your words, they literally go into the atmosphere. You may think that it just disannuls and does not become anything. However, I want you to comprehend that words are things. I want to say that one more time “words” are “things.”

I am going to take you into the Word and prove to you the importance of words. It is important for you to understand that word’s are things. Therefore, when you speak a word you will not take lightly what you are speaking. Thinking that you will not get any results from your words, and that it is going to disannul and not become anything. That is a lie.

We have been deceived many times in our life in Christ. We have been deceived of the importance of God’s spiritual laws. First, understand that God

does not operate outside of his word. He operates only within his laws. Also, understand that God is faith and God only operates in Faith. In God there is no doubt, everything that God wanted in the beginning he spoke it. He had to speak it into existence. When God spoke what he wanted, he said “let there be” and there was. He thought it; spoke it, with faith and authority.

God knows, who He is but we have forgotten who we are. Everything that came out of God he distributed by faith and it was spoken into being.

God “said” and many times when He “said” he did not see it right away. God called those things into existence even though they were not. That is how God operates.

God is spirit and every Word He spoke came out of spirit. He spoke without any doubt with nothing but faith because God is faith. Notice that what He said came into existence. There is a time of speaking and there is a time that the word is a thing. If you can understand that, a word is a thing. It’s existing, it is a thing, it is not “nothing,” it is a thing. The words you speak are not “nothings” they are things.

Therefore, when God spoke the Word it was a thing it was the

very sperm coming out of Him, that incorruptible Word that came out of His mind. You did not see its existence but He called those things even though they were not, but everything that he called fourth He saw. It came into existence, because there was no doubt, none whatsoever.

**Rom 4:17** (As it is written, *I have made thee a father of many nations,*) before him whom he believed, even God, who quickeneth the dead, and calleth those things which be not as though they were. The Word says, *“As He is so are we in this world.”* Unfortunately, we have not arrived to the place that He wants us to come to. I want you to understand that every thing that God created was a thing. Therefore, the “Word” it was spoken and it was a thing but it had not taken on form yet. It took time to take on form. So God “said” and then He “saw” but in the between time, that Word that He “said” it existed. It was real, you could not see it, but in God’s time, it took on form.

I will give you a little example to understand God’s Word, it is so important. **John 6:51** *I am the living bread which came down from heaven: if any man eat of this bread, he shall live for ever: and the bread that I will give is my flesh, which I will give for the life of the world.*

I can understand now what He meant when he said, *“If you eat of my flesh and drink of my blood you will live forever.”* He did not say just hear the Word, you do have to hear it, but you have to eat it. It has to come in the heart. It can’t be just knowledge; it has to sink deep in your heart.

Understand that God’s Word and every word that you speak no matter what it is has life in it

and is coming out of the spirit and it is a thing. That word that came out of your mouth will take on form. That is why every word that you speak, every word that comes out of your mouth it is a thing. The kingdom of darkness does not want you to see this. The kingdom of darkness does not want you to understand this. Because when you do begin to understand this, you will start having the faith of God. You will have understanding of the importance of every word that you speak. Because you will understand that, you have the power of life or death in the tongue. **Pro 18:21** *Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.*

It is going to take time to break this down but I tell you if you get a hold of this message it will cause results to come into your life. Things will begin to happen in your life, change will begin to happen in your life. It will also bring you to the place where God is trying to bring you in Him.

The Word that God spoke was a “thing,” He spoke it, and it came into existence. I am going to prove to you that the Word that He spoke was a thing. Let us go to **Colossians 1:16-17**, *For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: And he is before all things, and by him all things consist.*

Therefore, everything that you see out there and every human being that you see out there it is a thing. A “Word,” that came out of God. Therefore,

everything trees, birds, animals, everything that you see that exists outside of you, God spoke it into being. The birds, the flowers, the trees, the animals, the cattle, everything was created by His first Son which was Jesus. Jesus, which was with the Father before the foundation of the earth. Everything was created, for by Him were all things created that are in heaven and that are in the earth.

He created everything that is in the invisible realm and he created everything in the visible realm. He created it, whether it be thrones, dominions, principalities, or powers all. Everything, He spoke into being, and God is still creating through a people. He is still creating His creation, He has not stopped. You are his spoken Word, God spoke you into your mother’s womb. Between the father and mother, you became the reproduction of a spoken Word that God spoke in the beginning because he created all the generations in the beginning. **Gen 2:4** *These are the generations of the heavens and of the earth when they were created, in the day that the LORD God made the earth and the heavens,*

All dominions, all things were created by Him and for Him. He was before all things and everything in this world exists by Him. He is the head of the Body, the church, that is the beginning, and the first borne from the dead, and in all things, He will have the pre-eminence. Therefore, now I see that heaven and earth shall pass away but everything that God created, every human being that God created, everything will become

his Word. When everything becomes His Word, they become Him.

Whatever fire it takes on this side and whatever fire it takes on that side, God is a consuming fire and He continues to burn out those things that offend the Kingdom of God. In addition, this is why He is putting a people in pressure right now. This is why He is putting a people in the fire right now. He is going to give a people the full measure of His power the full anointing of His power. *Heb 2:14 Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil;*

He took on the same flesh nature that you and I have. It does not say what happened to Him between twelve and thirty years of age, but he was growing and he was maturing in faith. God was teaching Him. He came to the place where He understood how powerful words were and He understood that He could not just speak his own mind He understood that the only word that He should speak was what the Father told him to speak. *John 12:49, For I have not spoken of myself; but the Father which sent me, he gave me a commandment, what I should say, and what I should speak.*

I see there is a greater anointing that will be coming. He is coming all the time, He is always coming, and He is always appearing. There is an anointing and a power like that which was on Jesus. All shall see it in a people that are willing to pay the price.

God is not going to put it on any flesh. Meaning that when you really become dead to yourself, because God is not going to put it on the flesh man. We all have to start out somewhere in our walk with Christ. *John 1:1,2, "In the beginning was the Word and the Word was with God, and the Word was God. The same was in the beginning with God. Therefore, everything in the beginning was the Word, and God is the Word. I John 1:3, "All things were made by Him; and without Him was not any thing made that was made.* That is clear; nothing that was made could have not been made without Him. In addition, everything that was made was a substance of Him, it came out of Him.

It is interesting, Jesus created everything, and here He came and He grew and then He went forth in the ministry. All these people that stood around Him, He created them, and they did not know Him. **They did not know Him!** I wonder how he felt when He looked at these people that He had created and they questioned who He was. They did not believe who He said He was and they nailed Him to the cross. He said, "Father forgive them for they know not what they do". He understood the ignorance in man's mind. He understood that when an individual does not walk in faith their heart hardens.

Now when Jesus was with the disciples, they broke bread, and he performed miracles. He used the disciples and told them to break it and distribute it among the people. What was He doing? He was trying to show them that God is the God of multiplication He multiplies. He

is a God of faith; He is a God that will provide all your needs no matter what your circumstances are. He did not have enough in the basket to feed all the people. He created it through faith and He spoke it into existence. It kept multiplying as the disciples began to believe and as they distributed it, it kept on multiplying. *Matt 14:19-20, And he commanded the multitude to sit down on the grass, and took the five loaves, and the two fishes, and looking up to heaven, he blessed, and brake, and gave the loaves to his disciples, and the disciples to the multitude. And they did all eat, and were filled: and they took up of the fragments that remained twelve baskets full.*

That is the way God's Word is. He gives you something, it might be some little thing, you take that one little thing He gave you, you start giving it away, and it just keeps on multiplying. It just keeps on multiplying and multiplying because whatever you sow, you reap. So, he took the fish which was a thing, and He spoke the Word and brought it into existence. And after performing such a great miracle what does He do? He has them get into a boat. *Matt 14:22, And straightway Jesus constrained his disciples to get into a ship, and to go before him unto the other side, while he sent the multitudes away.*

Then God created a storm. That is what God does in your life. God will create a miracle in your life. He will prove to you that He will take care of you. Then you see all the things that He has done for you. You see how He cares for you. Then all of a sudden, a storm comes. Why is this storm coming? It's to see if

you still believe. He is trying to train you to walk in faith not by sight. To walk by what His words say, not by your feelings or your five senses.

So they are in the boat and they are scared and frightened. Did you know that it grieves God when you do not believe? It grieves God when you do not believe what He has said to you. Therefore, He was grieved and Jesus spoke to the storm. What is interesting is that God spoke and it happened. Jesus had a concept of this, he spoke to the fever, and it left.

He was grieved with the disciples because you know what he said. "Your hearts have hardened." Every time you do not believe what He has said, your heart Hardens. It gets harder and harder because the unbelief hardens your heart. Jesus said, "Your heart is hardened because you do not remember the miracle that I just did." You do not remember it you see we have a tendency to forget.

This is why sometimes you have to say, "Bless the Lord O' my soul and all that is within me."

We have ministered on Mary many times so that you can understand that your soul is like Mary. The Lord has shown me that we have a part of all the disciples. We have Thomas, which is the doubter. We have Peter, which will sometimes walkout in faith. Sometimes we get angry and mad or we try to go ahead. Here is Mary; Mary is talking about the soul, talking about the woman. This part of you the soul is the woman. God needs your mind; your mind is

the woman. Your emotions your feelings your desires, your will. God needs that.

God sent an angel He sent a messenger to Mary. I want you to understand that God's Word is a sperm. There has to be a connection for this sperm to come forth. I asked God a long time ago, "Why are there so many people aborting babies? Why are there babies born deformed? Why does this keep repeating Year after Year?" He answered and said, "As long as my Word keeps being aborted there will be abortions." It is a sign. God is speaking about the spiritual but you see it happening in the natural.

You need a woman in order to reproduce and so every human being has a woman in them. Everyone has a woman in them and that woman is your soul. God created your soul because He said, "Let us make man in our image and in our likeness." God created a soul in you and me so that He could reproduce Himself in us. However, the soul has to be born again and the soul is born again by hearing the Word. Nevertheless, when you hear the word you have to confess the word and that makes your salvation firm in Christ. ***Rom 10:9-10, That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.***

I know you have heard this before but I want you to see it with enlightenment. So the angel Gabriel came, in the sixth month,

he was sent by God to a city of Galilee named Nazareth. Notice it is the sixth month we see that word six again. To a virgin espoused to a man whose name was Joseph of the house of David and the virgins name was Mary. They were not married yet they were considered engaged.

***Luke 1:28, And the angel came in unto her, and said, Hail, thou that art highly favored, the Lord is with thee: blessed art thou among women.*** The Lord comes to you and me the same way, thou art Blessed, thou art blessed that I called you That you might come into all my glory in who I am. Then the angels said to her fear not, but it says when she saw him she was troubled at his sayings. Notice she was not troubled of the angel, the messenger. An Angel is a messenger so beware if you entertain angels. An angel is a teacher that teaches the word of God. You have angels in the visible and invisible realms. An angel is an individual anointed of the Lord and has a word that will speak to the people.

God's interest is for your soul to bear His Son and for your soul to reproduce the Son of God. So that He can come forth in all of His fullness and glory in His people. The Lord favors you. You are a blessed people. Mary was trouble by his sayings. It is true your soul gets troubled when it starts hearing that God wants to change it. The soul does not want to change. It says "I don't want to die, I don't want to change, I just want to do my own thing". How many of you know that doing your own thing created so many of your troubles.

If you listen to the woman, you are going to keep going from one thing to another. Just like the little mouse that goes around and around and around in a circle getting nowhere in his life. The angel spoke to her and she began to consider what she heard, she started to think about it. Just as we do when we hear the Word, we start to consider it, we put it in our mind, and we begin to think about it.

Then the Angel said to her, "Fear not." It is so true the first thing that will hit you is fear. For God to do what he wants to do in your life your soul will be afraid. However, God said if you would lose your soul, you'd gain. If you hold onto your soul, you would lose. You would lose it!

**Amplified - Mark 8:34-38** *34And Jesus called [to Him] the throng with His disciples and said to them, If anyone intends to come after Me, let him deny himself [forget, ignore, disown, and lose sight of himself and his own interests] and take up his cross, and [joining Me as a disciple and siding with My party] follow with Me [continually, cleaving steadfastly to Me]. 35For whoever wants to save his [higher, spiritual, eternal] life, will lose it [the lower, natural, temporal life which is lived only on earth]; and whoever gives up his life [which is lived only on earth] for My sake and the Gospel's will save it [his higher, spiritual life in the eternal kingdom of God]. 36For what does it profit a man to gain the whole world, and forfeit his life [in the eternal kingdom of God]? 37For what can a man give as an exchange (a compensation, a ransom, in return) for his [blessed] life [in the eternal kingdom of God]? 38For whoever is ashamed [here*

*and now] of Me and My words in this adulterous (unfaithful) and [preeminently] sinful generation, of him will the Son of Man also be ashamed when He comes in the glory (splendor and majesty) of His Father with the holy angels.*

So why hold onto it when you are going to lose it anyway? Why not lose it and gain. You know we are dumb, were not too smart at times because we want to hold on to it. You see God wants to take it away because he wants to give you something better. Then when he gives you something better that which you were holding onto but let go, he just might give it back. He just might give it back to you later because you won't let it hinder your walk since you matured in that area.

If the earth is the Lord's and the fullness thereof, why are we working by the sweat of our brow and trying to keep up with the Jones and trying to impress everybody. Everything that belongs to God belongs to you. And you might look foolish, you might look like you're the tail, but let me tell you Gods getting ready to make you the head. All the people in the world that are storing up their money and possessions, think about it, guess who is going to get it. When God removes the wicked from the earth, the righteous shall be the ones that inherit the earth. Therefore, that means that everything of the earth belongs to God's people. So why are we so silly? It is because of ignorance and the words that we are listening to from others.

The Word says, "*Fear not Mary for thou hast found favor in God and behold thou shall conceive in thy womb.*" It does

not say maybe, it does not say if. He said, "*You shall conceive.*" Every one of you has conceived that seed or you would not be here. You conceived the seed in your soul, in your mind and in your hearts. I am going to show you where it really begins to take deepness in our hearts.

Notice that we are talking about Jesus. If we go into scripture it says a holy thing He had not become Jesus' yet. God called those things even though they were not. Now what happens is, He said, "*You shall conceive.*" You are going to conceive this sperm. How did he know? He knew because the sperm was the Word. The angel was speaking a Word by faith. He knew without a doubt that she would conceive this Word because this Word was a holy thing. It was a holy thing; Jesus was a holy thing before He was born. *Luke 1:35, And the angel answered and said unto her, The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee: therefore also that holy thing which shall be born of thee shall be called the Son of God.*

A woman understands that she has to have a relationship with her husband. Many people today that are married cannot have children. They are told what they need to do is relax. They are told that the only way that they can receive the sperm is to relax, and they take all these little things and they run home. And suddenly it's that time of the month and then they go wherever they go. However, they have to rest and relax. With some people, it is harder to conceive than with others. It is

the same thing with God. For some of God's people it is harder for them to conceive than with others because they do not know how to come into a rest. Because they are worried, they are full of doubt, they are still living by the five senses. They are not living by the spoken Word saying, "you shall conceive."

Here is Mary; she is still reasoning in her mind even though the angel had spoken a Word that she would conceive. There was still doubt in Mary's mind. The angel, the messenger had no doubt but Mary did. She was considering the sayings of the angel, she was thinking about it. She is asking how this can be since she knew no man. Again, God is calling those things even though they are not. Then the angel answered and said to her, **"The Holy Spirit shall come upon thee and the power of the highest shall overshadow thee."**

Therefore, the power of the highest had to overshadow her soul. What is the power of the highest to you and me? The power of the highest that has to overshadow, your mind, and your soul is the Word. The Word is that incorruptible seed that has been spoken to your heart. It had not gone deep into Mary's heart yet. She did not have the confidence that she needed because she had not really let it get deep into her heart. You see it has to get into the heart and when it is in your heart, you come into a rest and peace. Then you are not tossed back and forth, like that double minded man that is unstable in all his ways. Because as long as you are double minded and you believe one thing one day and then

something different the next, you will experience things in the natural that will seem to make it look like that which God has spoken to you is not going to happen. If He spoke to you he has already made the provisions of healing, for you and me. Therefore, when symptoms hit you, the only thing that will get you through is to allow the Word and the Spirit to overshadow your mind. You have to keep speaking that Word that God has spoken to you.

So whatever you have obtained from God you have to believe. This is where Mary really conceived it. **Luke 1:35 "And the angel answered and said unto her, The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee: therefore also that holy thing which shall be born of thee shall be called the Son of God.."** There it is again that "holy thing." In the beginning whatever God wanted, he spoke it out. Man was made a living soul so that he could speak, so that he can say, so that he could talk. Birds cannot talk, cattle cannot talk, and they cannot speak. However, God created man a living soul so that he could talk so that he was able to speak, so he could have the understanding of what words really mean.

The serpent came to Eve the soul, to try to get Adam and Eve to disbelieve what God had said. That is why things happen to you the serpent comes into the mind, he hisses in your mind. Look, See, Feel, that is not what God told you, says the serpent, it is not going to happen. Why does the serpent do this? Because the

serpent wants you to stay focused on your problems. When he does, then God's Word is like a balloon that has been popped by a pin and you begin to descend into a lower realm where you are no longer agreeing with God's Word. The serpent got you agreeing with the circumstances, you are agreeing with what is happening to you. I am not saying that these circumstances are not real because they are real.

How do we handle this and how do we start speaking? When God speaks to you about your circumstance and when his Word speaks to your heart, that Word will get you through no matter what you are going through. When someone comes to you trying to interject doubt and misbelieve, trying to get you to talk about your situation, speak only the Word.

There is a balance and I believe there needs to be a balance. This is not a "Name it and claim it message." Because the "Name it and claim it message", has hurt a lot of people. They thought that if they got a hold of this and they speak it, it would happen. However, it did not happen because everything that God has for us operates within His spiritual laws. If we can understand His ways then we will begin to get tremendous results in our life, and continue to get results.

When Gods people have an understanding like the centurion, when the centurion said, **"Lord my servant, he is tormented in his mind, and he's at home and he needs a touch from you"** And as Jesus was proceeding to go there the centurion said, **"You don't have to go there just speak the**

word." The centurion said, *"Speak the word," he said, "I'm, and individual that has authority."* The centurion had an understanding of authority, he had an understanding about using authority, he had an understanding of the authority of the Word, and he had an understanding that Christ was the Word.

*Jesus marveled and said I have not seen anyone in this whole generation that has this kind of faith.* Why do you think we sit here on Friday nights? We do not see anything and half the time we do not hear anything. Nevertheless, God at the end will tell us what He did. Whether we open our mouths or not He is speaking the Word through the mind of Christ. The Word is being spoken all over the world. One thing I have learned about God, He has a process just like with the woman that was pregnant, and she conceived.

I will tell you where she conceived. **Luke 1:37, "For with God nothing shall be impossible."** God will put you in to some very impossible situations. Why does He do that? He is teaching you to walk in faith.

*Luke 1:38, "And Mary said, Behold the handmaid of the Lord; be it unto me according to thy word. And the angel departed from her.* This is where she conceived, she conceived right then." be it unto me according to thy word." It was spoken into existence and as she struggled with the sayings, she finally came to the place where she believed.

Some people when they get pregnant in the natural have to go to bed to protect the sperm because of their health or

situation. They have to rest so that they will not loose the baby. It is the same thing with us; we will lose that Word if we do not rest. What sabotages the result in your life? It is when you go back to being double minded again because the Lord said, "a double minded man is like the sea," one day he believes and the next day he does not. Then he says how can any man believe that he shall receive from God? You cannot receive from God when you are in that place. Because what has happened is that you have sabotage the Word that God gave you. It does not mean that it is not going to happen; it just means that you have slowed down the process. *Jam 1:6 But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed.*

*Jam 1:7 For let not that man think that he shall receive any thing of the Lord.*

*Jam 1:8 A double minded man is unstable in all his ways.*

Look at the example of Abraham. God spoke to Abraham and said you will have a son. Sarah laughed and then Sarah plotted a plan hey nothing is working so we have to make this happen ourselves. We have to get in there and do something to bring this about because nothing is happening.

As with Mary when she conceived after saying, *"be it done unto me according to thy word"*, she knew there were going to be people laughing about her. She knew there were going to be people telling her "you've gone to bed with Joseph." However, she had not; she knew all the slander that she was going to go through. That is what God does

he puts you into situations and people laugh when you tell them what God said to you. You have to get away from the unbelievers. This is why when Jesus ministered to the little girl he had unbelievers present, he would say to all those that disbelieve to leave. When he went into his hometown he could not perform any miracles, because they didn't believe.

The holy thing was in the womb of Mary, but it had not taken on form yet. However, for nine months it was in a process of taking on form. When God gives you a Word, know that God spoke that Word to your heart. You are going to have everything come against you, but know that the Word that he gave you is true. Patience is really, where it is at, that is the whole key. People want everything now, now, now.

I know that sometimes the Lord says something is getting ready to happen. So we get into the spirit and we intercede. We allow Him to do what he wants to do. Two years later it happens, the next day it might happen and then it might not happen at all because he prevented it. That is how he works.

Patience and confidence, when you lose your confidence because of the circumstances or the situation has gotten even worse, how are you going to get that confidence back? Through a relationship with him and remembering, what he has done for you all your life. Remembering the Word, that God has spoken into your heart. Then you start speaking that Word yourself, you speak it into existence. Because what are you

doing? You are creating, you are creating, a thing. Remember what God wanted He spoke it. He spoke it into being, but it has to take on form.

So here is Christ in the womb a holy thing and it becomes Jesus. He is born as a babe in a manger; the Word was taking on form. It was time to come into the visible realm.

Elisha had an understanding of the supernatural realm he understood that even though the King of Syria was coming against Israel he knew that he had to go within, He knew that he had to get a Word from God, he knew that he had to get into the mind of the Spirit. Every time he would get into the mind of the Spirit, they would be in their own camp somewhere else plotting how they were going to come, attack, and destroy Israel. *II Kings 6:8-12*

Now here is Elisha communing with God. God in the supernatural realm was letting him hear their words and showing him their plans. Two or three times they came and they lost. He began to say who in our camp is spying on us. Who is telling them our plans? Somebody here is betraying us. Who is the betrayer? Who is doing this? And his servant said "no one here lord. Nevertheless, there is a man anointed by God. There are a people anointed by God that will reveal the secrets of man's heart. To disannul their plans, words and anger.

You know how stupid the enemy is. The King of the kingdom of darkness is not smart he is always playing into God's hands. You would think that they would have enough sense to

know that this man knows their plans. However, they made another plan to go and get this man. Now after the other two times you would think that they would know that this man would know that they are coming to get him. Yet here they are thinking we got him now we really got him. We are going to get this prophet so that we can destroy Israel. What do they do, they take the whole army for one man.

If God be for you who can be against you? If you are doing the Father's, will who can be against you? No matter what they do, or how they come against you, who can be against you? Because God is for you, nothing can separate you from the love of God. Nothing can separate you from His love except your own thinking. Still your thinking did not separate you; God is still there it is just your thoughts that caused the separation. He did not leave you He is still there.

The interesting part about this is that his servant came running with lots of fear. You are going to have many people come with a lot of fear about their circumstances and things that are happening. You can be caught up in their fear; you can be caught up in their doubt, and their unbelief. You can be caught up in the negative; you can be caught up in the negative words. However, you can see here Elisha did not. He started praying for the servant "*Open his eyes.*" What is he doing? He was praying for his spiritual eyes. He was praying to get his mind into that supernatural realm.

Now, I want you to understand that there are two worlds. There is the visible

world, with all of its systems, laws, and ways. There is the Kingdom of God, which is not of this visible world... In the Kingdom of God, the invisible realm, there are spiritual laws and God's ways. In God's supernatural realm He said, "*The Kingdom of God is within you but it is without observation, you cannot see it.*" However, God wants you to begin to understand that you are supernatural beings. That you have been born again and that he does not want you to live in two worlds. He is separating you unto Himself to walk in His Kingdom, to walk in this supernatural realm by His Spirit.

The world only lives by images, by what they see, and by what they hear. That is why you go within so you can see the truth. If you see or hear something about someone, then go within and say God, you show me and if someone has done something, show me why. That way you will not condemn the individual but you will see them with the eyes of God.

With every circumstance, we need to learn to see them the way that God sees them. We need to understand that when words come out of our mouth about different things; and as an example "I have no money" that the word you just spoke is a thing and you will continue to not have any money. When Jesus and God spoke words, it happened. The words that you speak from a lower frame, once spoken are going to happen. It is going to come back to you because whatever you sow you reap. No wonder God says bless your

enemies, cursing them is certainly not blessing them.

Let me share with you a true story about a minister. The minister needed something fixed. Therefore, he went to an individual that had his own business. His business was in his home, the minister went to him, and he asked if he could fix his thing, the man answered yes. Every other word was a curse word; this person cursed and slandered others while in the presence of the minister. He went on and on and then the minister told him that he was a minister thinking that maybe he would quit talking like that. The minister thought he would stop but he did not. Then the Lord began to show the minister that this man had lost his business and that is why he was operating out of his house. The reason he lost his business and the reason he had to operate out of his house was because every word that he has been speaking, remember it was a thing. So eventually, that thing that he had spoken took on form. It came back to him. Now that is strong observation. Therefore, words are very important...

Elisha said; would you please open this man's eyes. Would you please Father, open this man's eyes so that he can see that our army is greater, so that he can see the host of angels surrounding us, there encamped all around us. Jesus could have called on all those angels, they did not take his life, they thought they took his life, they did not take his life, no, he surrendered it. He understood except a grain of wheat fall to the ground, He was the Word and the Word had

to fall to the ground. It had to fall to the ground and it had to die in order to reproduce. He had to die in order to bring forth a people in His image and in His likeness.

Paul had the understanding of this to; he understood that he had to go through all the things that he went through. His greater writings were while he was in prison. Although he had been warned and he was told not to go there, he knew what was going to happen when he went. However, that is where his greater writings were and you can see he really grew in that situation.

When the servant opened up his eyes he saw the whole host, he could see Elisha. He was hearing from the father he said father blind them so they cannot see. Immediately they were blinded and there they were talking to him, face to face and they did not recognize who he was. Why did they not recognize him? Because he spoke a Word and it took on form immediately at that time. God knows when to bring that Word into existence; he knows when that Word is to come into a form. However, he wants you to remain in confidence the whole time.

There is so much in this Word, it will reproduce and help you get the results that you need in your life. Do not get discouraged when you mess up sometimes. You see I have not arrived yet either and neither have you. Sometimes I hear things come out of me and I say God why did I say that. I knew it had no life to it; it had no substance to it.

I see two things; love the Lord with all your heart, with all

your body, with all your soul, and with your entire mind. In addition, understand the words you speak are things; they do not just disappear as the kingdom of darkness has tried to get you to believe and that you to say what ever you want to say.

I will show you later on about God's kingdom. God's kingdom and what he says in his kingdom. I want to encourage you, to help you. I will get into how you can get results and how to be consistent, how to break the negative speaking. Do not speak negative to each other. So today ask the Lord, to put a muzzle on your mouth, as we all need it.

I want you to know there is a balance in God's Word. We will continue and we will be going and deeper, but we will balance it out. Therefore, this is what I want you to do. I want you to remember David's prayer, "***Lord let the words of my mouth and the meditation of my heart be acceptable in that site oh Lord.***" He will not accept anything that is not true. He only accepts His Word and what his Word says is true.

David had an understanding of that and he cried out to God "help me." So ask the Lord to do that for you. When you ask say, "I'm sorry, forgive me Lord" and guess what, when you do he does. He throws it into the sea of forgetfulness he will forget it. Then start over again.

Just remember words are things.

To be continued.
