“America Repent”

By: Joyce Morris

09/23/2001

We Praise God for His Wonderful Name, His Grace, and His Mercy. We are very thankful that we know Him in this hour.

The week before the terrorist attacks on September 11th, the Father gave a word on being caught up in God. Then the Friday night before the attacks, He gave a vision of many dark clouds coming. In the Spirit we saw hundreds of people running in fear because they did not understand what was happening. Then the Lord spoke and said, “Be not afraid. Stand firm, and hold fast to the Word that He has spoken to us. Your stability and Peace is only found in Me. Lean not upon your own understanding, for I will explain to you what is going on. Good shall come out of this. It shall be for My purpose and My Glory.”

As some of you have diligently sought the Father’s understanding on what has been taking place in the world, He has answered you and shown you things by His Spirit. However, the Father wants all to understand and know what and why these things are coming to pass at this time. He is in control, and nothing happens unless He allows it. We want to share with you a number of visions the Father has given to us over the

years. They all tie in with what has taken place.

Isaiah 52:7 says, “How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!” God wants His people to walk on top of the Mountain of the Lord, because as we do this (walk in the Spirit), we can see that all things are working together for not only our good, but for the good of America and the entire world as well. He does not want us to walk in darkness, ignorance, or fear; He wants us to walk in the Light (Understanding of God) and through the mind of Christ see as He sees the end result of what He is doing. In Him we have already begun to see some of the good that has come out of the events that have happened.

As we stand in the Father and hold fast to the things He has shown us. Every time we go within to worship Him the Christ is going forth from within to publish Peace and bring Good tidings to His creation. By His Spirit we are declaring that our God reigns. No matter what is going on in your life and in the world around you, this alone

should bring you Peace within, for our Father is in control.

Why is this happening? Several years ago we had a vision of a bride. She had a wedding dress with a long train attached to it. Upon this train were all kinds of worldly goods. We asked the Father what does this mean? He said that this bride was representative of every human being in the world, that they have forgotten their First-Love with Christ, and are caught up in the material/temporal things of this world rather than Him. They do not worship Him in Spirit and in Truth. They love the world more than Him, and have chosen to have a union with everything but Him. He said He would begin to **JUDGE** the economic system all over the world. He would do it in degrees and begin with Japan. Countries of like mind, believe that they have succeeded on their own, including the United States. The Lord is humbling people all over the world because everything that is high and lofty against God will be made low and must come down. It will be by the grace of God and His love. He has to correct many things in order to issue in the new world, which is His Kingdom.

Isaiah 52:1 says, (Awake, awake, put on your strength O Zion,

put on your beautiful garments, O Jerusalem the holy city.) He is telling us to shake off the dust, from walking in the carnal nature (fleshly desires) that our soul lusts after and causes us to be driven to go after worldly things and not after God. The Lord has a purpose in everything that he allows. He judged Japan by an earthquake. He caused a bank in England to collapse and also Japan lost several millions in stock.

In 1993 God gave another vision. It was New Year's Eve. We saw many months and years flying by, rapidly. During those months and years darkness increased in the earth. We saw floods, earthquakes and various disasters beginning to happen. We saw many people waking up and coming to know God as their savior, as their deliverer and their refuge. Sometimes it takes disasters to humble people so that they can receive the goodness of the Lord and all that he desires to give them.

In 1993, God also said He would Passover America seven times. He said, "I will judge her like I did in the time of Moses." Egypt represents the world. God judges the very thing that man loves; the very thing that man worships and puts before God. He judged Egypt in degrees and then the judging increased as time went on. He said this would happen to America. The majority of Americans have not been awakened to realize what has been going on.

The attacks of September 11th have gotten the attention of the whole world. There is good news of what came out of this and what will continue to result

from it. This is all part of God's plan. Remember God hardened Pharaoh's heart. Pharaoh was the enemy of Israel and he represented Egypt and everything that was against the Christ. We know that there are anti-Christ spirits in the world. God did say that man's heart would wax cold. Look at **Matthew 24:12**, (There would be murder in men's hearts and they would not care or have feelings for another persons life.) God had to use Pharaoh. He used the enemy to push Israel out of worldliness to bring a people into a place in Him where they would rely upon God and get to know Him as their Lord. Also to know and love Him as; EL SHADDAI. (The all-sufficient one.) He wanted them to know that he would supply all their needs.

Pharaoh disobeyed but God still used him to push Israel out of Egypt. God is using these terrible attacks to awaken America to bring her to her knees and to humble her. He is trying to bring America to a spiritual awareness. This is the good news of our Lord and Savior. He loves us enough to bring us to correction. We did lose many lives; many loved ones, we could have lost many more if it had not been for God's grace and kindness and mercy. The people who died did not die in vain. They had a cause in God's plan and he ministered to them on the other side.

A woman had a vision of many who died in the attacks and saw that God received them so that they could go into Him. God does not lose anyone. God has been trying for years to wake America up and to get her out of

her prejudice, her pride and her greediness. He wants her to understand that in the Kingdom of 'God there is righteousness, peace and joy. In God's Kingdom there is no Male or Female, Jew or Gentile, Black or White. We are all a part of each other. People all over the world are a part of one another. It has nothing to do with color or race. We all came out of God and all will be reconciled back into God. We have to begin to be kind to one another and show love toward one another. This terrorist attack caused America to forget about herself and not be caught up in self-centeredness. God moved in New York and people began to care about one another, hugging and helping each other. It is a shame that it takes something like this to wake us up to what God has been saying all along. He has said that we must love one another and be kind to one another. Look at: **John 15:12**, ("This is My commandment, that you love one another, as I have loved you.") We must turn back to our first love with our heavenly Father for that is the most important thing in our lives. God has given us years of plenty, but now we need to learn how to depend on God. What is the whole purpose in these recent happenings? The good news is that God is in control, and He does reign. We are not to be caught up in fear. Look at **Proverbs 29**, (The fear of man brings a snare but whoever puts his trust in the Lord; shall be safe.) This is a time to rejoice.

It is true we do mourn and grieve for our country, but it is not a time for us to hate. God is love and merciful and just. It is a time for God's people to pray for

the United States of America and for us to be guided by His wisdom and mercy. We must pray that He will bring about His correction in love and compassion. Even though He used Pharaoh to push Israel out of Egypt, God corrected Pharaoh at the Red Sea. The Father has a purpose for everything. He is a merciful God. He will not lose anyone because everyone came out of God and everyone is going back into God by His grace and mercy. You will find that in *Romans 5:10 (Amplified)*, God has a plan for His creation. We must be a people with forgiveness and mercy for others. We have been a country that has blessed our enemies. The United States of America has operated in the principles of the Kingdom of God many times. We have blessed and given to all of our enemies. This has been the plan of God, because the United States is spiritual Israel. God spoke in *Mathew 21:42-43*, "*(I have sent my servants and you have killed them. I have sent my prophets and you have killed them. I will send my Son and you will kill Him. So to whom will I give the Kingdom of God? You have rejected the builder. You have rejected the stone, therefore I will give the Kingdom to another nation.)*" United States of America is the nation to whom God gave the gospel of the Kingdom of our Lord and Savior. We are to be a spiritual people and turn back to our first love in Christ. To be a beacon light to the nations that allows God to express and establish His Kingdom in them. To allow the Father to express His love and show just what His Kingdom is all about. Our Pledge states - One nation under God,

with liberty and justice (freedom) for all. Our Father will fulfill that. He will bring it to pass because the Kingdom of God must be preached to all nations as a witness and then shall the end come. His Kingdom is forever and it will not be removed. Therefore you must come out of the world and enter into the Kingdom of God.

In His kingdom, there is an endless supply, you will lack in nothing. Those of you who have lost your jobs - read *Matthew 6:33* "*(Seek ye first the Kingdom of God and His righteousness and all else will be added unto you.)*" As you put God first and have a love affair with Him, He will meet your needs. The Bible says the righteous shall not beg for bread. Therefore you need to know that God will take care of you even as He takes care of the lilies of the field and the birds of the air. He wants us to rely and depend on Him. This is the hour that Americans must return to putting God first in their lives. He wants us to put our trust wholly in Him and not try to do things in our own strength.

The Father gave us a vision of something we thought would happen in the year 2000. We put the vision on a tape and sent it out, because we thought it was going to happen at that time. The vision was of a man being caught up to a high realm in God. This man was corporate. It was God's people who were all walking in the spirit and being more aware of God than ever before. They were walking in peace, joy and love in Christ. They were not walking in the flesh or in their emotions. God has tried, proven and tested a people. They have

come to realize that God is in control and that all things work together for good for those who love Him. Therefore these are a people who can stand in the evil day and having done all, stand. They are not moved by what is happening in the world. They will stand firm and trust in the Lord and they will be like Paul. They will rejoice and be of good cheer.

In *Acts 27*, Storms were hitting while Paul was in the ship. A storm causes us to cast off the weights. In the ship they laid aside their weights because of the storm. It seems that we do not want to look at things or get rid of anything until some problem comes along. Thank God that He loves us enough to allow these things to happen to make us look at things that He wants to change in our lives.

In the same vision there was a man holding a newspaper and he was trembling because of what he was reading. The Lord put a burden on some people at that time to be praying. I believe that whatever was going to happen was put off because God prevented it from happening at that time. Some men crossed the line into Canada, but they were caught. By the grace of God they were stopped, it was not God's timing. He had a plan and a specific day for it to happen. Later we will elaborate on why the attacks on New York had to happen on the eleventh day and why it was flight eleven. God does not miss anything. Everything goes exactly according to His purpose and His will. He is pointing out something for us to see. The Twin Towers in New York were a

witness to the entire world. What was God trying to show us?

I want to share something with you about Babylon. God has been telling His people to get out of Babylon for a very long time. Babylon is man's system. It is what man teaches and it has nothing to do with the Kingdom of God or the love of God. Babylon is a mixture and is the tree of knowledge of good and evil. It is man trying to do everything in his own strength. Babylon represents the things that we love more than God and the Systems of the World. It is a representation of being confused in your mind. What are the gods or idols that we think about more than we think about God? They are what we constantly have on our minds, and the things for which we work and labor for. They all cause us to lose sight of God and His will and purpose. We are called for His will and purpose and not our own.

God has a plan for His Sons. He has been telling us to mature, and grow up and come out of the world. He has been gathering His Sons from the four corners of the earth to take their positions in Christ, to rule and reign with Christ now. It is **NOW**. It has never been later. God has always wanted us to **RULE AND REIGN NOW**. He has need of you in this hour. He needs you to get in the spirit and to allow the mind of Christ to operate through you in order to minister all over the world by His spirit. *"It is not by might, nor by power, but by my spirit,"* saith the Lord. God can use you right in your home as you allow His thoughts to go out to creation. *"Stretch forth your hands and heal the nations."* This is

what God wants His Sons to do. He is raising up His Sons to execute a word in this hour. A word, which the whole world is waiting to hear. He has to humble His people. They are not going to hear what He has to say until they are humbled. His word says, *"The humble shall hear and be glad."*

Some of you have been waiting a long time to share what God has taught you, but God has kept you on the back burner. He has been burning out of you everything that is not like Him. He has set you there for a purpose and for this hour to share the gospel of the Kingdom of God. Not just to share but to express the Kingdom of God. Let your life be a witness to those around you. Let others see your peace, your stability and your trust in the heavenly Father.

The good news is that God has been judging Babylon for several years. It has been little by little and bit by bit. He judged England and her government. He spoke to us even before that judging and let us know that He was going to bring out the dirty laundry for the whole world to see. He was going to cause man to see the corruption in the government. Only the Kingdom of God is going to work. Man's ideas will not work forever. God's Kingdom will go on throughout eternity. His government will remain forever. God spoke after the judgment of England and said, "He would judge our country". That He would start at the top and go through Congress and all down the line. What is in our government is also in the people. There is adultery, fornication and immorality. We were pointing the

finger at one man and we actually needed to take a good look at ourselves.

God wants America to wake up, and come out of her slumber. This is not only about terrorists but also about repentance. It is time for America to repent and for each individual to allow Christ to shine His light upon him or her. You cannot change yourself, but God can change you. God wants us to allow Him to uncover those things that are not like Him. Some of us have waited for a long time for something to happen to awaken us. This is part of Babylon coming down. Read **Revelations 18**. This chapter has some connection with what happened on September 11th. God spoke and said, "that this will not go according to man's plan, but it will go according to His plan." Babylon represents the world and the Lord is saying, *"Come out of her and be ye separate."* **Read II Corinthians 6:14**, *"(What does righteousness have to do with unrighteousness, what does light have to do with darkness? What have you got in common with Baal or with idols? Be ye separate and come out of her and He will be God in us.)"* He will walk in us and talk through us and express who He is through us. He is saying come out of her My people. He is bringing plagues upon the earth. Haven't you noticed what has been going on? Many things have been happening with the birds and mosquitoes - wake up> Look at **Revelations 18:4**, *"(I heard a voice from heaven saying, come out of her My people, that ye be not partakers of her sins and that ye receive her plagues.)"* This is the day for you to come in the ark, to

abide in Christ, and to stand in the holy place. It is a time to put on the whole armor of God and stand in the evil day and having done all, stand. In **Revelations 18:5**, “(Her sins have reached unto heaven and God hath remembered her iniquities.)” **Verse 7**, “(How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her for she saith in her heart, I sit a queen, and am no widow and shall see no sorrow.)”

America has been in a slumber, thinking that we would never have anything like September 11th. **Revelation 18:9**, “(The kings of the earth who have committed fornication and lived deliciously “(kings are those who have authority and or rulers in the world)” with her, shall bewail her and lament for her when they shall see the smoke of her burning.)” **Verse 10**, “(standing afar off for the fear of her torment, saying Alas, Alas the great city Babylon that mighty city, for in one hour is thy judgment come.)” **Verse 11**, “(and the merchants of the earth shall weep and mourn over her, for no man buyeth their merchandise anymore.)” God is creating a new heaven and a new earth; a new day is dawning. A new world is being issued in and that is the Kingdom of God. See **Revelations 18:14**, “(and the fruits that thy soul lusted after are departed from thee, and all things which were goodly are departed from thee and thou shall find them no more.)” **Verse 15**, “(The merchants of these things which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing.)” **Verse 16**, “(and saying alas, alas that great city that was clothed in fine linen and purple and scarlet, and decked with gold and precious stones and pearls.)” **Verse 17**, “(for in one

hour so great riches have come to naught and every shipmaster and all the company in ships, and sailors and as many trade by sea, stand afar off)” **Verse 18**, “(and cried when they saw the smoke of her burning, saying what city is like unto this great city.)”

When the terrorist attack happened in New York, everybody forgot about material things. They were just thinking about their loved ones. I met a woman who was in one of those buildings that collapsed. She was in the bathroom and when she came out there was no one there. She said it frightened her. Everyone had run out. She heard the voice of the Lord. He spoke to her and said leave now. She thought about her purse and the \$600.00 with her driver's license. Again the Lord said, “Leave NOW and told her to let it go.” She obeyed and her life was saved. The compassion of America came forth. There is such goodness in God's people. There is goodness in America and we must focus on that goodness. We must learn that there is no color, no race, no Jew or Gentile in the Kingdom of God. We need to love one another for all of this is for God's purpose and for His glory. God knows exactly what He is doing. I am twenty miles from the Pentagon, and my house shook when the attack and explosion occurred. I was talking on the phone with my son because we each saw the New York attack on TV. I had said “it will hit here in Washington DC also.” We had no more spoken those words, when there was an explosion at the Pentagon.

God is shaking everything that can be shaken. He is shaking

the heavens and the earth. That is in **Hebrews 12:26**, “(He is shaking everything that is not like His Kingdom and does not represent His Kingdom.)” When God is finished the only thing that will remain is His Kingdom and it shall not be removed. This is why you need to have the Kingdom of God established in you. In **Revelations 19:1**, “(I heard a great voice in heaven saying Alleluia: Salvation and glory, and honor and power unto the Lord our God. Verse 2, “(for true and righteous are His judgments for He hath judged the great whore, which did corrupt the earth with her fornication and hath avenged the blood of His servants at her hand.)” **Verse 3**, “(and again they said, Alleluia and her smoke rose up forever and ever.)” The Father is telling us that this is a time of rejoicing, a time of worship and praise.

In **Luke 21:25**, Here the Lord said there would be signs in the heavens, moon and the stars and the sun. We have shared with you why there is a hole in the ozone. It is a sign for the whole world to see. It is God's billboard. It is a sign that all that He has spoken has come to pass. In **Luke 21:25**, “(There shall be signs in the sun and in the moon and in the stars and upon the earth distress of nations, with perplexity; the sea and the waves roaring.)” The sea is humanity and the thoughts are roaring in their minds, full of fear and worry - wondering what their future holds. We know that God holds the future and that He wants us to live in the moment. We know that we are eternal people and that we will live throughout eternity. We know that death is just the beginning. The only thing that we lose is our body, but our life is throughout

eternity. Yes there is a lake of fire, and yes the lake of fire is for purification. (*Revelations 19:20*) It is to purify those things in people that are not like God. Christ is that consuming fire. Therefore we know that people can go into Christ on the other side, and reconcile those at a later time. He has an order and timing for every individual. (*1Cor 15:7*) There is a time for each person to wake up. One morning at about 6 o'clock, I took a walk. God was showing me that not everyone wakes up at the same time. In the natural some wake up at a 5:00am, some at 6:00am, and maybe some at noon. Some even sleep all day and do not wake up until nighttime. Spiritually God has an order for every individual to awaken in His time.

In *Luke 21:26*, "*(Men's hearts failing them for fear and looking after those things which are coming on the earth; for the power of heaven shall be shaken.)*" God does not want you to be caught up watching the news to the point that fear grips you. This is a time for you to be praying. Praying for our government leaders for God to guide and lead them. Pray that God will continue to enable us to come forth and be what He wants us to be. Lift up your heads and rejoice because this is the day that the Lord has truly made and we will rejoice and be glad in it. What does that mean? Lift up your heads. Keep your mind on the Lord with praise and thanksgiving. Know that God is working to our good and that He is in control. It is His plan, and purpose, which is causing Babylon to come down so that man can receive the Kingdom of God. Truly the only way that we

have received the Lord has been by being broken and humbled. The Lord will continue to humble man because He desires man to receive Him in all of His glory. It grieves God to bring about these things but necessary in order to bring about His plan and purpose.

God has been mentioned more than ever in the news. Many people are coming to the Lord. *Philippians 2:10-11*, "*(Every knee shall bow and every tongue shall confess that Jesus Christ is Lord to the glory of the Father.)*" This is truly a day of repentance for every individual to have a change of the mind and return to their first love with Christ. Do not be encumbered about with the cares of this world. Take time to develop your relationship with the Lord. No one can do it for you. Are you strong in Him? Are you deeply rooted in the word of God? Deeply rooted in Christ and the Word so that you will be able to stand and having done all, to stand in the evil day. Walk by faith and not by sight. The Lord will cause us to come up higher in Him as we walk in the spirit each day. We will keep that peace in our minds. We will not be caught up in fear and worry but will learn to trust Him moment-by-moment and day-by-day. Depend on God the way a little child depends on his mother and father. God wants us to humble ourselves and depend on Him and receive Him. He wants a love affair with each one of us. God loves us so much. He wants each of us to be established in Him so that we will not be moved in this day and this hour as He continues to do His work. You will see His power and glory as

never before, because He will declare who He is in all His glory. He is the Lord; the Almighty God. A true and living God and a loving merciful Father. Thank God, that He knows what He is doing. It is by His grace that we have gotten where we are in Him. We love and appreciate each and every one of you. This is the day of rejoicing because we are going to be able to share with others in a way that we never have before. People will be willing to hear what God has to say when they are broken and humbled. So rejoice and keep your eyes upon Him.
