## “Getting Rid Of Weights”

By: Joyce Morris

We are understanding more of what God is talking about when it comes to His love for creation. As you begin to know who you are in Him, you begin to know who He is. God is love and He is doing wonderful things today. There is a new sound going in the earth and a new vibration. This vibration is the Kingdom of God in His people through Christ.

Thoughts vibrate and every thought is creative. It either creates the negative or the positive. Thoughts vibrate whether you say anything or not. God is doing a work in each of us, to renew our minds by the Word and the Spirit. A beautiful Word is coming out of the Spirit of God to transform our minds.

A ministry, which teaches nothing but the Truth, will undo all that you have been taught in the past. God is raising up a ministry of Truth, which can only come out of the Holy Spirit, the mind of Christ. Which will undo the traditions, concepts and ideas that you have been taught by the world. Which will even undo some things in your subconscious. God is unraveling and undoing everything in our lives that is not like Him. Some things that we believed yesterday we no longer believe today. Some

things today you may see differently next year. God is constantly opening up our minds and bringing change.

His ministry that you will hear in this day will speak a word of Truth. At times this Truth will be hard on your minds and flesh and past teachings. God says, **let go and let God** be who He is in you. Let the Spirit of Truth come and listen to what He says and do not ignore Him. Don't push it out of your mind but think about it and God will bring that Truth back to your mind to deal with an area in your life.

His Truth brings liberty and freedom to God's people. Our old ideals have kept us from having liberty and freedom in our thoughts in the way we believe, the way we look at things, and the way we think. *“As a man thinketh, so he is.”* If you think that you will be lonely or that nobody loves you, you actually can bring that about. We create our own world. As we get in to the Word today you will see that you created some of your circumstances and problems. Everything out there in the world is a mirror of what is in you. The mind is always creating, either the negative or positive. God wants you to treat your mind like a garden. In the natural, you pull

out the weeds in your garden so they won't overtake the seed.

God wants us to observe different thoughts in the mind that are not like Him. He wants us to bring those thoughts into captivity. *2 Cor 10:4&5, Verse 4 (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)* *Verse 5, Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;* It takes the negative to push us into God where we are sick and tired of the way our life has been. God wants us to be happy. It is a new day with a new song. If you hear and understand what God is saying today; you are going to have an awakening in your thinking. A new day will dawn in your mind. God is bringing us to the end of our world into a new world. When you stop identifying with all the beliefs that you have had since childhood, all the things in our subconscious, and let God root out and unravel by His Word and Spirit, you will surely have a new day. We rejoice in the Word that He is giving us today.

God is a God of restoration. Everybody is subject to change. If they do not change in this

lifetime, they will change on the other side. God can work in the invisible as well as the visible. Everything is going to go back into God. God is not going to take anything less than Himself. That means that everything has to change. When God is finished, there will be no death, no corruption, or sin because everything came out of Him and everything is going through Him and everything is going back into Him. Col 1:16, For by him were all things created, in the heavens and on the earth, things visible and things invisible, whether thrones or dominions or principalities or powers; all things have been created through him, and for him. It is from generation to generation, like a universal circle. Everything goes back to where it came from. When you came out of God, you were spirit. You had no weights. God is spirit and God is weightless. The fire is what gets rid of the weights.

God has been speaking to us about a **new song** and the **eternal realm**, which is weightless. We have been trying to get into the eternal realm bringing all of our baggage with us. You are a bag. It is what is in you (the bag) that cause you to be earthbound. God has not called you to be earth bound like chickens. Chickens are always feeding off the ground. God has called you to be like an eagle, to rise up into the heavens and reign with Him in the Spirit. We try to come that way with lots of baggage. The baggage is in the mind. It takes God's fire to lighten and loosen the baggage and the weights that easily besets us. Hebrews 12:1, Looking unto Jesus the author and finisher of our faith; who for the joy that was set

before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.

Daniel 3:19, When Shadrach, Meshach and Abednego went into the fiery furnace; they had their own garments on. They had their clothes and turbans, which represented their own minds, their own way of thinking and their own righteousness. They were bound. Daniel 3:19, "Then was Nebuchadnezzar full of fury, and the form of his visage was changed against Shadrach, Meshach, and Abednego: therefore he spake, and commanded that they should heat the furnace one seven times more than it was wont to be heated". This is what God is doing. He is going to bring everything that keeps you weighted down, out in the open so that you can take a good look at it and let Him deal with it to set you free. Mark 4:22, For there is nothing hid, which shall not be manifested; neither was any thing kept secret, but that it should come abroad.

The man looked in and said, "they were loose". The fire is to free you from weights that keep you earthbound. There are a people who have ascended up higher in God by going through the fire.

To come up higher in God means, to enter into resurrection life, by death to the soul. Resurrection life is for the spirit, soul and body. It is already here and is causing our consciousness to be raised up into the realm of the Spirit. When we walk in the mind of Christ, we prosper in our soul, and body. God is going to have a people whose spirit, soul and body is full of the resurrection life. The resurrection life swallows up death. God has

to root out and destroy everything that is not like Him because He is our restorer. He is restoring us beyond the Garden of Eden, to what we were before the foundation of the earth. **Job 2:1, "Again there was a day when the sons of God came to present themselves before the LORD" 1John 3:1, Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God:** God is love. He puts us in certain situations to destroy, to tear down and then to build up. The only thing that God is going to build up is Himself. He is building Himself up in us. In **Hebrews 12:1**, the word says, "let us lay aside every weight and the sin which doth so easily beset us." The things that beset you are in your mind. The thoughts in your mind beset you. Notice it says, "every weight". There is more than one weight. I am glad God is building the house and loving enough to take His time with us. He shows us the truth so that we will finally get a good look at ourselves. Take David as an example. Look at **Psalms 51:6, Behold, thou desirest truth in the inward parts: and in the hidden [part] thou shalt make me to know wisdom.**

For too long we have blamed everybody else for our problems. God wants us to see where we need to change. If we do, He can show us what is in us that is bringing or drawing these problems to us.

The Lord reminded me of the space shuttle. In order for the space shuttle to get beyond the law of gravity, it must first be tested, proved and tried in every area, because there can be no flaws for it to have a successful trip or mission. This is what the

Father has been doing to us. Not everyone gets on a space shuttle. There are a lot of people standing by and watching the ship go up out and beyond sight where there are no limitations. People really don't want to go out into something that is beyond them. People with new ideas have been willing to go beyond what we are familiar with, have been laughed at.

There are some people who are willing to lay their lives down. Those who get in the space shuttle have to leave their families and give their all to going into space. The Lord has chosen His sons and those who answer the call are more committed and are willing to be proved, tried and tested. Astronauts have to go through rigorous training before they are ready to be sent out on a mission the same goes for us. We have gone from realm to realm, but God is saying, "There is an eternal realm I want you to come into. It is My resurrection life." The eternal realm is that **new song** and that **new song** is joy. God's joy is forever more. God's love and peace is eternal. What keeps you going in and out are the weights. You come into the realm of the Spirit and you are experiencing God's presence and His love and joy. Then something happens and you come out of it. It is the thoughts that bring you out of the spirit.

In order to get the space shuttle to take off it takes the fire. This is why the Father allows the fire to come. Rejoice when storms come. Rejoice because that is what is burning the weights that have been holding you down. The more the fire is turned up

under the space shuttle, the quicker it goes up and out into orbit. The higher it gets the more weights fall off and eventually all the weights fall off. Then it is just that small particle that goes out. After all the weight is off, it enters into a place (realm) where there is no law of gravity. We've seen how the astronauts get out and float around the spacecraft. They are weightless. They would float away if they were not tied to the spacecraft. They would float in space for eternity to eternity.

We always want to be tied to something for security. Fear is what holds us back but the Lord is burning that up. Notice how they become weightless? When the Father is finished with us, we will be weightless too and we will no more come out of the Spirit. You will stay in the realm of eternal life, which is resurrection life, and never come out of the presence of God again. *Rev 3:12 Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name.* We are weightless and there is nothing holding us earthbound. There is not a negative thought in our mind. We will walk in creative thoughts of life and make decrees out of Zion. We are going from strength to strength. *Psalm 84:7, They go from strength to strength, every one of them in Zion appeareth before God.* We live and have our being in Him. Jesus said, "*I am the resurrection and the life.*" He was not earth bound. He was in the wilderness for forty days and

nights being tried, proven and tested. The weights were thoughts that were in His mind. He overcame without sin the thoughts. He came out of it by the word with great power, great anointing and resurrection with authority in God. Everyone around Him was still earth bound and death surrounded Him because of all the negative thoughts in them.

We are coming into a place in God where we are in the world, but not of it. The Father wants us to understand that. The world around us is negative. Gross darkness, fear and death have covered many people's minds. God is delivering us out of that. God wants His fire to have its way in our lives. If you avoid the fire and don't let it work, He will allow storms to come your way because He loves you and wants to perfect you.

*Acts 27:31*, When Paul was in the ship he warned the others of what would happen. The storm came and they wanted to secure the ship. Paul said, "*Except these abide in the ship ye cannot be saved.*" *Acts 27:31*. The ship represents the world, traditions and doctrines that we try to hang on to. It will be destroyed. The only thing that will be saved and remain is the Christ which is you. God allowed the storm to come. When it came they tried to secure the ship. This is what we do when a storm comes. We try to secure ourselves in the situation and not want to take a good look at what is still in us. The storm comes to reveal what is in you, not what is in your husband, wife, children, friends or those in your life.

The men tried to secure the ship, but the storm came and things got worse. Every time you try to secure yourself, I guarantee you the storm will return again. This time, when the storm came they were willing to throw the weights out and eventually there was no ship but only them. That is what God is doing today. There will only be God and the Lamb.

We may not like what the Spirit is saying to us. A Word might come through another person, and you think to yourself, "They don't know what they are talking about. How dare they say that to me. They just don't understand." If we take a good look and really listen, God will reveal to us the Truth of what is going on.

I want to get more into the subject of weights. The weights are thoughts. Your mind is like a storehouse. God is going to bring out into the open, everything that has been hidden. Mark 4:22, For there is nothings hidden which shall not be manifested, neither was anything kept secret, but that it should come abroad." To explain that: any thought in your mind that is hidden in the subconscious will be manifested. Your thoughts create whether you speak it or not. Sometimes we create our own circumstances. We have for too long, blamed others for what is going on in our lives. I am not saying that they were right in what they have done. The reason that situations re-occur is because of what you are creating in your mind. Whatever you are thinking, you bring it to yourself one way or another.

I learned one thing this week and it is that if you have the same problem or circumstance

happening over and over again in your life, you haven't learned the lesson. You have never asked God to show you what is in you that is attracting that to you. We want our loved ones to change and think that if they would change, our life would change. Actually, the change has to take place in you. Your thoughts are so creative. God wants the gardener to pluck out the weeds. Catch your thoughts, or they will creep into your mind before you even know it. A weed in a garden comes up before you know it. The negative thoughts are just like weeds in a garden. God wants you to take that negative thought and replace it with a positive thought. See Philippians 4:8 Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Think of your thoughts as planting tender roses. Plant thoughts that blossom and create life. If you think you will never prosper, you won't. If you think you will never have any money, you won't. If the same old things are happening over and over again it is, because it is in your mind and you are drawing it to yourself. You make it happen yet you wonder why so and so keeps coming against you. When we begin to take responsibility for what is happening we will see a change.

Some things happened to me this week that have changed my life. The Truth will change you. I am really excited about what the father is doing because

this week Christ got rid of weights that were there since I was 5 years old. I thought I had gotten rid of them but God helped me to take a good look at myself so that He could reveal what was there.

I have asked God for years - why am I constantly a victim? People continually run over me. I couldn't figure it out although I had prayed about it. The weights that were there; the blocks that were keeping me from seeing the truth. I learned that if the same thing keeps happening, it is because you have not let Him deal with what is in you. There is apparently something that is attracting it to you.

My problem began when I was little. It really was not my fault, God was there when I became a victim at the age of 5. Everything that we go through is a learning process. We made a choice as to what path we would be on to identify with creation. God, in the beginning, before the foundation of the earth, gave us the purpose and the salvation and the grace. 2Tim 1:9, Who hath saved us, and called us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began,

Christ Jesus before the world began. We already knew what the purpose was. He chose our parents. Many of our problems started in childhood. It is how we were raised. It started with concepts and ideas that were put in our minds.

I believe with all my heart what the scripture says in Mark 4:22 "For there is nothing hidden which shall not be manifested, neither was anything kept secret, but

that it should come abroad." When God brings that negative to light, His truth consumes it to set you free and deliver you from the weights that have kept you from moving on in Him. The weights that I had were fear and anger.

You tend to treat your kids the way your parents treated you. When we were little our father would not allow us to express ourselves. If we expressed any anger or emotions at all, we got a terrible spanking. I was very afraid and felt that if I did express my emotions I would get hurt. My mother and father didn't know any better because this was the way they were brought up. Fear kept me from letting my emotions out. I kept everything in. It is all right to get angry but we tend to hold it all inside. There is a balance. God does have an anger that is holy and righteous. It is not anger that is in the flesh but is an anger that is in the Spirit. That brings correction in love.

Many times we do not speak up in love when something happens. We hold in the anger for fear of what might happen if we react. This was my problem and it was due to the concept that I had been taught by my parents, from the time I was little. The fear drew people to me who took advantage of me. What was in me drew them. My thoughts of fear in me were creating the situations again. We tend to blame others, even though they are wrong for what they are doing to us. Our thoughts are to blame, so we won't have to change ourselves. When God deals with these thoughts there is nothing there to draw the people who use you. They go and trouble somebody

else. If you don't deal with the things that keep happening, they will repeat itself over and over again. God wants to get your attention to show you the thoughts there that cause a blockage and keeps you from coming into His abundant life. There is a balance in all of this. This is why you must be lead by Christ. We are to allow Him to point out the area that He wants to change to bring us in all of His Glory.

There will be times that people who will hate you and persecute you and say all manner of evil against you falsely for His namesake. Our reaction is to rejoice and be exceedingly glad, for great is your reward. Matt 5:11-12, Blessed are ye, when men shall revile you, and persecute you and shall say all manner of evil against you falsely, for my sake. 12 Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you. This has nothing to do with you having to change. Jesus said, that the world hated Him and the world will hate you also.

I am glad that He is setting us free. I thank the Lord that He has delivered us so that we can stand and not be filled with fear. I am a new person, a new creation in Christ Jesus. Old things are passing away. The thought was deep seated, and brought about the same situations and circumstances year after year. I have to say that as long as you blame others, nothing will ever change.

There may be a person who is aggravating you when you're around them. You feel that they have the problem and should

change. When you get rid of what is in you, they will not bother you anymore. We want others to get rid of their baggage, but God is saying, "Get rid of your baggage." Matt 7:3, And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye?

Don't be like Judas. He represents every man and every woman who walks in the sense realm, (the carnal mind) and never deals with it. He betrayed Jesus Christ. When we don't let the Lord deal with things in us, we betray Him too. We don't let Him have his rightful place in us to manifest Himself. God's whole purpose is to express Himself through us. He expressed Himself through His first son. He is still manifesting Himself in degrees in you but He wants to manifest all that He is through us. We have had thoughts in our mind that have kept Him from flowing through us like a river. We have had many blocks that clogged the flow of the Spirit. God has got to bring these thoughts to the surface. To get your attention He has to bombard you with different circumstances. I was bombarded with every type of circumstance that you could imagine this past month. They came from every angle. God has done this to me many times. When He does, I know that I'm in the fire. Sometimes you just cannot see the problem and you yourself need someone to get in the Spirit with you to help you see what it is. It usually is not what you thought. We all believe in forgiveness because that is what the Word teaches. I am seeing that you can forgive but not forget. If we do remember

wrongs and the memory keeps cropping up, then we know there is still something in us to be dealt with.

Express yourself without yelling and screaming and give your opinions in a calm manner. I have been unable to give my opinions or express myself in a one on one situation. You have to learn to deal with the problem as soon as it arises. Our tendency is to avoid conflict or confrontation so we put it off. It will not go away. It will happen over and over again until you learn to deal with it. We need to say all right God, I am ready to take a good look at myself and allow the Holy Spirit to show what keeps causing this to happen in my life. When I was willing to do that, God was faithful. He has His own timing and His timing is perfect.

This is the time that He is bringing forth truth as never before; and bringing hidden things, out in the open and into the light.

If you constantly think - "I am lonely", then you will be lonely. Have you ever noticed that if you are feeling sick, the more you talk about it, the worse you feel? Also if you are tired and keep saying it, you get worse. God wants us to take the negative and replace it with a positive thought because, "as a man thinketh, so he is." It is what we are thinking that is being created. That is a beautiful truth. If you do not deal with the issue as it arises, you are not allowing the vibrations in the mind to go out, instead they go in.

God revealed to me that the anger and fear in me, from not speaking up, affected different parts of my body, which came

from vibrations over a period of years. Fear kept me from expressing my emotions. The vibrations went inward instead of outward and caused problems in my body.

I thank God that He is driving out the nations, (imagination) by His Word and His Spirit. He is driving out all the thoughts that are not like Him, and all the images and illusions we have had. He is bringing about a **new world**, a whole **new day**. This is a happy day and He will have a people who are happy. If you continue to murmur and complain your situations will not change. You just add to it and make it worse.

Remember, Job said, "The thing that I feared the most, came upon me. **Job 3:25**

I had fear all my life. I didn't know it was such a stronghold all through my life. It takes the Christ to bring that into the light and swallow it up and to bring change in you. As you are changed your whole world around you changes. You will walk in victory. You will walk in a positive state of mind, which is the mind of Christ. When that happens you will have nothing but positive vibrations. God is so loving, gentle and kind that He is breaking all the images down. He is breaking down all the walls and thoughts that have kept us in bondage. This didn't happen to Jesus overnight either. From the time He was 12 until He was 30 there was a period of 18 years. Eighteen means bondage. He had to come into maturity. He was tried, tempted and tested in every area yet He was without sin. He experienced everything that we do. After He had passed all the

tests, God used Him in a mighty way. The Father is doing this in our lives. He is dealing with things that crop up in our minds. We didn't realize that our thoughts were that harmful. The Lord wants us to be able to recognize when something happens to you, in the sense realm and when your thinking is off course. Phil 3:15 Let us therefore, as many as be perfect, be thus minded: and if in any thing ye be otherwise minded, God shall reveal even this unto you

At bedtime, ask the Father if during the day, there was something that you did or said that was not pleasing to Him. Also Ask Him what is still there that draws the negative to you? He will be willing to reveal it to you because He is a wonderful Lord.

Judas wasn't willing to take a good look. Remember Mary who used the special ointment and poured it on the feet of Jesus. John 12:3, The Word says, "The whole house was filled with the fragrance of the ointment." It was her own house. She was the house being referred to. When we pour ourselves out to the Lord, and we pour the costly ointment that is in us, out to Him. He is able to deal with everything in our lives. He will uncover everything so that you can see. "The Truth to make you free." As you pray, ask the Lord to show you. He will do the revealing, you don't have to make it happen. He will show you what is there, and it will be in His time. Mary was willing but Judas was not. He held the bag. He was selfish and a thief. He was angry. He was very angry, he said, "Why did you not use it on the poor?" He

really wanted it for himself. We have been like him many times. It is our senses, our carnality, and our self-centeredness. In spite of Judas's ways, God used him. He was that instrument that God used in Jesus' life to bring Him to the cross. He actually represents every individual that does not let God deal with his weights. **Judas carried the bag.**

Here are some scriptures. Micah 6:11 "Shall I count them pure with the wicked balances and with the bag of deceitful weights?" The weights are a thought. We deceive ourselves and it keeps us from coming into what God has for us. Job 14:17, "My transgression is sealed up in a bag." The Lord reminded me of David. 1Sam 17:40, He had a different bag. It was a shepherd's bag. This is the bag that God is changing you into. 1Sam 17:39, He tried on Saul's armor first, he couldn't use it. Notice what David put in the bag. He only put in "five smooth stones." The stones were in a brook and they were smooth. The Word says, 1Peter 2:5, "You are living stones." These stones were smooth from lying in the brook. As you yield to the Word, the Spirit of God removes all blemishes and weights that keep us from coming into His nature. David took those five stones, which is God's grace and goodness and put them into the Shepherd's bag. It takes God's grace and goodness to change us. That is what God is doing today. God has a bag, and He is not going to put anything into it other than Himself. This is why He is working on us and changing us. We are laying in the brook which is the Word and the Spirit, to purge us, test us, and try

us in order to clean us up because we are getting washed by His Spirit and Word. Eph 5:27 That He might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish.

When David threw that stone, he was saying to the Philistines, 1Sam 17:45, "you have come with a sword." Many people will not let this Word deal with their lives. They come with their ideas and concepts and the sword of the letter. They try to kill you. David stood up and said, "I come to you in the name of the Lord", which meant, in the nature of God. It was the nature of God and it was one stone. One stone represents unity. You are one in God when you are walking in the Spirit. Jesus Christ died on the cross and made it possible for every man to be one with Him through the atonement. The word Atonement is defined as **oneness**. He atoned all sin that we might become totally one with God. We are not one with Him all the time because of our thoughts. "How can two walk together unless they agree?" It is a thought that keeps us from agreeing with the Word and the Spirit. God is weeding out all things that keep us from that oneness. Oneness in Him is the eternal realm. It is God, the nature of God. He is doing a quick work in this hour. This year you are going to see Him move more quickly than before. You will see Him bringing forth a Word, proceeding from the mouth of God, and it will change His people.

We have sat under ministries and words but now the move is on. God is moving and He is speaking. The word that He is

speaking comes out of His mind and not man's. It is a Word coming from His very Throne to bring a change in us. It will cause us to take a good look at ourselves and let Him have His way. This is a wonderful time in the Lord.

The Lord created everyone to fly. He desires everyone to fly but not all will. Jesus Christ went to the cross and He came to die for the whole world. He is not going to lose anyone.

What does it mean to fly? It means to go within and move by His Spirit. Those in the invisible realm, who do not fly, will some day wake up. 1Cor 15:23, But every man in his own order: Christ the firstfruits; afterward they that are Christ's at his coming. Time doesn't matter for they will wake up because they will surrender to Christ. Phil 2:10 & 11, That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; Verse 11, And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father. It takes God to awaken them. He does that in both the visible and the invisible realm. God's consuming fire is on this side as well as that side. God is a consuming fire. Psalms 139:8, David said, "If I make my bed in hell, behold, thou art there." Some have to wait thousands of years before they can come into His resurrection and life. The lake of fire is the second death on the other side. I would rather learn what God is teaching now and allow the changes that He wants to make in our lives. Rev 20:14 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and

idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

**Heb 11:40**, “God having provided some better thing for us, that they without us should not be made perfect.” **Heb 12:1**, “Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin, which doth so easily beset us, and let us run with patience the race that is set before us.” The cloud of witnesses are saying, “hurry and be perfected because we cannot be made perfect until you have been perfected.” This is truly a great time in the Lord. Jesus Christ has raised us up that we might all sit in heavenly places with Him. In the natural, most everyone has had an opportunity to fly in a plane. They go above the clouds. Some get in jets and go even higher. Some even go beyond the law of gravity in a space shuttle, which is like the third heaven; that is beyond in the eternal realm. God has made it possible for everyone to fly (spiritually) and in the end everyone will. We will all fly together in the heights of God as we allow Him to deal with the weights.

One time we went out to the country and saw some large hot air balloons of every color in the sky. They were glorious. Each one was different. I'm glad God has made us unique and different. We all have our own personalities. In order for each one of those balloons to go up, a fire had to be set underneath the balloon. In order to go higher they would throw off weights, one after another. This is the time the Lord is going to deal with the

weights and finish the good work that He started in us. He is the author; He wrote the script. Aren't you glad He wrote it? He is the author and finisher of your faith.

**Iscariot** means, a man of **hostile encounters** and **carnal thoughts** of the **senses**. Judas was not willing to be dealt with. If you allow the weights to be dealt with eventually your thoughts will be nothing but thoughts that are **lovely, pure** and **just**. When you allow the Lord to deal with those things in you, you will not have a bad thought toward those who offended or have hurt you. You will not blame them anymore because you have forgiven them. God will use your loved ones; He will use your mate or someone near you. If people repeatedly do this to you, it is because you are drawing that behavior to yourself. As you take the responsibility you will be free from the problem and be released.

The Lord is not trying to put a guilt trip on you. Guilt will cause you to suffer and think you need to suffer. Guilt can be in your memories from something that happened to you when you were much younger. It may have been a tragedy or you didn't know the Lord at that time. If that guilt is in your subconscious, you are drawing suffering and pain into your life. As long as fear, resentment and bitterness is there you continue to draw all these things to happen to you. Are you not tired of it? The Lord is bringing us into a **new day** where we can have a **happy life** and that **new life** that He talked about is the New World.

You need to ask the Lord what thought is in you that might have happened to you; perhaps when you were a little child. God does not want you to blame yourself but He wants you to stop blaming others. It may go way back in your childhood. When you are willing for the Holy Spirit to bring it out into the open and be brought into the light; He will swallow it up and consume it.

The many hidden things in us develop many patterns in the mind. Your beliefs, concepts and thoughts have been patterned over a period of years. When the light comes and consumes and reveals the Truth, you will be tested in different ways so that you will grow stronger in the Truth. Then you will break the patterns. You will sing a new song. You will also be the new song, which is a song of love, joy and peace and living in that eternal realm. The cross and the resurrection go together. In order to enter the eternal realm everything has to be crucified. The carnal man has already been crucified on the cross. He is just pulling out weeds, which have been there for a long time. The weeds are concepts and ideas that are there and we learned them from our parents and the world. If your parents had a lot of fears they passed them on to you. Your fears may affect your children. All that has to be undone. Those are the weights. The Lord is dealing with the weights that have been passed down from generation to generation.

It is time to bring all our little children into subjection to Christ, so we will come into full maturity. **1Tim 3:4**, One that ruleth

well his own house, having his children in subjection with all gravity;

The Lord revealed that many of God's sons want revelation and knowledge, but they don't want to grow up. It is time now to operate in what you know and understand Christ. To take our responsibility as Kings and Priests and rule and reign with Him now. As long as you put everything off to the future you don't have to take that position in Him now with the responsibility He has given us through Him. Prov 29:2, When the righteous are in authority the people rejoice, but when the wicked beareth rule the people mourn.

Here is an example, which has taken place. The Lord brought a woman to us that had been from church to church looking for help. To no avail she could find none. They kept telling her to repent and quoted many scriptures. No matter what she tried, this strong anger kept returning that she hated God. She said that she didn't hate God and couldn't understand where all the anger was coming from.

The Lord ministered to her and revealed some of the anger came from an area when she was little. We waited on the Lord to consume it. He spoke and said you did not lay the axe to the root of the anger. At that time we did not understand what He was saying. We waited for His answer. He spoke again saying the sins of the fathers are carried down unto the third and to the fourth generations. Exodus 34:7, Keeping mercy for thousands, forgiving iniquity and transgression and sin, and that will by no means clear the guilty; visiting the

iniquity of the fathers upon the children, and upon the children's children, unto the third and to the fourth generations.

At that moment God revealed an old man shaking his fist at God saying I hate you God. Another vision, of a woman burning up in a fire. We sat there quietly asking the Lord what does all this mean? He explained that the old man was her grandfather that went to his grave hating Him because his fiancé was burned up in a fire. He blamed God for her death. The Lord ministered to the grandfather and he released him. We shared this with the lady that God was ministering to and she said it was all true about her grandfather. She had such joy after the Lord released her grandfather and herself.

Jesus has the keys to death and hell. Rev 1:18, I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.

Jesus Christ is the same yesterday today and forever. He preached to all the Spirits that was in prison (In their own mind) in Noah's time. 1Peter 3:19-20, By which also he went and preached unto the spirits in prison; 20 Which sometime were disobedient, when once the longsuffering of God waited in the days of Noah, while the ark was a preparing, wherein few, that is, eight souls were saved by water.

Also in Rev 22:1, A pure river of life clear as a crystal proceeding out of the throne of God and of the Lamb goes to the trees on both sides.

This is the visible and the invisible. Christ is the mediator, the bridge for them to cross over into the light. The woman's grandfather's release was her release. She never experienced

those thoughts in her mind again. Ministers are like some doctors; they treat the symptoms, but never get to the cause. Then it keeps on returning again. I thank God He is laying the axe to the root of the trees, for He is that consuming fire bringing a release for His creation. **To God Be The Glory**
