"Creative Word"

By: Joyce Morris

08/30/1998

The thought that the Lord has put on my mind to share with you today, is "Creative Word". For some time now, He has been telling me that He is taking us back into the beginning. Which is very interesting, because, "In the beginning was the Word."

You must understand, that part of God's nature is that **HE IS A CREATOR!** And in *John 1:1-5* it says, "In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him (or outside of Him) was not any thing made that was made. In him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not."

In the beginning, God created "all things". But He didn't create them from something that existed outside of Himself. In fact, nothing existed outside of God. So how did God create, if there was nothing outside of Himself to create with?

Even man himself loves to create. If you have ever noticed, even a child loves to create. They take their coloring book or building blocks and start creating. Then they go running to mom and dad and say, "Look

what I just created!" "Look what I made!" Why do they get so excited about what they have made? Because it is really God in them - and He loves to create! Where do you think artists, and inventors get all their creative knowledge and inspiration from? They get it from a thought. Well where does the thought come from? GOD!

In the natural, man takes and uses things that are outside of himself, to create, or express that creative thought. So what did God create with? In the beginning nothing existed except for God - so He took from within Himself and created everything with thought and with Spirit! "And God said, Let there be light: and there was light." How did He do that? **He created them with His mind!** Everything that you see on the outside (in the visible realm) - people, birds, animals, trees, etc. - all came out of God.

In *Romans 11:36* it says, "For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." So everything came out of God; everything is going through God; and everything is going back into God. Even the animals are going back into God. Everything that has breath; everything that has life;

everything that exists is going back into God.

In *Romans 8:19-23* it says, "For the earnest expectation of the creature (creation) waiteth for the manifestation of the sons of God. For the creature (creation) was made subject to vanity (was created and placed in a lower realm, subject (open to; exposed to; liable) to time, mortality, decay, sickness and death) not willingly, but by reason of him (the Father) who hath (past tense) subjected the same IN HOPE (this was all part of God's plan from before the foundation of the earth), Because the creature (creation) itself also shall be delivered from the bondage of corruption (the carnal mind/death) into the glorious liberty of the children of God (the Kingdom of God/the mind of Christ/reconciled back into God). For we know the whole creation groaneth and travaileth in pain together until now. And not only they, but ourselves also, which have the first fruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body."

It says that all creation is groaning and **waiting** for the manifestation of the Sons of God. What are they waiting for? They

are waiting to be delivered from the corruption that they are in. The corruption that creation is in came out of man's mind.

Everything was created in God, but then God placed His creation into a lower realm (or state of being), where they took on form, and were made subject (or were subjected or opened up) to time and the five senses. Their bodies were made subject to the limitations of the visible realm, and were liable to the law of sin and death - if they chose death over life. Here, man could eat of the fruits of the Spirit, and of the Tree of Life - in the presence of God. God provided for all that His creation had need of - and He allowed man to choose life or death.

But man chose to disobey God and live in the carnal mind. He chose to have a union with the woman (his soul). He chose to listen to the woman (the soul) and to live in the five sense (carnal) realm - rather than obey the voice of God and live in His presence. Man took upon him the nature of the beast and of the serpent. He was cursed to live by the sweat of his brow and according to his own cunning (understanding/the carnal mind). He was cursed to live by the law of sin and death.

Everything became corrupt when man fell into that lower state of mind. The carnal mind and the soul could only create corruption. **It could not produce life (the fruits of the Spirit/the nature of God)**. It could only create greed, jealousy, strife, self-centeredness, and hate. The carnal mind could only produce death.

God knew that man would make this choice. In fact He planned on it. It said, "For the creature (creation) was made subject to vanity, not willingly, but by reason (according to the plan) OF HIM who hath (past tense) subjected the same IN HOPE." It was in God's plan for man to fall. This is the reason why in *Revelation 13:8-9*, it talks about, "... the Lamb slain from the foundation of the world. If any man have an ear, let him hear." Before the foundation of the earth, God had already planned the sacrifice of His first Son - to reconcile all things back into Himself.

God's plan is to bring every thing back into Himself, but He is not going to do it all by Himself. God is raising up co-creators to create with Him. God is living in you, and He wants to keep on creating.

So the thought that the Lord has put on my mind is this. In the beginning was God, and He created all things. Then when man fell, all things fell into a lower state of mind (consciousness or understanding) and into corruption. But the bible says that God is going to create a new heaven and a new earth.

Well how is God going to do that? With a "Creative Word". He is moving with a Word that comes out of the Spirit to create a new heaven and a new earth in you and I. To do this, He has to take away your old heavens and your old earth. They have got to pass away. Your old man has got to pass away, because God is creating a new man in the earth. He is creating a new creature - a totally new individual. He is creating a new Spirit man. He is

creating a new corporate Spirit man, where there is no male or female; no Jew or Gentile; color or race. He is creating a people after His image and likeness, and is speaking through them - a Word that comes out of the Spirit.

This Word has no corruption in it at all - it is that incorruptible seed. God began to show me, that the only way that He can create a new heaven and a new earth in you and I - is to bring us back to the beginning. When He has finished His work in you, you will have gone back into the beginning - because you are His spoken Word.

How do you think you were born again? The Father birthed you by the spoken Word! You were birthed into the Spirit of God, through, or by the WORD! God's thoughts rose up in your mind, and brought you to the realization that you needed to return back to the Father.

When the Word and the Spirit go forth together - it is POWERFUL! A "Creative Word" goes forth in power and brings change. Do you understand what I am saying?

Any word that comes forth out of man (the carnal mind) contains a mixture (it is not pure); it has been corrupted and cannot be effective; it cannot produce life.

But the incorruptible seed is a Word that has no mixture. It has no leaven in it. In John 6:63 Jesus said, "It is the spirit that quickeneth (makes alive, gives life - brings change); the flesh profiteth nothing: the WORDS THAT I SPEAK unto you, they are SPIRIT, and they are LIFE."

You have to understand this! Every WORD that Jesus

spoke was SPIRIT! Jesus said that the flesh profits nothing. The carnal man/carnal mind profits nothing. It cannot bring forth Life; it has no substance and cannot bring any change - it never could and it never will.

The words that Jesus spoke were Spirit. God is Spirit. God's thoughts and His Spirit go forth together (as ONE) - and they create. This is the reason that God is feeding you, and causing you to sit under a Word that comes out of the Spirit. When it comes out of the Spirit it produces life. He is creating again - and changing you, into the image of His beloved Son.

It says in *Hebrews 4:12*, *"For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart."* It says that His WORD which is sharper than a two edged sword, goes right into the soul - it goes right down deep and pierces even the very joints, marrow, and thoughts of man. It goes into the soul and it divides what is of Spirit (God) and what is of the soul (carnal mind/the flesh). This is the reason why the Lord goes deep into your soul, and begins to deal with all your deep seeded/deep rooted memories - that you have carried with you from your childhood, all through your adult life, even until now.

It is the thoughts of God/the Christ that is going down into the very depths of your soul. It is this creative force - the Word and the Spirit that is going forth within and consuming all those things

that are not like Christ. When God does this within an individual, you can see an immediate change and release.

Man has been trying to do this for a long time - **We are in the Day of the Lord!** What does "The Day of the Lord" mean? **The "Day of the Lord" means, the "Day of the Spirit"**. It means that it is the day of His Spirit - and the day of man/carnal man/the flesh is over. It means, that the day of man is being exposed for what it is, and that it doesn't work. "The Day of the Lord" means, that God is coming on the scene!

God is raising up a vehicle in which He can stand and speak a creative word that will bring change. But this has to begin with the Sons of God.

Now we want to talk about this "Creative Word" - it is so powerful. In *Isaiah 56:11* it says, *"So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."*

Now you have got to understand that you are the spoken WORD of GOD. The real you is that incorruptible seed (the Word and the Spirit/God). THE incorruptible seed within you is transforming your mind into the mind of Christ. The Word and the Spirit swallowing up the carnal mind and the tree of knowledge of good and evil - to where they will no longer operate in you; to where you will stand as a pillar in Him and go out no more. You will walk in the mind of Christ twenty-four hours a day! This is where God is bringing you. You

will never go out again - you will remain in the Spirit as the Word.

You are to be taken up with this Word. Do you understand what I am saying? You are to take up this Word and consume it. You are to occupy and possess it. As you take this Word within and let it become part of you - you become it -LIFE!

Jesus said in *John 6:33-35,47-51, 53-54*, *"For the bread (Word) of God is he which cometh down from heaven (comes from the Father - "In the beginning was the WORD, and the WORD was with God, and the WORD was God"), and giveth life unto the world. Then said they unto him, Lord, evermore give us this bread. And Jesus said unto them, I am the bread of life (Word of Life - "And the WORD was made FLESH, and dwelt among us."): he that cometh to me shall never hunger; and he that believeth on me shall never thirst. ...I am that bread of life (Word of Life - the reality of all that God has spoken - the reality of all that God is). Your fathers did eat manna in the wilderness, and are dead. This is the bread (Word) which cometh down from heaven (comes out of the Spirit/the mind of Christ/the Father), that a man may eat thereof, and not die. I am the living bread (the Word and Spirit) which came down from heaven: and the bread that I will give is my flesh, which I will give for the whole world. ...Then Jesus said unto them, Verily, verily, I say unto you, Except ye eat the flesh of the Son of man (partake of my resurrection life and let it become part of you) and drink of his blood (put it into action - get in the flow, and walk in the Spirit/mind of Christ -except you abide in my life (the Word and the Spirit) and let it flow through*

you), ye have no life in you. Whosoever eateth my flesh, and drinketh my blood, hath eternal life; and I will raise him up at the last day. For my flesh is meat indeed, and my blood is drink indeed. He that eateth my flesh and drinketh my blood, dwelleth in me, and I in him. As the living Father hath sent me, and I live by my Father: so he that eateth me, even he shall live by me."

He was saying that His flesh is the Word that comes out of the Spirit, and that we have to eat it. He didn't say hear it - He said eat it! You can sit and hear what God is saying, but if you don't eat it - then you will never become it. This is the key.

You see, you can sit and get your mind filled with the knowledge that is coming out of the Spirit (and you know that it is true because the Spirit quickens it within you. You can hear it, and know that this knowledge, understanding, and truth is coming forth from God- but if you don't eat it, He said that you have no life in you. He said, whosoever EATS of my flesh and drinks my blood shall live forever!

In fact, He said that the individual that eats of His flesh and drinks of His blood shall be/dwell/live where He is also - meaning in the realm where He is now! He wasn't talking about the realm that He was standing in at that particular time - He was talking about the realm that He is in now, because He knew that He was limited in the realm that He was in. He was limited to a degree because He was only one individual. He knew that "except a corn of wheat fall in the ground and die, it (He would) abide alone." Jesus knew that

He had to die not only for the sins of man, and to reconcile all creation back to Himself, but also so that He could be the firstborn among many brethren (Sons) that would become just like Him. He wanted to be the captain over many Sons that would appear as He is now, and bear the glory of God.

He said if you eat of this bread! When you hear it, then you have to digest it. You have to meditate on it. You have to think about it, and not only that - **YOU HAVE TO WALK IT OUT!** Nobody can walk it out for you. The Father has said that, **"This is a time of responsibility and accountability!"** You are responsible to walk out what you know and understand.

The Lord is creating a new man, and this new man is getting ready to operate in the ninth day.

You have got the sixth day, the seventh day, the eighth day, and the ninth day. Sometimes you slip back into the sixth day; sometimes you experience the seventh day; sometimes you experience the eighth day - and I'm going to explain to you what each one of these days mean.

The ninth day is the Day of the Lord!

The sixth day is the day of man. The sixth day is a carnal people that are very carnal in their minds; that live according to the appetites and lusts of the flesh. They live according to their own understanding in the five-sense realm (by what they see; by what they hear, by what they touch, smell, and taste). Man was created on the sixth day. Six means flesh - it is talking about the fleshy appetites, emotions, and feelings. It speaks of a people

that know Jesus as their savior, but they refuse to walk in faith. It says in Hebrews 10:38, **"Now the just shall live by faith"** - but these are carnal Christians who are ruled by their soul, and live in their emotions and feelings. They are very easily sidetracked and caught up in the things that are around them, and in the things of this world. They don't have the "rest" of God. They are full of anxiety and worry about the future. They worry about where they will live, what they will eat, what they will drink, and what they will wear. But in *Matthew Chapter 6* it says, **"Therefore take no thought, saying, What shall we eat? Or, What shall we drink? Or, Wherewithal shall we be clothed?...Take no thought for the morrow..."**, but the mind always seems to go to tomorrow.

There are a lot of God's people that just never grew up, and they're in the sixth day. They never came to the seventh day. In fact, the church tells you that you can't even come to the seventh day. The church tells you that you can't be perfected here. This is being taught in and believed by much of the body of Christ - and in many religions today. They tell you that; "You can't be like Jesus" "No person can be like Jesus". They tell you that, "You can't be perfect here". The church tells you this, because they want to keep you in the sixth day. But as long as you live in the sixth day, that first man Adam ("the first man is of the earth, earthy") just keeps on producing himself. This is why we have so many fleshy, carnal Christians. These Christians never grow up. They do not mature into the nature of

God - because they live in the sixth day.

If you look at the scriptures, and at what Paul taught - all he talked about was the soul being perfected. He talked about us coming to the end of self, putting off the old man, and putting on the nature of Christ.

The seventh day, is the Day of Perfection. The number seven represents perfection. Now when you accept Christ as your savior, yes, you are very carnal. I don't know how long we stayed in that day, but I'm glad that we didn't stay there. I'm glad that we pressed on to know the Father. But in that day, when you are born again and know Jesus as your savior - you begin to experience the nature of God.

Well God has two natures (He has more than this, but these are the two I want to expound on). He has a mother nature - and He has the Father nature.

I have raised three children - and have you ever noticed that when an individual has a baby, the Father tends to stand back on the sideline. Now every now and then the Father will take the baby and hold him; but it is the mother who has to give her full attention to this little baby. The mother has to breast feed the baby, change its diapers, bathe it, and kiss it all over its little face. The Father goes to work. The Father comes home. The Father says, "I'm tired"; "How's the baby doing? That's great." "Honey, I'm tired. I'm going to bed". The mother has to get up with the baby three times during the night. The Father says, "I can't get up with the baby - I have to work tomorrow". Do you understand what I am saying? The Father figure hasn't come in

yet. Well this is the way God is when you are born again. The mother part of God is just petting you to no end. You're experiencing the love of God and all His blessings. You're experiencing His love and His presence - and He is so attentive to you.

Have you ever noticed that when God brings someone new in, how much attention He gives to that individual? Well this is the mother part of God, giving that individual the extra attention they need until they get a hold of (have the Spiritual understanding of) what God is saying.

Then my God when the Father figure comes in - Lord help me. The Father comes in with His stern voice, and the baby says, "Hmmm. Who's that? Different kind of voice". The mother was softer, sweeter, and kinder. The Father is a little bit louder, firmer, and sterner. Even with your own children, you don't want them to stay little babies. I mean, what mother wants their child to stay as a baby, where they have to carry it around on their hip for the rest of their life?

But this is what God has to do. He is still carrying some seventeen year old Christians on His hip, because they never grow up. They are still drinking the bottle. They are still drinking the milk. They never got off of baby formula. Do you understand what I am saying? You still have to wipe their noses.

Now thank God that this doesn't happen here anymore, because a lot of you have grown up - but have you ever heard different Christians when the calls don't go back and forth all

the time, crying, "Well Sister Joyce doesn't love me anymore. She doesn't pay any attention to me. She just doesn't care about me anymore"? Well this is just the Lord pulling back and saying, "Grow Up!" You see, **this ministry is here to tell you that God is in you, and that you have got to go within and start depending on Him!**

This is what God does to cause you to go within. He pulls back. Now you tell little Johnny, "I'm not going to tie your shoes anymore. Johnny, it is time that you take responsibility and tie your own shoes, because you are going to go to school." This is how God works.

Now sometimes God can't get His kids beyond the age of sixteen. Some of His people just stay there. Have you ever noticed how when kids get into their teens they start to rebel? They drive their parents crazy! These kids say, "Well I want to do my own thing. You're not going to tell me what to do any more." They think that they are grown up individuals; and they think that they know it all - but in reality, they still need their parent's guidance.

It is the same thing with God's people. You may think that because you've grown so much in God, that you no longer need His advice or guidance. You may even think that you don't need to depend on Him anymore. But let me tell you - you are going to need Him your whole walk.

You see a lot of God's people are very rebellious. They think that they know it all, and have gotten so big for their britches that you can't tell them a thing - and like teenagers they start

rebellious. But do you know what? Rebellion is a form of growing pains. I learned that from watching my own children go through their growing pains.

But have you noticed that when you rebel, God gets firm with you. Just like when kids rebel, their parents get firm with them. Then the kids go crying, "Why did you do that?"

Parents only do it because they love their kids. God only does it because He loves His people. It's as simple as that. You can look at a family and you can see the principles of the kingdom of God. This is how God operates.

What the Lord is trying to do at that point is to bring you to the seventh day - because the seventh day is to change and perfect you into the image of Christ. The seventh day is to bring you into His rest, where you cease from your own labors. It is here where you learn to say, "Father... not as I will, but as thou wilt." You lay down your will and desires, for His!

Now some people come out of the seventh day and go right back into the sixth day. They go right back into their will, their wants, and their desires. They go back into the realm of self.

But this is the Day of the Lord and He is saying, "I will have a people that I will govern their lives; a people that has laid down and yielded every area of their life to me. I will take over and consume their will, their desires, and their thoughts - because I want to create again!" He is saying, "I want to use my Sons - not tomorrow, not some time in the future, but I want to use them now." Yes, He is using

them now, but He desires to use them even greater. Do you understand what I am saying here?

Now, knowing that there is something even greater - some of us (after we finally knew what the seventh day was) have come through the seventh day and have moved into the eighth day. We came to know and understand, that the seventh day is to perfect us. Well what do we need to be perfected from? Our beliefs; our concepts and ideas; it is to bring us out of Babylon; and it is there to bring us out of the church system and religion - so that we can fully enter into the Kingdom of God.

The seventh day is to bring you into the eighth day, which is a new beginning - it is His resurrection life. But you have to have a death take place in you, before you can have life.

The seventh day is to perfect you, but **the process of being perfected** isn't easy. As you let God judge and perfect all areas of your life, your soul dies - to self! In the seventh day, as you yield to the dealings of the Father, He takes all your wants; your desires; your concepts; your ideas and beliefs; all your experiences; and all the baggage you have carried with you from the past - and He consumes them.

He takes them all away so that He can replace them with Himself. He does this to bring you into the eighth day, into His resurrection life. He brings you into this eternal realm, because He is an eternal God. Here you lay your life down and surrender it to the Father - only to take it up again in the eighth day.

Jesus said in *Matthew 16:24-25*, "If any man will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it." The seventh day has brought us into the eighth day.

The eighth day is a new beginning. The eighth day is resurrection life. We've been in the eighth day - and from within the eighth day - GOD HAS BEEN CREATING!

Now the Lord spoke to us a while ago and said, "What do you think that I have been having my Sons do?" And I said, "Well Lord, You've been having us do a whole lot." Then He asked us to think about this, and all the changes He has brought in the earth." He said, "How did I do it?" And I said, "Through your Sons." He said, "Yes. Did I not go to England, and did I not bring judgement there? Did I not expose everything in the government there? But why was I doing all this? I am preparing the people in the world to accept the Kingdom of God." He said, "The way I will bring my Kingdom in the earth, will be without observation. You cannot see it with the natural eye. The Kingdom of God is without observation. The Kingdom of God is the Word and the Spirit. The Kingdom of God is righteousness, peace, and joy in the Holy Spirit. How will I bring righteousness in the earth?" I said, "Through judgements." And He said, "How will I do that?" I said, "Through a Creative Word." Then He said, "I am taking you back into the beginning, so that I can create

again - but this time, I want to create a new heaven and a new earth. I am preparing the way for the coming of the Lord just as I did through John the Baptist. John the Baptist bore witness of my Son, and was sent ahead to prepare the way for the coming of the Lord."

This is what God is doing. He is using His Sons to reign with Him - now! We sit with Him in heavenly places in Christ Jesus and the energy of God is going forth. The Word and the Spirit of God are going forth, and GOD is creating again! He is not only creating, but He is also destroying. He is not only destroying, but He is also exposing and correcting. He is issuing in His plan. God is exposing the corruption in the governments of the world; and He is causing the economic systems of this world to collapse. He is bringing His judgements through disasters and events all over the world. He is doing all this through His Sons to prepare man's hearts to receive the Kingdom of God. He is letting man see that none of these things are working.

For six days, He allowed man to have his day. For six thousand years man has had his day. Now it is God's day, and everyone is watching their televisions and wondering what in the world is going on. They can't figure it out. But when you understand what the Father is doing, it's not confusing at all - it's really simple.

God also spoke to us back in 1998 and said, "Just as I brought out the dirty laundry in the government of England - I am going to bring out the dirty

laundry in the government of the United States of America." He allowed us to see this in the Spirit before it took place (and we all know what He did).

Everyone was pointing their finger at President Clinton, but the President was just a sign to the country, of the morals of the people. He was a sign to the country that they have committed adultery; that they have committed fornication against Him; and that they have left their first love with Christ. He is a sign for repentance. He is a sign of every thing being exposed. The Lord said that He would bring every thing that is hidden, out into the open. That is what He is doing.

Well how is He doing all this? With a Creative Word, and by His Spirit. And why is He doing this? To prepare people's hearts to receive the Kingdom of God!

When you see the economic systems fail, and when you see the stock market fall - people are not going to be able to depend on MasterCard, Visa, or the banks. They're not going to be able to depend on their money. They're not going to be able to depend on their governments. The only one that they are going to be able to look to is God!

God's Sons have got to get a hold of this now. **God is in you and He is your source.** The righteous shall never beg for bread - **in the Kingdom of God you lack nothing.** Ten thousand will fall by your side, but **you are in the secret place of the Most High God - which is the Holy of Holies.** *Psalm 91.*

People will fall because they're eyes are fixed on what is

going on around them. They are scared, and caught up in what is happening in the earth. The bible says that men's hearts will fail them because of what they see coming upon the earth. But the Lord says to keep your eyes on Him, and not to be entangled with the affairs of everyday life. It is important to keep our relationship and union with the Father. We must remain alert and stay in tune with what the Spirit is saying at all times.

There are some scriptures that I want to get into for a bit. In *Psalms 77:17* it says, **"The clouds poured out water: the skies sent out a sound: thine arrows also went abroad."** The clouds it is speaking of here, are those who get in the Spirit, and are in the mind of Christ. The clouds are also the "cloud of witnesses" on the other side. When you ascend in the Spirit you become the glory cloud, and then wait upon the voice of the Lord for His command. You are a cloud, and the purpose of a cloud is to empty itself!

In *Job chapters 36 and 37*, he talks about these clouds. It says that, **"by them judgeth he the people..."** It says that these clouds are **"turned round about by his counsels: that they (plural) may do whatsoever he commandeth them upon face of the world in the earth."** *He causeth it* (singular, because they are of the same mind - the mind of Christ) **"I came to do the will of my Father" "to come whether for correction, or for his hand, or for mercy."** In other words, they wait upon the Lord for His command, for His instructions, and for His will. Then, when God speaks, they begin to move as one upon the

earth and either issue forth mercy and goodness, or the corrections/judgements of the Lord. And this is what you do when you get in the Spirit.

Now I want to go back to *Psalms 77:17-20* for a minute. It says, *"The clouds poured out water: the skies sent out sound: thine arrows also went abroad. The voice of thy thunder was in heaven: the lightnings lightened the world: the earth trembled and shook. Thy way is in the sea, and thy path in the great waters, and thy footsteps are not known, thou leddest thy people like a flock by the hand of Moses and Aaron."* I wanted to bring this out, to share with you that the Word of God is like an "arrow".

Well the only way that you can send an arrow out is with a bow. You can't send that arrow any other way. You can try to throw it with your hand, but it won't go very far. You have to have a bow!

Well you are God's "bow". But the bow has to be bent before it can send that arrow to its target/destination. This is what happens when you get in the Spirit. You bend your will to the Father so that He can use you. The Word and the Spirit (which are His thoughts) are in you - and when you get in the mind of Christ the arrows are sent forth to accomplish that which He pleases.

In *Isaiah 55:11* it says, *"So shall my word be that goeth forth out of my mouth: it shall not return to me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."* They are sent forth to the nations. They go abroad and affect other countries. This is GOOD NEWS! But most

people can't figure out what is going on.

God wanted to clean up the City of New York, so what did He do? He sent His Word and Spirit out of the minds of His Sons, into New York - and He started cleaning up that city. The City of New York can't figure out what happened, but it is because the Kingdom of God is coming in without observation.

God's Kingdom is coming by the Word and the Spirit. It is coming out of the mind of God and He is creating again. Thank God, He has finally got a people that are willing to cease from their own labors, bend their will to HIM, and let the FATHER minister and create through them. HE IS speaking forth a Creative Word through His Sons that is bringing change, and is accomplishing all that He has sent it to do.

You have got to understand that when you get in the Spirit, the Creative Word of God is going out of you. Many times you do not know what God just created, or what has been accomplished - but later on He lets you know.

The centurion, who came to Jesus when his servant was sick, had an understanding of how this works. He said, "Jesus, you don't have to go to my house - just speak the Word and my servant shall be healed."

Now they didn't have any telephones back then - but do you think Jesus would have called up, or gone knocking on the centurion's door and said, "Did your servant get healed?" No! Well why didn't He? Because He had this understanding (and you have got to get a hold of it) - **once**

the creative word is shot (sent) out, it cannot come back. It must accomplish all that it was sent to do. It cannot return void!

A long time ago, I got depressed because some people would come and sit under this Word for a time - then after a while some of them would leave. And I thought that maybe I had failed. Then one day the Lord spoke to me and said, "You did not fail me." He said, "You stood up and let me speak through you the Words that I wanted to speak." He said that, "The Word will not return void. Those individuals might rebel for years, but eventually the seed that was planted in them has to come up, and it has to come back." He said, "Don't worry about it. The only job you have to do is to stand up and let Me speak the Word through you. What they do with it is their problem, not yours." He said, "That Word will either kill, or make alive again. And one day, they are going to have to come before you, and hear that same Word again." Now I like that.

Then I got really excited about Paul. Here's Paul in Acts chapter 17, standing and ministering the word of God to a people that were worshipping at an altar with the inscription, "TO THE UNKNOWN GOD". Now if you read it yourself, it talks about how these people had a lot of knowledge and revelation, but they still didn't know God. They were worshipping the unknown god. So here's Paul preaching to all these people - but did they receive him then? No! Does that mean that the Word returned void? No!

Now one time the Lord allowed me to get sick (to make me be still), because He had something to say. Do you know what the Lord showed me? The Lord spoke, and said, "I want you to read about Paul in the book of Acts." I said, "What is this all about God?" And He said, "I want to show you something." He said, "Do you see all these people that Paul ministered to, that didn't come in, back then. Well they are going to come in today. And Paul is going to minister to them with you, because they have to come before him again."

He said, "Paul is not dead. He is one of the just men made perfect, on the other side. He is in the midst of you. Do you not know that you have come into the cloud of witnesses and the just men made perfect? Joyce, they are right here, you just can't see them."

Then the Lord opened my eyes and there was Paul. And there were all the people that had heard the Word, but didn't come in, back then. You see the Word (arrows) had been sent, and now it was time for the Word to come forth in them. The same seed that had been planted in them back then had brought them full circle to where they could receive it. God had brought them back before Paul - and when they heard this Word again, they went right into God.

Then God let me know that there are some people who are going to have to come before us again. Individuals that wouldn't receive the Word that God had spoken through us - will have to come before us again. Isn't God good? So don't be weary in well

doing. In due season you shall reap. God doesn't lose anything, and His Word never returns void.

So what God does, is He chooses individuals that He can bend. He elevates them out of their will, into the mind of Christ, and He creates again. This makes the Father so happy. Every time I get in the Spirit, and let the Lord do what He wants to do, I feel so good afterwards. Why do we feel so good? Because the Father just accomplished what He wanted to accomplish through you, and He created again!

God needs a man in the earth to raise His rod just like Moses. God gave Moses authority and He anointed him. Then, looking at the Red Sea, Moses told Israel that God was going to move for them - but God said, "No I'm not - you are. Use what I gave you."

There are a lot of people that the Lord brings into our midst, in both the visible and invisible realms. They are in Egypt (enslaved in their minds). They are in the carnal mind. They are earth-bound. Do you understand what I am saying? God needs His Sons. God needs His deliverers. All the way down through time, God has always had His deliverers. And once again He is saying, "Raise up your rod and part their Red Sea." This is what is going on today. When you get in the Spirit, the "rod" is being raised (which is His authority and anointing), and the Word and the Spirit of God are going forth and parting their mind. The veil is being rent. The taskmasters that ruled and controlled them in the earth are being swallowed up in the sea. And those that are on the other side are going right back into God where they can

worship Him again. The whole point of delivering Israel was so that they could come to know God and worship Him.

He uses the Creative Word in many different avenues, in many different ways, and on many different levels. God moves on whatever level the person is on.

He is taking His Sons back to the beginning - because, you are His co-creators. And He is creating once again through you and I.

We've been working overtime in the realm of the Spirit, because God is shaking the heavens right now. In *Luke 21:25-27*, and in verse 33 it says, "And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory... Heaven and earth shall pass away: but my words shall not pass away." He is shaking and consuming those things in the heavens (spiritual realm) that have affected man in his body, all down through the generations.

In *Ephesians 6:12* it says, "For we wrestle not against flesh and blood, but against principalities, against powers, against rulers of the darkness of this world, against spiritual wickedness in high places." And in *Hebrews 12:27-29* it says, "Yet once more I shall shake not the earth only, but also heaven. And this word, Yet once more, signifieth the removing of those things that are shaken, as of

things that are made, that those things which cannot be shaken may remain. Wherefore we receiving a kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear: For our God is a consuming fire. And in 2Peter 3:13 it says, "Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness."

This is the reason that warfare is going on in the heavens now. **God is cleansing the heavens so that righteousness may come forth.**

He is creating a new heaven and a new earth to issue in the Kingdom of God - and He is doing this through His Sons. The Word and the Spirit are going forth through His Sons and bringing change. They are shaking the heavens, and are creating again with a Creative Word. This is how God will rule the nations. This is how God will change the world.

Ten years ago, we had very different thoughts and ideas about how God was going to do things. We thought that the Lord would be sending us into China preaching. We thought that He would be sending us into Africa. We thought that we would be getting on airplanes and flying all over the world to minister. We had no idea that the Father would cause us to fly in the Spirit. We had no idea that we would be ministering to the multitudes in all these places - without physically leaving our chairs. We didn't know that this was possible back then, but we do now!

God also showed us, that there are also times when He will cause the Word to take on form. There is the very real possibility, that sometimes when you get in the Spirit and God takes you somewhere to minister, that He is also causing the Word (you) to take on form and the people see you. Do you understand what I am saying?

It's just like Philip in the book of Acts. The angel of the Lord told him to arise (get in the Spirit) and go to a particular place. Philip yielded to the Spirit of the Lord; he arose (got in the Spirit) and went to where God told him to go. There he beheld (or saw in the Spirit) the eunuch that God wanted to minister to at the time. The Spirit then told Philip to go and join himself to the eunuch's chariot. Philip (or the Word) took on form and ran to the eunuch. When God had finished ministering to the eunuch through Philip - the Spirit of the Lord caught him away (caused him to fly in the Spirit again) and he was seen at Azotus, (the Word took on form in another place). And passing through he preached in all the cities (to the multitudes), till he came to Caesarea.

Paul also spoke of when he was caught up to the third heaven (the Holy of Holies), but he said, "... whether in the body, I cannot tell; or out of the body, I cannot tell: God knoweth."

There is a true story that I want to share with you. There was a preacher that was told that he was going to go to Russia to minister there. He wanted God to use him so much, and he waited and waited. Years went by, but he never did go to Russia. Then

he became depressed because he felt that God wasn't using him. After a couple more months went by, some people came to him and said, "Brother you have got to come to this meeting tonight." He asked them why? And they said that they didn't know why - they just knew that he had to be there! So he went to the meeting, and there were some people there that had come from Russia. They ran up to him, called him by name and said, "Brother, what are you doing here?" They knew him! All along, God had been taking him by the Spirit to minister to these people in Russia - and he didn't know it. He said, "God, how can this be?" And God spoke to him and said, "I am a God of the impossible. I just took you by My Spirit, and the Word took on form. Your form came openly to the people, and they saw you. I have been using you all along, and you didn't know it. When you wake up in the morning and you are tired, it's because you have been some where preaching, or teaching."

Many of God's Sons want to be seen. Some of God's Sons have wanted God to bless them with rewards and recognition. And when some got a hold of this message - they wanted to take off and run with it so that they could be seen. They wanted to build a reputation for themselves. They wanted recognition from the people. And some of them did take off and run with it for a while - but they weren't ready. They hadn't matured. The Word had not been worked into them. They needed to walk it out.

Hearing the Word, and even understanding it is not enough. It must become part of you. You

must become the Word. You have to walk it out!

God made many of you sit in the barn for a time, so that He could work His nature into you, and deal with the different areas of your life. He has been teaching you patience and to bend your will to Him. But sitting in the barn isn't easy.

There have been times when you have thought that God doesn't use you. But let me tell you - **God is using you every time you get in the Spirit! In your heart, you have got to get a hold of this. His Creative Word is going out of you, by the Word and the Spirit, and He is using you in a mighty way. The Father has used us to bring change all over the world, and has made history, time, and time again. He is using us to bring reconciliation, and restoration. He is using us to set the captives free, in the visible and invisible realms - on this side and on that side. He is using us to cleanse the heavens and bring change in the earth. He is using us to issue in His Kingdom!**

IT IS GOD HIMSELF THAT IS DOING ALL THIS! He has taken us back to the beginning, and He is creating through a people. We take no glory in this - **it is all for His glory, and for His recognition!**

Now you will see the ninth day begin to operate - and let me tell you, man has never seen a power like this before. God is getting ready to come on the scene and operate in His fullness. I said, "Lord, when is this going to happen?" And He said, "When I raised up my deliverers in the past, they did not come on the scene until there was a greater need." Now think about that.

I remember when I went to the Philippines - the power of the Lord just took over. I'd never seen God move like that before. The Lord caught me up in a realm where I was totally in His mind. I knew everything about every individual that was there. I knew all of their problems. I knew what each one needed. And the energy of Christ just went forth and met the need in each one.

Whether you know it or not, you are operating in this realm now. Whenever you get in the Spirit (in the mind of Christ), the fullness of God is flowing out of you to creation and mankind. He knows their needs, and He knows their problems. There are people out there who are depressed, that you are touching and don't even know it. There are people out there that you have kept from committing suicide, and you didn't even know it.

The Lord has shown me that this realm is so important, because it is without any limitations. You can bring change to someone's life, and they aren't even aware of it. They experience the benefits of it, but do not know what has happened to bring this about.

I'll give you an example of how this works. One day (many years ago) I went within and was communing with the Father. All of the sudden, the Father brought two people to mind that I knew. Now at one time, the two people had a very good relationship. But over the years, some circumstances and events had transpired which caused a lot of pain and anger to arise within the one individual. The pain and anger drove a wedge between them.

But on this particular day, the Lord spoke to me and said that He wanted to minister to the one individual by His Spirit. He said that He wanted to consume the anger within them, and that He wanted to heal the hurt and pain that they carried within them all these years. He said that by doing this, He would cause a reconciliation to take place between the two people.

The person did not have to be in the room. I did not have to go to them and lay hands on them. I just yielded my will to the Father and allowed Him to flow through me to that individual. The Father ministered to them by His Spirit, in the realm of the Spirit, and allowed me to see what He was doing.

Jesus did not have to go to the centurion's house - He just spoke the Word and his servant was healed. The Father spoke, or sent His Word and Spirit into that individual's mind and accomplished all that He said He would do. There was an immediate change that took place within this person, and their relationship was restored through the love of Christ. When God brings things to our mind by His Spirit, we need to allow the mind of Christ to operate through us, and use the keys of His kingdom to bring about change.

Jesus said in *Matthew 16:19*, **"And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven."**

But the Father taught me along time ago, that in order to loose on earth, it must **first** be

loosed in heaven. The first shall be last, and the last shall be first.

The key to this is in the "keys". The "keys" that He has given us are the "KEYS of THE KINGDOM OF HEAVEN." In other words, you have to get in the Spirit in order to use these "keys" - which are the power and authority of God! And the only way that this power and authority can flow through you is if you are in the mind of Christ! It is GOD HIMSELF working through you in the realm of the Spirit (heaven) that is loosing man, and creation in the earth. When God's Sons get in the Spirit, HE is loosing both in heaven and in earth; but until the work is done in the realm of the Spirit (heaven) - what is bound in the earth remains bound, or unchanged. You cannot do this in your own strength, and you cannot do this unless if you are in the mind of Christ allowing GOD to do the work through you!

You may think that God isn't using you, because you don't always know what to say to people. But whether you realize it or not - when you walk in the midst of people (even if you don't say a word) - the Creative Word is flowing out of the Christ within you, and into the minds of the people God brings to you. That's how the mind of Christ operates. He is doing it without observation. Have you ever noticed, that many times you run into these same people a week or two later, - and even their countenance has changed?

I want to tell you, there is no other realm (day) that I want to be in. I only want to be like my Father, and come into the fullness of all that He is. I am thankful

that He has brought us into a realm that is not limited. And I thank God that we are allowing Christ to create again through us.

God has got a lot to do with saints. There is much that must take place, and there is much that will take place before the year 2000.

God has been, and is speeding everything up. You will see Him do things much quicker than in the past. You will see God moving through His Sons at an accelerated rate, bringing change and accomplishing His will in the earth. God will also tell you many things before they happen, and will cause them to come to pass very quickly. He is carrying out His plan, and bringing about all that He has written in His script.

He is using you as a company of people to bring down Babylon. The time will come when Babylon will fall in one hour. God is using His north wind. He is using a people that have come from the north that have allowed the north wind to blow on them, and perfect them. **The "north wind" is that "Father" part of God that brings correction.**

God uses His north wind to sift out those things in you, which are not like Himself. He judges them (deals with those areas of your life), and brings correction. In the natural, the north wind blows away all the pollution in the air. He uses the north wind in the realm of the Spirit, to perfect you, and to clean out all the mixture and pollution that is in your mind.

God is using a people that have allowed Him to blow out (deal with and consume) all their concepts and ideas. They have

allowed Him to blow out all the pollution that came from the systems of this world, and from religion. They have allowed God to blow upon all the different areas of their life - and now they have become the north wind!

And wherever the Lord tells us to blow, we blow. Sometimes the Lord will say, "Okay, you that have come by the north wind - I am going to bring you out of the quiver - I am going to bend my bow (you), and my arrows (the Word and the Spirit) are going to go forth."

Some people come here and don't stay very long. And the Lord told me that, "It is because they don't come out of the quiver." So I said, "Lord, what is the quiver?" He said, "They're afraid."

Have you ever noticed, that in order to send an arrow, God first has to bend His bow. But before He can bend you, He has to break you (humble you). Then He has to take the arrow (you are the arrow/Word of God) out of the quiver (He has to bring you out of your fears). And at first, it takes a little time to put that arrow in its place upon the bow so that it can be sent out. But before long, the steady hand of the Father quickly places the arrow in its place, bends the bow (your will), and He sends that arrow out. It hits its target, accomplishes what it is sent to do, and does not return void.

In other words, when God brings you out of your fears, then He can use you more in this realm. Your fear and unbelief are the two things that are in the quiver. Do you understand what I am saying? But He has brought you out of the quiver, and this is

the reason you are able to operate in this realm. Those of you who are new to this realm will learn quickly - and whether you realize it or not, God is already using you.

Jeremiah chapter 50 talks about the people that God is going to use to bring down Babylon. These people will also deal with all the shepherds who have brought God's people into Babylon, worshipping different images, idols, and gods. You need to read this chapter for yourself.

I want to leave you with a number of scriptures that you need to look up and read for yourself.

Jeremiah 50:9 says, *"For, lo, I will raise and cause to come up against Babylon an assembly of great nations from the north country: and they shall set themselves in array against her; from thence she shall be taken: their arrows shall be as of a mighty expert man* (this is that corporate manchild spoken of in Revelations 12, who is to rule all nations with a rod of iron. This is what we do here now), *none shall return in vain.* Also in verse 14 it says, *"Put yourselves in array against Babylon round about: all ye that bend the bow, shoot at her, spare no arrows: for she hath sinned against the Lord."* Why do you think the Lord is so busy shooting here? And He is going to keep on shooting, because He is bringing the Babylon system down! Jeremiah 50:29, 31, 40-42, and Isaiah 51 all go with this. These are all scriptures you need to read for yourself and become familiar with.

Also in *Jeremiah 51:20-23*, which God has brought out here

many times. It says, *"Thou art my battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy kingdoms* (God has been doing this in the realm of the Spirit for sometime now); *And with thee will I break in pieces the horse and his rider; and with thee will I break in pieces the chariot and his rider; With thee also will I break in pieces man and woman; and with thee will I break in pieces old and young; and with thee will I break in pieces the young man and the maid; I will also break in pieces with thee the shepherd and his flock; and with thee will I break in pieces the husbandman and his yoke of oxen; and with thee will I break in pieces captains and rulers."* This is why we have been so busy saints. God's government is being established in the earth. You are the government of the Lord with great responsibility. God is creating through you, what HE wants to do in the world!

It grieves me at times to think about the things that the Father must do. It grieves Him as well, but it is all in His plan. He will lose nothing and no one!

In *Deuteronomy 32:39* *God says, "See now that I, even I, am he, and there is no god with me: I kill, and I make alive; I wound, and I heal: neither is there any that can deliver out of my hand."* All the disasters that are coming upon the earth are part of God's plan. His Creative Word is going forth from within His Sons, and He is using these events to create again. But God looks at the end result of everything that He is doing. He sees all things reconciled, restored, healed, and made alive again in Him - and He

declares that it is very good. We have to stay in the mind of Christ, and see all things through His eyes - FINISHED! And we must rejoice in all that the Father is doing in, and through us!

We must continue in the mind of Christ and allow God to create through us. We cannot allow our minds to go back into the gutter of the sixth day, and get caught up in everything that is coming to pass around us. When we get back in the carnal mind, in fear, unbelief, and depression - we cannot create life, we can only create death.

Some other scriptures that you can look up for yourself are, 1Samual 2:35; 1Samual 3:19; and 1Samual 9:6. Basically they are talking about those who are called to be priests after the order of Melchisedec. The Lord is bringing His Sons into a place where none of your words will fall to the ground. None of your words will fall to the ground because you never again speak out of the carnal mind.

When the fullness of God manifests in, and through you - every word that you speak will come out of the mind of Christ. Jesus was a man of few words, because every word that He spoke came out of the Spirit.

Just like when He got rid of Eli and his sons, the Father is looking for a faithful priest that will only do according to that which is in God's mind and heart. In *1Samual 2:31-32*, He said that there would no longer be an *"old man"* in His house - and basically this is what God is doing now. He is raising up a new man after His own heart. In the scriptures it talks about putting off the old man; that we are to be renewed in

the Spirit of our mind, and that we are to put on the new man, which after God is created in righteousness and true holiness.

In *Psalms 22:27* it says, *"All the ends of the world shall remember and turn unto the Lord: and all the kindreds of the nations shall worship before thee."* Well how are they going to remember? By the Word and the Spirit going forth to wake them up!

So we have been in the eighth day, we have experienced the ninth day in degrees - but I am looking forward to the fullness of it in operation.

The Father has shown us that the fullness of the ninth day will come to pass with the open manifestation of the Sons of God. In Romans chapter 8, it talks about where all creation is waiting for the manifestation of the Sons of God, *"because the creature (creation) itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God."* They will appear like Him in every way, just as Jesus said, *"I and my Father are one."* *"If you've seen me then you've seen the Father."* You won't be able to tell them apart. They will go forth in the fullness of all that GOD IS, and set the creation free. They will go forth in all His power, majesty, glory, and love. When you look at them - all you will see is GOD!

If you look in the scriptures, every time that God used a deliverer was when the need was desperate. The need is more desperate now than ever before, and before the year 2000 you will see even more.

We are so very close to entering into the fullness of God, and going out no more. This is why it is so important that you remain faithful, true and obedient unto the Lord. Can you imagine what it would be like to have come this far in Christ, and then miss the prize? I know I couldn't handle it. And yet the bible talks about those who will miss it.

Many of God's Sons are going to miss it because they won't let God deal with every area of their life. They want the things of this world, acceptance, and recognition - more than the Kingdom of God. They worship the revelations, blessings, and gifts - more than the one who gave them.

You see, God is causing us to become the Word and the Spirit. The Word became flesh and dwelt among us, and now He is making our flesh to become the Word! We are putting on the new man and are becoming all that He is. We are allowing the Father to perfect us, and to issue forth a Creative Word through us, that is bringing in the Kingdom of God.

And when the Father has dealt with every area of our life, and has totally transformed our mind, into the mind of Christ - then will come the full manifestation of the Sons of God - and with this, comes the redemption of our bodies. *"For this corruptible must put on incorruption, and this mortal must put on immortality."* GLORY TO GOD!
