"Driving Out The Nations"

By: Joyce Morris

05/10/1998

In 1989 God was getting ready to bring us into another realm, a realm that we had never experienced before. God is so good and so merciful. Every experience that you have enables you to operate in that realm.

When you get tired of a realm and it becomes old; you know there is more. You want to move on. That is what is so good about God. You do not have to stay in the same place where you started out with Him. There is more. There is always something different.

Religion and traditions and doctrines always hold us and keep us in one place. I have seen in churches and even in some of God's sons that the Lord will bring an individual into a particular realm and they will stay there even when they know there is no life in it any more. They will keep on doing the same old thing because it is all they know how to do. There is life in it when they start out but as they continue on with it, there is less and less in it.

The reason for this is that God is drying up that realm to try to get them to move on. I thank God that He knows how to dry things up. He knows how to put

you in the wilderness. The purpose of the wilderness is to cause you to want more in Him.

I have seen groups continue operating in a particular realm and they really have no other choice until God, in His infinite mercy, intervenes and shows them that there is something more and He is getting ready to bring them into it. Every time God is preparing to bring us into another realm, there is a sifting. God begins to sift those that have fear. Those who are afraid will not go deeper. Just like anything in life, if you have fear, you are kept back from doing anything. It keeps you from launching out into the deep. The deeper you go in the Lord; you become very different from those around you. You stand out and are different.

Actually born again means that when God is finished birthing His nature in you (which is a progressive growth) you are progressively being born until there is nothing left in you that is not like the nature of God. When you are completely born again that is when the fullness of God will begin to flow out of God's sons. Then you have been completely born again, as Jesus explained to Nicodemus, He said,

"that which is born of flesh is flesh and that which is born of Spirit is Spirit." He said, "You must be born again."

Then He talked about the individuals who are born again. They become Spirit. That is what God's people are going back to become - Spirit. Jesus said, "A spirit is like a wind. John 3:8, "The wind blows where it wills, and though you hear its sound, yet you neither know where it comes from nor where it is going." So it is with everyone who is born of the Spirit. God is causing His sons to become like a wind. They are going with the flow of the wind. They blow like a wind. They are going with the flow of the wind. Then they become the wind and they become the spirit where by they are so free that they are starting to break out of their shell. The shell has been the carnal mind. There is no carnal mind ever again and it is totally the mind of Christ.

When that happens, something also has to happen to the body, which brings about the redemption of the body. The fullness of God is already in us. The Father, Son and Holy Spirit live in this temple. That means

that the very fullness of God is in us. He resides inside of us. His fullness is within us. What is keeping Him from coming out? It is the mind. The Lord showed me this a long time ago. The mind keeps Him from coming out of us. Our mind hinders God. God is hindered because you do not know who you are yet.

When you begin to identify with your true self, which is God - Emanuel in the flesh, then you will come into the fullness. Jesus was God - Emanuel in the flesh. That is who we are. He resides in the flesh. We are looking at Him. Everyone wants to see Jesus. Well, I am looking at Him. Sometimes you do not look like Him and you do not behave like Him, because you forget who you are. If you really knew who you were, you would be the total expression of the Father. Jesus had an awakening. He began to know who He was. When that happened He was the Total expression of the Father.

He was the brightness of the glory of the Lord. No matter what He was doing, people would look at Him and they would see God. Some called Him Satan because their eyes were not opened. They could not see because God did not allow them to see. God will not allow everyone to see God in you. We, being hidden in the secret place of the Most High God. At times God will open people's eyes and they will see the Christ in you, as well as feel the anointing. You may walk in a crowd and people will stare at you. They are seeing the glory of the Lord. They do not know what they are seeing but they are seeing light. Jesus said, "I am the light of the world," and He also

said, "you are the light of the world." Why did He say that? He said it because He resides in us. He understood that He was bringing forth a people to discipline their minds to bring them to a place where the Christ could be seen.

It takes God some time to work on us. It takes God to change our minds. The mind has been developed and influenced by this world. Our mothers and fathers and our generations have molded us, our cultures, traditions and doctrines of religion molded us. Now God is breaking those molds. You're every experience and every memory is in your subconscious. It is in your mind. God in His infinite mercy has to undo all that. He has to go into your mind and heal areas of hurt and pain and wrong thinking. That is why Jesus said, "I came to heal the broken hearted. Thank God He did come to heal the broken hearted. He knows how to do it. There is no limitation in God. He can go right into your mind anytime He wants to. He can go right in your soul and expose every memory and every experience that you had in your life. He exposes it in love and then He can consume it by the fire of the Lord, which brings freedom and liberty, and it brings change. These experiences have created images in the mind and imaginations, doubt and negative thoughts. This was the problem that Israel had. They had problems with the seven nations, which they never dealt with. God told them to destroy all those nations but they did not do it. The nations took them over and they went after many lovers. The

seven nations are the thoughts that are in the mind. Scripture says the seven nations of Israel were seven plagues.

You can have a thought in your mind that will plague you. You can suppress that thought and think you have gotten rid of it and the next day or week that thought is back plaguing you again. Nations are imaginations. The mind knows how to create images. The mind is like a mirror. It can cause images to look very real. It is just like watching a movie. You see all these images and feel like they are real.

Now you are sitting in this temple, which is you, and your true self is in the temple. You look at the screen, which is the mind. The mind is portraying different images. Some of those images are your own past memories or they can be coming from your generations that are connected to you.

You can get so caught up in a movie, even though you know it is just a movie. Next thing you know, you are right in it and it becomes real. I remember one time, in watching a preview of a movie called "Gorilla In The Mist," and a gorilla instantly appeared. A woman in the audience jumped right out of her seat and screamed. It became very real to her. Seeing that gorilla connected with something that woman had in her mind. She had fear.

It might be well to stay away from scary movies. You just feed the fear that is already in you and it brings even more fear. That is just an example to let you know how the mind works. God wants us to know that our images and imaginations are not real. Do not

lean on your own understanding, your reasoning or the images in your mind.

We sometimes get images in our mind by the appearance of things outside of us. As an example, perhaps you have a very difficult situation in your life. Your mind has an image of that and it gets continually worse as you look at it. The more you look at it, the worse it gets. Eventually you cannot even see God. All you can see is your situation or problems. God does not even exist anymore. He is not there. That is why some of God's people cannot worship Him in Spirit and Truth. You cannot worship God when you have so many thoughts that you are giving more time to, so they have a stronghold on you. It will get a hold of your mind. You can tell how images get a stronghold in some people. Conversation with them will show you where their mind is; that is all they can talk about. There is something in their mind that keeps pulling them in that direction and it takes them out of the peace and rest in God until God goes into the soul-(mind) and deals with what is there.

There is something in the soul which causes these images to be continually creating. Even though these situations are happening; they appear to be much worse than they really are. We make them worse by looking at the appearance and putting all our energy in that direction. We have all been there.

We come to God and He has to make us a child again. You cannot come to God unless you come as a little child. God is strange. What does it mean that

we have to become as children? A child trusts its parents. A child has no worries or responsibilities. They have a life of ease. They can depend on their parents. We come to God as a child; learning how to depend on Him and learning not to do everything in our own strength, but learning to rely on Him. In doing this we are able to grow up and become sons. We are to remain in that child like state knowing that we can do nothing without Him. We are totally dependent on the Father.

Last we went into the book of Joshua. He was a man-child and was raised up to deal with nations. He was to deal with rulers and kings that were in the promise land. He was going to bring kings into captivity so that the people could possess the land and come into their inheritance.

We are getting ready to come into our full inheritance in the Father. This means each of us is to enter into the fullness of God. Joshua was being raised up to be a savior and a deliverer. First of all, he had to arise. God woke him up and he began to ascend in his mind. He also had to remove himself from Shatter, which represents the carnal mind. He had to come to the place where he would no longer walk into the place of the carnal mind. He also had to come to the place of the Jordan River. The Jordan River is the place of death. Meaning, death to the flesh man, the carnal mind and the appetites of the flesh. Death to ones own desires and will. That is why Jesus said, "Pick up your cross daily and deny self." That was the place that Joshua was coming to - a place of denying self. When you are operating out of the carnal

mind you are centered on self. When you are in the mind of Christ, you lose sight of self. It is self-will that wants to rule. Joshua was removing himself from the carnal mind and the fleshy appetites. He was willing to come to a place of death to self. That is when you come into resurrection; the resurrection power and anointing of Christ in you as you die to self. God is cleaning up the soul. He has to do this so that death will take place in a particular area. The soul dies slowly and there is pain because it does not want to die. If you give room to an area, which God has dealt with, it will become stronger than it was before. That is because God is trying to teach you not to fall back in that area again, but to press forward and allow Him to bring you into more freedom and liberty that is in Christ. Every time He delivers you out of bondage, and you go back into it, you experience even more bondage. That is how it works.

God is saying, "When are you going to learn?" I set you free so that you might submit to righteousness. God is cleaning up the soul. The more you allow Him to clean up, the better you will feel. You have more life, peace and joy. When God does the final touches we will experience the fullness of His joy. We have not experienced that as yet but it will happen.

Joshua said to the people, "When they would see the priests bearing the Ark of the Covenant, and you begin to see the Sons bear the Glory of God; and you see the Sons of God bear the nature of God, when you start to see the Covenant of the Lord and

His mercy and His goodness and His kindness and patience and long suffering operating in the Melchizedek Priest Order, you will have some people that want to follow those priests across the Jordan.”

God showed me that He has put His Sons through hell. We have had to experience those hells one way or another. You have had to experience pain and suffering. Christ said, “If you suffer with Me, you will reign with Me. You cannot reign with God by any other way. The only way you will reign with Christ is by going through some suffering. It is the suffering that causes the fruit to come forth out of the vine. As people begin to see the Sons bearing the Glory of the Lord, they will want this.

When God brought me out of my battles of hell and torment that was in my mind, I thought, “Great, now I will have so much fun to enjoy life with the Lords joy, and the peace of God.” It was then that God showed me that I would have to go into other people’s hells and bring them out of it.

When the priests crossed over the Jordan, they had to stay there until they got everyone across. Some of you who may still be in hell in your mind will see that God is trying to clean up your soul to bring you out of those hells. Whatever is in your soul (mind) brings you back into that hell. Let God deal with those nations and images in the mind so that you can enter into a rest in your mind. You may go out every now and then but not like you used to.

Begin to learn the ways of God, so that you will stay in that

rest and peace. Then you will be able to descend into others hell and bring them out. That is what we do here. We ascend and we descend. We have to bring others out of hell where they have been for a very long time and bring them into that rest in Christ.

That is the mercy and compassion of Christ. God is not delivering you out of your soul so that you can have a happy, happy life. You will not be wrapped up in yourself, me, myself and I life and have a bed of roses. He is delivering you because He wants to use you to deliver others. That is what He has called His sons to do. Every son that god is raising up is to become a deliverer. You cannot become a deliverer until you are delivered. As I said, then you will deliver others. That is God’s goodness.

Joshua said to the people, “We are going to go to a place that you have never seen before.” God has been showing us the same thing. He is getting ready to take us into another realm. He showed me that those who are caught up in god would go into another realm. Those who are caught up in family and the cares of this world might miss it. It depends on what your mind is focusing on. God wants us to be caught up in Him, every day.

When I wake up in the morning, I am thinking about Him, when I go to bed at night I am also thinking about Him. Some people may think that I am sick or crazy, but when you fall in love with God, you think about Him all the time. If you are in love with your job, you will have your mind on it all the time. If you love your husband more then God you will have you

husband on your mind constantly.

God’s sons should be in love with Him. Those who are not caught up in God and are not faithful to the end will miss the realm that God is bringing us into. We have been having a little taste of what that realm is about. I want it. I long for it.

There are going to be situations or incidents to try to trick you and get you off of that path. There is a prize that is waiting for us. Paul said, “I press on to the mark of the high calling in Christ Jesus.”

We have noticed lately at our meetings that we have been seeing the overcomers more and more on the other side. We have been having a taste of that particular realm. I asked God, “Why are we seeing the overcomers so often lately?”

A couple of weeks ago, there was such a oneness of worship and praise, (That is when the anointing is so strong.) out of the oneness there was a oneness with the overcomers and the just men made perfect. There was complete silence in the heavens and total silence on this side. The Father caught some of us up in that realm. I had a taste of it several times. You do not even want to come out of it. When you are caught up in that realm of being in the mind of Christ, it is great. You feel like a 20 year old, you could run a race, no aches or pains. In that place there are no negative thoughts, just total life and peace. No death can enter in, in that realm. God is getting ready to bring us into a place where no death will enter in. No negative thought will enter into

that realm. It is just nothing but life, life, life.

When we come to the final touches, whatever is left in your house will be totally consumed. Every imagination, will be consumed by the fire of the Lord. Nothing will be able to stand in the presence of the Lord. Those things that are in you that offend the kingdom of God will be consumed. God is sending His angels and whether you like it or not, I am one of those angels that God has sent in the midst of you. I am here to deal with what is in your soul that offends the kingdom of God. It is those things that are in your mind that robs you of your peace and joy and your life in Christ. Those things that rob you of that righteousness and holiness that is in God. God is a holy God and He has called us to be a holy people, a righteous people. He is raising up His sons to not be entangled with the affairs of this life and cares of this world. If we are like the people of the world then they will not be able to see the difference. Some children do not want to go to church because they see that some Christians are hypocrites. They notice that they go to church on Sunday and act like everybody else during the week. Why should they follow someone like that? God's people are looking for something genuine and real. This upcoming generation is looking for some thing that is totally like God. The real thing.

An angel is a messenger who brings a word that reveals what is in the temple; what is in the house of the Lord; what is in the minds of the people. It is those things that rob you and keep you

from being who you are in Christ so that Christ can come forth out of your temple. God is getting ready to come out. He is coming out in His fullness. When God comes out in His fullness the glory of the Lord will fill the whole earth. No one can stop it. God is going to come out in His fullness and man will know that God truly rules and reigns. When He does come forth in His fullness in the earth and God's sons begin to become who they are supposed to be, the glory of the Lord will come suddenly and fill the temple. When it comes suddenly and fills this temple everything that is not like God will be completely consumed and then the glory of the Lord will fill the whole earth. People who do not know God will say - let us go up to the house of the Lord.

God's sons will not have to go out and pass out tracks or be on the radio. They will not have to make announcements. When your mind is totally transformed and that is getting ready to happen, God will say - "This is My beloved son in whom I am well pleased." God is renewing your mind. He renews and transforms it, a little here and a little there. It would kill you if He did it all at once. When God declares, "This is My beloved son." it will be no man, but JESUS ONLY. That is when the world will see Jesus. To see Jesus is to see the nature of God and the expression of the Father. When they saw Jesus they saw God's love. That is what the world is looking for. They are looking for love, not religion crammed down their throat making them feel guilty; but a word that will make you fall in love with God. You

just want more of Him and you want to change. You want to let God deal with those areas in your soul that cause you to fall into sin. You will not run from it. You will want it because you will see how much God loves you.

As Joshua said, "sanctify yourself, get ready." You are going a way that you have never gone before. That is what God is saying here. He said even the works that you have seen in the past ten years; you have not seen anything yet. You will see greater works because God is greater in you. There has been an expansion in the mind. Every time God transforms the mind He expands Himself. Joshua said, "Look at the Hittites, Jebusites and the Amorites." We call them termites. Termites like wood. They eat 24 hours a day. Just like the mind, it goes all the time, around and around. We feed on thoughts all the time. God is driving out the nations- (thoughts). God told Israel that He would not fail them and that He would drive out the nations. If you trust God with your life, He will not fail you. He will drive the nations out. You will not have to go through anymore changes when they are all driven out. That word will not even exist. There will be no need for the mind to be transformed. You will not have to go through another fire experience or another hell. You experience a dark moment in your mind when certain thoughts are still there and they creep out. They do not come out when the sun is shining. The bugs, insects and creeping things stay hidden in the daytime and come out at night. That is what happens with you and me. This is the earth (us)

and when we have night-time it is a dark moment in the mind. When you are in the daytime you are walking in faith. You are trusting God and have the peace that passes all understanding. You do not have a worry. God sometimes allows night-time to show us what is still in the mind. That is when the dark thoughts come out and also when the lion comes out of the den. You hear the serpent's voice. You hear the lion. If you are on the highway of holiness you are walking in the mind of Christ, which means you are walking in the Spirit. Your thoughts are pure. The lion cannot talk to you then. The lion is the serpent; the carnal mind. In the past have you ever been in the presence of the Lord, and experience a high? You are so happy but then something hits you and you are down. That is what happens to some of God's people. They are 'yoyo' Christians. We are not 'yo yo' Christians hardly anymore. We are on the highway of holiness. The lion is not there. He is not roaring. He can only rear with those thoughts when you get down and are reasoning and when you start leaning on your own understanding that is when you come off the highway. The highway is the narrow way. Jesus said, "There is a narrow way and few there be who can find it. There is another path, which is the broad way. It is a path of destruction." The broad path is where the carnal mind operates. It is listening to your soul and all those negative thoughts; disobeying God and doing your own thing. You are saying God is not going to tell me what to do. I am the boss of this house. That is

when you became the serpent again. When you get down there, more and more negative thoughts come in. You only stay there as long as you want to stay there.

I used to have pity parties. Have you ever had a pity party? You find that you are all alone. There is nobody there with you. You are all by yourself. No one wants to stay with a depressed person. I was depressed for 15 years. I developed a real good depressed mind because of the hells that I had experienced in my life. It took God a long time to get me out. "As a man thinketh, so he is." You create by whatever you are thinking. You either create good or you create evil with your thoughts. However you see yourself, is how you portray yourself to others. You may; have been put down as a child and told you were no good and would not amount to anything. You heard that so much that you believed it. Basically, you carry that through your life. But when God gets a hold of you that changes. He starts changing your mind and you know who you are in Him.

Deuteronomy 7:1, When the Lord thy God shall bring; you into the land, whither thou goest to possess it and hath cast out many nations before the Hittites, Gergashites, Amorites and the Canaanites, (these are all the ite brothers which are thoughts that get you in your self will) seven nations greater and mightier than thou. These nations are images that are in the mind. Sometimes they are strongholds. Some of these nations are fear, unbelief and doubt or the cares of this world. Verse 2, And when the Lord thy God shall deliver them

before thee; thou shalt smite them, and utterly destroy them. Israel didn't and that is why they did not enter into the Promised Land. Only the little ones did. They never entered into a rest.

Verse 2, and thou shalt make no covenant with them, nor show mercy unto them. God is saying that if there are any more nations in your mind that cause images, you are not to show them any mercy. You are to seek the Lord to consume those areas.

Verse 3, Neither shalt thou make marriages with them. (Marriage is a union) Sometimes we have a union with our thoughts. You can have a thought in your mind that exalts itself above God. Everybody here has, at one time or another. Have you ever had a thought in your mind that you dwell on more than anything else? You get an idea in your mind of wanting something and you will not let it go. For an example, you might want a car and you cannot let that thought go. Or you may want a boy or girl friend. You are thinking about that all the time. God will meet your needs but you have to keep your mind on Him and not give those thoughts energy. You might even get the wrong thing. We know that happens.

Verse 3, Neither shalt thou make marriages with them, thy daughters thou shalt not give unto his son, nor his daughters shalt thou take unto thy son.

Verse 4, For they will turn away thy son from following me; that they may serve other gods, so will the anger of the Lord be kindled against you, and destroy thee suddenly.

Many of God's people, spiritually die, because they do

not allow the Lord to deal with their thoughts. God turns you over to your own thoughts. That is one of the worst judgment that you can have in Christ. God will deal with an area for a long time and if you do not want Him to deal with it, He will turn you over to it, if you like it that much. The very thing that He turns you over to will eventually hurt you or destroy you. Then when you realize you do not want it anymore, you are ready for God to change you. I am just teaching you the ways of the Lord.

Verse 5, Thus shall ye deal with them, ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire. He is releasing your generations so that they will not affect you anymore. The sins of the fathers have been carried down to the third and fourth generations. That is why God is releasing them.

Verse 6, For thou art a holy people unto the Lord thy God; the Lord thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth. Now these are the promises to Israel if they obeyed the Lord.

Verse 13, And He will love them and bless them, and multiply thee; He will also bless the fruit of thy land, thy corn, and thy wine, and thy oil, the increase of the vine, and the flocks of thy sheep, in the land which He sware unto thy fathers to give thee. Meaning you will start coming forth abundantly with the fruits of Christ. You will come into a word like you have never heard before. Every time you let God change you and let Him deal

with certain areas, you will come into wisdom and understanding and more anointing.

Verse 14, Thou shalt be blessed above all people. There shall not be male or female barren among you or among your cattle.

Verse 15, The Lord shall take away from you all sickness, and will put none of these evil diseases of Egypt, which thou knowest upon thee, but will lay them upon all them that hate thee. When all those nations in us are dealt with there will be no more sickness in the body. Those who are living in this world with the cares of this world will not put the diseases on you if you allow God to drive out the nations.

Verse 21, Thou shalt not be afraid of them; for the Lord thy God is among you, a mighty great and awesome God.

Verse 22, And the Lord thy God will put out those nations before them little by little; thou mayest not consume them at once, lest the beasts of the field increase upon thee.

Verse 23, But the Lord thy God shall deliver them unto thee, and shall destroy them with a mighty destruction until they be destroyed. He will deliver kings into your hand. Meaning, every ruling thought that is in your mind.

That is why we are binding the kings. The reason the Lord is dealing with other peoples minds so much here is because of what God has dealt with in you in turn you are able to judge what is in someone else. This happens when you have allowed the Lord to judge the strongholds that are in your own mind and in your own soul. 2 Cor. 10:4, your weapons

are not carnal but mighty through God in pulling down strongholds. Every thought that comes in your mind that is totally against God's Word and the Truth - let God deal with those strongholds. Get in a readiness. When you have allowed Him to deal with those things and you have obeyed Him, be ready for Him to use you to begin to judge others that are disobedient in their own mind.

The more you let God transform your mind, the more you ascend and your light gets brighter and brighter. Every time we come together here, we have to release people. They see the light. This is the day of the Lord, the day of the Great White Throne. It is the day of God raising the dead up out of the sea and He is bringing the dead before the Great White Throne. The Great White Throne is the mind of Christ. The mind of Christ brings forth a righteous judgment. The mind of Christ is in God's sons. Isaiah 60:1 says, Arise, shine for thy light has come, and the glory of the Lord has risen up on thee.

God told us to arise a long time ago, but we could not arise because of what was in the mind. When we let God deal with what was in the mind we started ascending in the spirit. Then the nations started to see it. What were they seeing? They saw a light. These nations are people with imaginations and nations in their mind.

You know what it is to live in torment and without peace. You did not have peace until you met Jesus. He is the only one who has the peace. Without being born again and walking in the course

of this world, you are in darkness in your mind. You had no spiritual awareness whatsoever, not being conscious of God. You had soulish thoughts. Some of us had to wait many years before being awakened. When you begin to enjoy the peace of God, you get used to it. You sometimes forget what it was like when you did not have God in your life. You have enjoyed the peace of God. Think about the people who have been dead for a long time. They are in the sea because of their human thoughts. They are on the other side but no one really totally dies. The soul and spirit live on. When you die, the body is not there but the soul and spirit lives. There are souls wandering through the earth trying to find rest. Some of these spirits have wandered for 2000 years. When God's sons begin to arise, they see the light. If you had been in bondage and you were dead in the sea and tormented with your own thoughts and you saw a bright light you would want to be free.

Remember when Jesus was coming forth, the people saw a bright light. They wanted to be free and be released. Read Isaiah 60, it says, Nations will come and bring their treasures. What are the treasures? It is not all kinds of jewels, money and gold. The treasures are people; people that ruled once. The rulers are bringing the people here to be released. They are seeing the light. Isaiah 60 says that, you will be a people who will have your gates open continually and shall not shut your gates. What are your gates? Gates of praise, gates of salvation. The gates are open so they can come into Christ. God

is allowing the open manifestation to happen to those who have waited to be released for a very long time. There are many people who are in their body, who do not want to be released. The people who died in Noah's time were dead for 4000 years and were in hell in their minds. They were not somewhere in China or down in a hole in the earth. (Some are taught this by religion). They were in this earth, in the carnal mind. Read about it in 1 Peter. The prison was, their own thoughts. What did Jesus do? The first spirits that He released were those during the time of Noah. Jesus knew they were good and ready to come out of the prison of their mind. He brought a host of them out of the graves. They walked down the streets of Jerusalem with Him. Even Joseph came out of the grave. The people saw this. That must have been a sight to see. It is scriptural; it is in the Word.

Jesus is the pattern. We are to follow Jesus. He is the way, the truth and the life. If you follow Jesus you begin to find the way, you find the truth and then you enter into life. You come into resurrection when you come into life. Death and resurrection go together. When He resurrected; that is when He started to deliver the dead in a greater degree. When we started ascending and started entering into resurrection life, God started ministering to people who needed to be released who had waited thousands of years.

Something is getting ready to take place. I do not know the hour, that is God's business. We have seen it though. God is getting ready to catch you up in

Him. We are getting caught up, to meet the Lord in the air. That is exactly what is going on right now. We are being caught up in Him in the realm of the Spirit. When God puts the final touches on, there will be an ascension into that deeper realm. When that happens we will become totally one with the overcomers on the other side.

Some of you are tired of waiting. You are saying how long do I have to wait?

In Hebrews 2, All the just men made perfect - Moses, Noah, Abraham, Sarah, Daniel, David, Joseph - all those that were slaughtered or killed. All those people who walked with God and God did wonders in their lives. They are the cloud of witnesses that we are surrounded by. They could not receive the promise, for that is their full inheritance. They could not enter in to that full perfection. They are still waiting for the sons on this side. We all have to enter in together. I did see that the sons on this side and those on the other side will become one. We will be swallowed up in **the Son**. That is when the glory of the Lord fills the whole earth. I saw many many people on this side wanting to know the ways of God. Nations will be coming. God is judging nations now. China for example - why is China still totally in bondage? Why does Communism still rule? Why do they still do what their ancestors did way back in time? It is because of the nations in their mind. If you want change you have to deal with the nations in the minds of the people in order to bring about change in the country. You also have to deal

with the nations in the invisible realm. (Their ancestors who died.) Their generations on the other side still keep them locked in time. They worship the thoughts of their ancestors. When the glory of the Lord fills the whole earth, these nations will have to come into subjection to the Father and they will have to come into the feast of the Tabernacles. Those who do not come into this Feast will go back a curse. That is scriptural.

I get so excited when I start seeing the plan of God unfold for mankind and creation. Scripture says the earth will become the Lords. The kingdoms of this world will become the Lords. That is something to think about. The Father is trying to raise you up high above the nations into the mind of Christ. You will be above all imaginations and nations in the mind. It shall come to pass that, Thou shall harken diligently to the voice of the Lord. That is the key. As we continue to Obey the Lord and to harken diligently to the voice of the Lord and do all that He commands us to do, God shall set thee on high above all nations of the earth. Sometimes you pick up a vibration of some nations around you. You can pick up vibrations from the people around you. Sometimes those thoughts affect you. But as you continue to obey God, He will raise you up above all nations in other people. He will cause you to worship HIM and he will start to deliver the nations; the (generations) and the imaginations and bring them into a rest (in Christ) and then you will feel a release and have your rest in Christ once again. Those

thoughts will not affect you anymore.

God wants you to stay on the mountain of the Lord. The mountain of the Lord is the mind of God, the Kingdom of God. Isaiah 2, This Mountain is exalted above all other mountains, hills and valleys.

One time I was in the Smoky Mountains and I wanted to climb a mountain. I could not wait to get to the top of that mountain. When I did, there was an overlook viewing area there with telescopes on it. I looked through a scope and found that this mountain was higher than all the other mountains around. I heard the Lord say to me, "Look at those mountains and trees - one is a little higher than the other." Every person is on some kind of a mountain. A mountain is the state of the mind. Some are on Mount Esau, which is the carnal mind. That is where they live. They live in their soul. You can tell what mountain they are on by their conversation. Some are on Mount Religion. They have a lot of fear of God. They just let their minister or priest talk to God. They do not know that they can get a hold of God for themselves. They are still on Mount Sinai. There are lots of different mountains.

Wouldn't it be great if we all came together here in the Lord. If that happened, more nations would come because there would be more power and anointing. They would say, Come and let us go up to the mountain of the Lord. That is when God can drive out the nations in their minds so that they can worship God.

Deuteronomy. 28:2 It says, The blessings of the Lord will

overtake you when He sets you above all the nations. That is when the blessings will overtake you.

God has to shake your heavens and your earth now and then. We call it, shake and bake. God shakes you and the He puts you in the fire. Look at Haggai 2:6, For thus sayeth the Lord of hosts; yet once, it is a little while and I will shake the heavens and the earth, and the sea, and the dry land. He is shaking the heavens that are in your mind.

I was raised a Baptist and I was taught that I could get to heaven after I died. They did not teach that I could experience heaven right now. They put it off in the future. The Kingdom of God is NOW. The Kingdom of God is within you. Heaven is wherever Jesus is. If Jesus is within you, than you have heaven right now. Why do I have to wait until I die to go to heaven? What is heaven? It is righteousness, peace and joy in the Holy Spirit. As long as I am walking in the Spirit, I have peace and joy and right thinking. So therefore, I can walk in heavenly places right NOW. We are heavenly brethren.

We are living in heavenly places in Christ. It is only when you are in the mind of Christ that you are in heaven. God had to shake the doctrines that you were taught. He also started shaking your earth - thoughts in your mind. God is shaking the sons.

Haggai 2:6, Goes on to say, I will shake all nations. It means He will shake everything in you that is not like Him. All those thoughts in your mind that offends the Kingdom of God. "I will shake those nations". It goes

on –“and the desire of all nations shall come; and I will fill this house with glory”, saith the Lord of hosts.

I have had visions of that; where I have seen the Lord come right in and consume those last things in us, and the glory fill the whole house. “The silver is Mine, the gold is Mine,” sayeth the Lord of hosts. This means the body has come into full redemption. Silver is redemption. This is the redemption of the body, soul and spirit. He is saying, “the silver is Mine, the gold is Mine” because that is the nature of God. The house is filled with the nature of God. You are the house of the Lord. “The glory of the latter house shall be greater than the former; and this place will I give peace and prosperity, sayeth the Lord of hosts.”

God has dealt with a lot of nations in you already. That is why God can and does use us here, as a body, to rule the nations with a rod of iron, in various countries. You cannot go out and tell everybody this. How can God bring change in countries? He has to deal with what is in the heavens first. What is He dealing with? He is dealing with the minds. He deals with the peoples’ minds and it brings change.

He is bringing the Kingdom without them even knowing it. The Kingdom of God is without observation. You cannot see it. God is doing it a little here and a little there and He is bringing changes in different countries without them even knowing what He is doing.

Joshua was told to possess the land. In Psalms it says to God’s sons – God has given you

the nations. That is your inheritance. God is not only your inheritance but Russia is your inheritance, England, China, Brazil, the Philippines, all are your inheritance. They need change. How is the change going to come about? When the sons start using the rod. The rod represents authority. They will have more authority when God has judged the nations that are in them. Then they can judge those who are disobedient.

Revelations 2:6, This promise is only to the overcomers. He who overcomes will be victorious. If you understand the natural, you will understand the spiritual. In the natural you have people in high positions; presidents, CEO’s etc. and then there are others who have lower positions. In God there are various positions. It is God’s government. If you read Revelations 2:3, you will see that God is talking to the whole body of Christ. The seven candlesticks, the seven churches are the whole body of Christ. Seven means completeness. Jesus is talking about the whole body of Christ in both those chapters but right at the end He is talking to the overcomers, the sons of God. Those promises are not given to any of those mentioned before you come to the overcomers. Who is an overcomer? An overcomer loves change and loves to overcome what is trying to overcome them. Overcomers do not like anything in their life that controls them. Actually hates it. Anything that is in control of them is despised. They start seeking God because they want a change. They want to overcome what is overcoming them. They

over -come the world, religion and the carnal nature because they keep on submitting to Christ. They obey the Lord and continually overcome. Notice – it says – he that overcometh. It is a continual thing. Some of God’s sons get halfway and are almost there and they give up. God’s sons do fall at times. He allows you to fall because sometimes you get a big fat head and think you are better than everybody else. Samson was an overcomer, but he fell. But when he fell, he did not stay there. He wanted to find out where the strongholds were. Where were those thoughts that were making him fall?

I have to go back to Psalm 118. David was another overcomer and he fell. It was a woman who made him fall. A woman looking so good to him. He was on his rooftop. What happened to him? He got in the carnal mind. David was a ruler, a king. God caused him to rule over Israel. He was driving the nations out of Zion. We drive the nations out of Zion. That is what we do here. The nations have to be driven out of you. If you hang in there, eventually the nations will be driven out. God is going to drive them out. If you leave and give up, it is because there is something in you that does not want to be driven out. It might be a spirit or it might be an area in your soul that you do not want to change. That would be the reason that you left because you did not want to be dealt with something in you. David was doing well and doing what a king should do. He was ruling and reigning and he was supposed to go into battle to deal with more of those Philistines. Those ruling

thoughts, which were affecting Israel. He wanted to stay home and play. Have you noticed that you sometimes get the idea that you would like to take a vacation, to do your own thing? The tempter will look you right in the eye. David said, "I am tired of being king and tired of doing what God wants me to do. I am going to send those other guys out and let them go in to battle. I do not want to deal with this. I will stay home and play." He got in his carnal mind and looked out and saw the lovely woman. She was standing over there and she looked so pretty. He said, "She is mine." He looked outside of himself. He thought this woman was going to bring him happiness. He thought she would be the best thing that ever happened to him. His mind made her look better than she actually was. If he were in the mind of Christ, he would have found out that she was married. She was married to another man. He started worshiping that thought and lost sight of God. He also lost sight of his kingly position that he had in God. He totally lost sight of who he was. All he could think about was that woman. The carnal mind is tricky, very clever. It starts making plans. How am I going to get that thing? I am going to do whatever I have to do to get what I want. He went to bed that night dreaming about it and making plans as to how he could get that woman. He sent for her and she came. He found out that she was married, but that did not change a thing. That desire (thought) already had a hold on him. If he had worshiped and praised God and said, God forgive me for that thought,

because it is trying to seduce me and get me off of my goal; he would not have fallen. But God let him fall so that he would have more mercy for Israel.

You do not have to have that fall if you let God deal with that image. When you sin once, you then cover up. You hide behind the tree. Adam hid from God. He covered himself with fig leaves.

David hid also. One sin leads to another sin. Next thing you know he is lying. Then he got into murdering. He planned to get rid of the husband so that he could have her for good. I will just send him to the front line. He will be killed for sure. I will send him to the worst battle and then that will be the end for him. Then she will be mine.

When you go deeper and deeper in sin you believe your own lie. You believe that you are right and everyone else is wrong. That is a reprobate mind. God has taught me by watching how this works. I have seen this happen.

When the prophet came to him and told him, David thought he was talking about someone else. He knew he did not kill the little lamb. He talked about what God should do to the person who did that. Sin is death. It does not bring life. It brings death.

Read Psalm 51, David cried, have mercy on me. David fell out of the presence of God, out of the peace and joy of the Lord, and into hell. God knew that David had lust in his heart but David did not know that it was still there. Here he is king and he is ruling but there is still something there to be dealt with. He is saying have mercy on me o'God according to thy loving kindness. According unto the multitude of

thy tender mercies blot out my transgressions. He wanted those areas in his soul to change. Sometimes it takes a fall to make you want to change. He said in Verse 2, Wash me thoroughly from mine iniquity and cleanse me from my sin. You can almost feel his pain. You can almost feel what he was going through. He was feeling the separation from the presence of God. Verse 3, I have acknowledged my transgression and my sin is ever before me.

That is what brings about change - when you begin to acknowledge it. It is between you and the Lord and you letting Him deal with your sin. Verse 4, Against thee only, have I sinned and done this evil in thy sight; that thou might be justified when thou speakest and be clear when thou judgest. Verse 5, Behold, I was shapen in iniquity and in sin did my mother conceive. That sin was in his generations. It came from his mother's side - which his mother conceived. Verse 6, Behold thou desirest truth in the inward parts. He wants God's light and truth to go right in his mind, in those hidden places. Those secret thoughts that are deep in the mind. Go in those inward parts, Lord. He says, in the hidden parts thou shalt make me to know wisdom. Verse 7, Purge me with hyssop, and I shall be clean; wash me; and I shall be whiter than snow. Verse 8, Make me hear joy and gladness that the bones, which thou hast broken, may rejoice. Verse 9, Hide thy face from my sins, and blot out all mine iniquities. Verse 10, Create in me a clean heart, o'God; and renew a right spirit within me. Verse 11, Cast me not away from

thy presence; and take not thy Holy Spirit from me. Verse 12, Restore unto me the joy of salvation and uphold me with thy free spirit. Verse 13, Then will I teach transgressors thy ways; and sinners shall be converted unto thee. He had to experience what he did, so that he could teach other people who transgressed against God. I have compassion for him.

Look at Psalm 118, and see what he was saying about the nations. The Lord is on my side, I will not fear; what can man do unto me? The Lord taketh my part with them that help me; therefore shall I see my desire upon them that hate me. Verse 8, better to trust in the Lord than to put confidence in man. God does not want us to have confidence in any man. I do not care who it is. You can trust the Christ in Him, but not the flesh. Verse 9, It is better to trust in the Lord than to put confidence in princes. Verse 10, All nations compassed me about; but in the name of the Lord will I destroy them.

These nations, these thoughts compassing him about in his mind and he was going to destroy them through the nature of God, the love of God. Verse 11, They compassed me about, yea, they compassed me about; but in the name of the Lord I will destroy them. Verse 12, They compassed me about like bees. Bees are a lot of thoughts in the mind, a lot of noise. Have you ever had thoughts that make a lot of noise in the mind? To continue with Verse 12, They are quenched as the fire of thorns for in the name of the Lord I will destroy them. Verse 13, Thou hast thrust sore at me that I might fall, but

the Lord helped me. Verse 14, The Lord is my strength and song, and is become my salvation. Verse 5, The voice of rejoicing and salvation is in the tabernacles of the righteous. The right hand of the Lord doeth valiantly. Back to Revelations 2:26, And he that overcometh (meaning keeps on following the Lord) and keepeth My works, (not getting tired of letting God use you) unto the end to him will I give power over the nations.
