## “One Language - Image”

*By: Joyce Morris*

*Date: 04/19/09*

Rejoice in what the Lord is doing in each of your lives. I truly believe that the word is going to bring about another transformation. The word that God has been giving us in the past several months has been vitally important. I don't know if you have noticed the pattern of what he has been doing, but it really has been helping each one of us to understand what He is saying in this hour. We rejoice in the Lord's kindness in giving us a word that will sustain us no matter what happens.

I hope that you are staying in more of the rest. He has been teaching you, that you are His presence, and you know He wants you to be His presence wherever you go. The only way you can be His presence is to stay in that rest.

We ministered a word called “The Image of the Golden Mice” and “The Image of the Golden Tumors”. It is very important for you to understand that message. So many people today worship the moon. Israel worshipped the moon. The moon represents negativity. When I started thinking about the images, and what they had created, and the reason why there were golden mice and golden tumors, I realized what they were

producing. They were producing creeping thoughts which were negative thoughts. There were tumors in the reproductive areas where they were supposed to be reproducing the Christ. They were supposed to manifest the Christ. God has been giving us a word to go along with the teaching on the *golden mice and golden tumors*. I have been thinking about imaginations and illusions and images in the mind. I knew that at some point the Lord was going to have me minister more on it, and I want to talk more about that today.

The Father wants you to have a good understanding as to what image and imagination mean in the Hebrew concordance and the Webster dictionary. We are always having images in our minds. Some of us still have negative thoughts. These thoughts are nothing but images in the mind. This is what the Lord wants to talk about. If we can have negative thoughts and images in our mind, then we can just as well have positive thoughts and images in our mind. First and foremost you have to come to the realization as to who you are in the Kingdom of God. If you do not have the understanding as to who you are, you will go back to those

negative thoughts. The Lord has been showing me how sometimes I go back into the negative, but I am staying in the rest in Him more than I ever have in my life. God is working on the mind right now.

Now you know that Jesus Christ is the same yesterday today and forever. Jesus is the same and never changes. He is always the same. So I started thinking about this and that we are being conformed to the likeness or image of the Lord Jesus Christ, **Romans 8:29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren.** And how come He remained the same? He never changes. He is always the same. He is always positive, never negative and never defeated. He is always walking in the Spirit. He is the word; the living bread. He is the bread of life. So He remained the same no matter what was going on around Him. He remained the same in spite of negative around Him. He was surrounded by people who were persecuting Him and people who hated Him. The religious people despised him. He remained the same no matter what. Even when

Lazarus died, He remained the same. It was because He knew who He was and He always identified with the word. He is the word, and we are being conformed to His likeness. That means we are becoming the word. **Heb. 13:8 Jesus Christ the same yesterday, and today, and forever.**

What I want you to get a hold of is that you are to identify with who you are in Christ, and realize what God is doing. I taught you before that we have been body, soul and spirit in that order. He is bringing you back to spirit where you understand that you are spirit then soul and body. Jesus understood that His body was not who He was and that He was in the world but not of the world. He understood that His citizenship was in that heavenly state in His mind and He walked in that heavenly state in His mind all the time. We do not see anything written about the eighteen years that God worked on Him, from the age of twelve to the age of thirty. At age twelve He had the realization of who He was and what He was here for, and that was to do the will of the Father. He remains the same and will always be the same. He is not moved and He is creating a people in His likeness and His image who will not be moved. We identify with the body too much! Hello!

We identify with feelings too much. and the senses are what distracts you and gets you off track. The Father has given you your five senses, but He wants you to control them. He wants His Spirit and His word to cover the senses and to rule over them. The senses are not to rule over

you. He wants His word and His Spirit to over shadow your mind all the time, and as you allow this He can operate out of you. None of us are there yet. I am not even there yet. But I am so glad to see that God wants us to begin to get a hold of the image, and that image is His word. The word of God is an image. It is a thing. I taught you this before. It is a thing and it comes out of the Spirit of the Lord. It is a living word. It is alive! It is alive! It is so powerful.

I am excited and I want to get you fired up today! Now you keep pulling it out of me and we are all going to get fired up. I saw something in the word and I got so excited. Oh man, if we can really get a hold of this and become this, Lord have mercy! I got to thinking more and more about images and how I need to get the right image in my mind.

Do you know that you can have the wrong image in your mind, and not even know it? That is why the Lord says to examine yourselves, **II Cor. 13:5**. The Bible says to examine yourselves to see if you be in the faith, because the word is faith, and sometimes we need to examine ourselves to see if we are in that state of faith; walking in the realm of the spirit, and having it all together. It is all intertwined with the word and the spirit. The word image is a reproduction of the form of someone, or a sculpture; likeness; a form duplicated. God is duplicating Himself in you and me. I really do believe that when we begin to change the image in our mind, of the way we are thinking, and where our thoughts are negative, and begin to line up with the word of God, something

has to happen on the outside. Come on; hear what I am saying! Something has to happen on the outside of us when we start changing the image and the thoughts and the thinking that we have on the inside. Something has to take place. Oh, I can't wait! I can't wait! I can't wait! Now back to the definition of image. *It says to form a mental picture, negative or positive.* Now the Hebrew word for imagination means, a form of conception; conceiving. Many times we conceive the wrong image and sometimes a person can give you an image on the outside of you, and you believe that image, and it becomes real and true in your life. To give you an example, an individual told me that a person went to the doctor and was told that he needed a blood test done because he had aids. He went home and committed suicide and when the test came in it showed that he did not have aids. This is a true story. I want you to get a hold of this. He went home and committed suicide, because of that seed that came out of that person's mouth which created an image in his mind, and he believed it. So he killed himself over a lie; an image that he created from someone else's words.

He took it and believed it. People are going crazy in the world today. They are angry and are doing all kinds of bazaar things, because of the imaginations and illusions in the mind, because they don't have the word of God. They don't have God's word to sustain them. The only thing that is going to sustain you and me is His word. It is the word of the Lord that will keep

you, because you have every kind of image all around you.

Why do you think that such evil is going on all around in the world? It is because there are images being portrayed all the time. Why do you think there is continuous buying and selling? It is because of advertisement. It creates images in the mind. They know that you will come and buy. Come on, hear what I am saying! Television advertisements are creating images in the mind. OH LORD! Back to the Webster dictionary: conception. So I am to conceive the word of God. Let's go to **II Cor. 4:3-4** it reads, **but if our gospel be hidden, it is hidden to them that are lost. Why is it hidden?** It is hidden because God is trying to get some people to be the living word. **V. 4** says; **in whom the God of this age has blinded the minds of them who believe not.** When you do not believe the word of the Lord, and you do not believe what God has told you, it is the god of this world that has caused you to not believe, and it is a lie; it is deception. I WANT YOU TO GET THIS! It goes on down and says; **lest the light of this glorious gospel of Christ ...** So the word is the light. You are the light of this world, and so how can you be the light of the world if the light is hidden underneath all these negative thoughts? It can't be! We have to replace negative thoughts with God's word.

I will use myself as an example. I had abscessed teeth that affected my whole body. There were times that I couldn't even stand up, and others had to help me. After baptizing many of you, you had to help me up the

stairs. I had dizzy spells and I was really going through it. God told me that my body could not dictate to me. He said you have got to let me stand up inside of you and just keep on going. COME ON HEAR WHAT I AM SAYING! Doctors were saying that there is no way you can make it. You can't make it. Not with so many teeth poisoning your body. BUT GUESS WHAT? God said you will make it! He spoke to me and said, "You will live and you will share and declare the works of the Lord" I held on to that scripture and kept speaking to my body and I am still speaking to it when I need to come against a physical problem. I noticed a guy at the gym. He was going very fast on the treadmill. I looked at him and saw the image of what he was doing. That image came in my mind and I said, "I will be doing that. I will be doing that. I know I will be doing that. I know I am going to be doing that." And guess what? I get up there now and I go very fast! People look at me and say, "How do you do that? I do it because of Christ. I do it because of my Lord and Savior. There was an image that God created in my mind and I really began to believe the word of the Lord. You have to believe what God says no matter what is out there telling you the opposite. You have to see it in your mind. Whatever your need is, you need to get in the word. If you need a job or if you need healing; whatever your need, you need to get in the word and ask the Lord to speak to you from His word and you need to plant it in your mind. You need to picture it in your mind and when the enemy

comes with negative thoughts, be ready with the word.

The enemy works in the feeling realm and in the sense realm. HEAR WHAT I AM SAYING! You may hear; "you are not going to get a job" or "look what happened to you" or "they did not call you back." But don't listen to that. God allows it and is testing you. He is saying, "When are they going to believe me? When are they going to trust me?" Let's go back to **II Cor. 4:4** **In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.** This really jumped out at me.....**who believes not lest the light of the glorious gospel of Christ who is the image of God.** That living word is the image of God. That is why He didn't move. That living word is the nature of God. Yes it takes the fire to get you there and let me tell you, sometimes God does what He does here to break things off. But if you are not becoming the word you are not going to be able to stand. HEAR WHAT I AM SAYING! We have to become it. You need not only to have the right picture in your mind, but you also have to have the right image in your mind. The right image replaces the wrong image with the word of God. With God's word you will be able to see the right image in your mind. I JUST GET SO EXCITED!

When I saw this guy on the treadmill at the gym, I said within myself, okay Lord, I know there are times that you are telling me that I need to speak the word and share out loud, and

then there are times when you go within to minister to people we see and meet. He said yes! I want to show you something. The woman with the issue of blood, Joyce! One thing that she did was talk to herself. **Matt 9:20 For she said within herself, if I may but touch His garment, I shall be whole.** She was looking at the word. She was looking at Jesus! She had the issue of blood for twelve years. Twelve is the divine government of God. She represents your soul, my soul, everybody's soul. She had gone to so many physicians. She went here and there. That is what people are doing today. They are going here and there trying to find the answers to everything. But when she cast her eyes upon the word and fell upon the righteousness of Jesus Christ she said within herself, if I just touch the hem of His garment, I shall be made whole. Jesus said that she was made whole because of her faith, not because of Him. It was because of HER faith in Him. LORD HAVE MERCY!

Now in the case of the centurion, He was smart. He had an understanding that in his position he had authority. He had a superior, someone over him; but he also had some people under his command and he understood that whatever he told them to do they had to do it. So he said to Jesus, You don't have to go to my servant's house, just speak the word only. The centurion spoke without and the woman with the issue of blood spoke within. COME ON HEAR WHAT I AM SAYING! There are times when God says speak the word out and there are times

when he says to speak the word within.

I want to bring a balance here because people say, well why aren't they speaking the word out loud while they are sitting here and holding hands? Not knowing that all the while God is healing people and delivering some and setting them free from spirits. Well there is silence, because it is happening within. It can happen without, and it can happen within. God is taking us back to where we are able to be still and know that He is God. He is taking us to where we rest in Him and let Him do His thing! We move over and let Him do His thing. I have learned that I can stay in this realm, but if He tells me to do something else, I will. Actually this week I had an individual call me and the Lord said for me to descend and prophecy to him, because that was the realm he was in. But I know that I don't belong there, because the Father has taken us deeper. We are not any better than anyone else. It is just a greater, broader way of what He is doing and how He is moving.

Look at **2 Peter 1:4, it says by which are given to us exceeding and great precious promises that by these you might be partakers of the divine nature.** So how do we partake of that divine nature? We partake by all that He gave us. He did everything on the cross. It is finished. He has given you all the promises. They are yours. Isn't God good!

He talks about you and me, looking into a mirror. We are beholding Him in this mirror. What is the mirror? It is the word and when you are beholding the word, it says that you are being

changed from glory to glory into His image. The good news is the divine nature of God. That is God's nature. That is the image that He wants you to come into, His word.

The word of God is so vitally important and so I began to ask the Lord, how come some of us are not entering in? Let's go to Genesis and I will tell you why. One of the reasons is you are not meditating on the word enough. None of us are. It is not all about knowledge, but it is becoming the word. We are going to help you so that you can understand these things here.

Now this really jumped out at me in **Gen. 11.** All these people were building a tower; a brother in the Lord brought this out last week. He spoke about unity and this is what God is trying to do here with His sons. Look at **Gen. 11:6 And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.** They were doing it in the negative and they were not being led by the spirit. They were doing it in their imaginations and their thoughts. OH LORD HAVE MERCY! When the Lord saw what they were doing....in verse 6, six is the number of man; and the Lord said, behold the people are one, and they have all one language. Oh, if only God's sons had just one language. What you say disannuls many of the promises of God in your life and also what you think disannuls many of the promises of the Lord in your life.

Imagine if you could get a group of people in unity with just

one language. Come on and hear what I am saying!

In the time of Noah there were angels who were going into the daughters and they were going into the soul. They were going in and they had every imagination that you could possibly think of, and God decided to destroy them. There was one man who walked with God, and that was Noah. To walk with God is to believe His word; to trust Him and believe what he said He would do. I said, Lord you are bringing us to the place where there is not much we can say, because if it does not line up with your word we just can't say it.

This week I was trying to give an individual an example of how I want to avoid naming a condition or a medical problem that I might have. People ask, how are you doing? I don't want to specifically name a problem or ailment. I don't want to give it strength. I am not in denial, but I simply refuse to say I have it. You hear people say, I am catching a cold. Well if you say that you will catch a cold, you sure are going to get a cold. Or they say, I have cancer, well you are going to have cancer. **COME ON AND HEAR WHAT I AM SAYING!** The doctors may say that you do have it, but the bottom line is that it is on the cross. It is on the body of the Lord Jesus Christ. So I have to use the word of the Lord and speak the word in reference to my condition because if you talk about your condition it gets worse. Even this week I said one little thing and the pain came back. So if someone says how are you doing? I say, I am working on something and that's it, or say

nothing or I mention the scripture that God gave to me. When we start having the same language your conversation begins to line up with the word of God. That is why David said, "Lord let the meditations of my heart be acceptable in thy sight." He wanted to meditate on the right things not the wrong things. Read **Psalms 19:14**

Oh, you think God doesn't know the things that you think and doesn't see and hear the things that you say? But of course he does! You need to allow Christ to discipline your thoughts and your mind. Some thoughts can come from other people. You can be driving down the road and pick up thoughts from other drivers. You can pick up anger and anxiety or stress from others. Some are very dangerous drivers, and you can't get caught up in it, but you can feel the vibration and the energy. You do not have to get caught up in what is going on, begin to IDENTIFY with who you are in HIM! Your true self is Christ in you, which is love. Love does correct. Yes, Jesus corrected and he was firm but the fruit of the Spirit is love, joy and peace and kindness. That is who you are. But if we identify with the flesh we decline out of the spirit, and get caught up in the vibration and energy of this world. No wonder in **Rom. 8:5-7** **For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace. Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can**

**be.** He says those who mind the flesh will reap corruption, but those who mind the spirit will reap life. If you are minding the word and the spirit you can only reap life. **Gal. 6:7-8 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. v.8 For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.**

David meditated on the word day and night because he loved the word. So when you go through trials you need to start or continue to meditate on the word. Ponder over it; think about it and say, I refuse to accept what I am feeling in my body right now. God has given me His divine power and His word. I remind Him of His promises. God loves you, and He watches over His word to perform it. **LORD HAVE MERCY!** Can you get excited with me! **Gen. 11:6** Here, it says; **behold the people are one and they have one language.** It says as if one people speaking the same language; they have begun to do this. The language they had, they walked out. That is the problem. We are not doing it. I get amazed here sometimes. We may minister a word and it has so much life, but when we are finished someone comes up and speaks to me of other things, and I know then that they did not hear a word that was just preached. If they had heard and understood the message they would not even be talking about their problems.

You speak the word that God has given you. As an example, if you have financial problems you need to ask the Lord why. Is what

you are doing lining up with the word? The Lord used to tell me, Joyce give where you are being fed. You don't go to McDonald's and order and then go to Wendy's and pay. You don't go to Giant to shop and then go to Safeway to pay. You give into the Kingdom. You wonder how all these churches today that are teaching religion and not the word exist today. It is because God's people are giving to the churches and not to the Kingdom. If only they would wake up and realize that God wants them to give to the Kingdom of God; to give to Him. If they did this, all the false teaching would go by the wayside. There is so much false teaching and it is kept alive, because somebody is supporting it. God wants us to support the genuine and the real and to support what He is doing today. But they are not doing it.

When I was meditating on this I heard; if you abide in me and my words. Now what does that mean? To abide is to keep the same image in the mind; to keep the same picture of what THE WORD SAYS. You are to picture in your mind what the Lord has told you. If he said you will get a job, you are to keep that in your mind. If God has told you that the problem is resolved then you have to keep that in your mind. Do not look at the in-between. **II Cor. 4:18 While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.** He said that it is resolved. That is what you have to remember and keep in your mind.

The thief comes to steal and he is trying to get you back into the feeling realm and back into what you see. But we are not to look at the things which are seen, but we are to look at the things which are not seen. So when I look at the things that are not seen I am looking at the word. I AM LOOKING AT THE WORD. **Jesus said, It is written! It is written!; It is written! Matt. 4:10-11 Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. Then the devil leaveth him, and, behold, angels came and ministered unto him.** He kept looking at the word. He had a picture in His mind. You have to get a picture in your mind. If you are still talking on the outside of you, you don't have it yet. You have to eat the word, digest it and become it. And the only way that will happen is by you meditating and pondering over the word. Then you will become it. It is a living word. IT IS ALIVE!

Why do you think that there are so many abortions today? God told me a long time ago that there will always be abortions, because it is something that happens in the natural to show what is happening in the spiritual, and that His word is being aborted all the time. It is constantly being aborted. The word of God is His sperm. Can you understand that? It is the sperm of the Lord. It is that living word. He puts that image of His word in your mind, and your mind has to conceive it, and then you picture it. You begin to picture His word then all hell breaks loose because God will

test you. Look at **Luke 8:13** It explains very clear that what happened when the seed fell on the rock. The word was welcomed by the hearers, but there was no root. You have to get the word to where it has root in your faith. In **verse 13 it says that those that are on the rock are the ones who receive the word with joy when they hear it.** The rock is Christ. They hear it. You are hearing it today. They received it; you are receiving it today, and you are receiving it with joy. It says; and these have no root, they believe for a while. I know all of you believe this. Raise your hand if you believe! I hope you do or you are in deep trouble! It goes on to say, but in the time of testing they fall away. Why do they fall away? They fall away because the word didn't have any root! Is that not true? So when the testing came they fell away. Every time He gives you a word, a test comes. He uses the test. And if the word hasn't taken root you are going to fall out of the rest of God and out of trusting Him, because of the negative images and thoughts that are in your mind, which causes you to descend.

Understand that there are oceans of thoughts around you and you have to guard your mind. I can see why He said to guard your mind. Guard your Mind!

The Garden of Eden is right here in your mind. The second thing is understand that sometimes you carry an unclean spirit. You can have more than one. There are good spirits and bad spirits. Some of these unclean spirits came when you were born and came from your generations

or could have come from some traumatic experience that you had. A person can be walking in the spirit and keep getting wrong or negative thoughts, but you can start to worship God and keep replacing those thoughts with the word. You keep speaking or thinking the word. You replace the negative thoughts, because they are not your true image. Your true image is peace and love. Your true image is also being able to conduct and control any mood swings. So many people have mood swings, and they swing one way and then the other. You wonder why they keep swinging. It is because they become one with that spirit that is in them and they can't help it. Or they become one with the flesh which is the carnal mind. The behavior can come from various sources. But you can overcome it through the Lord and His word.

I had a spirit in me that was an Indian girl and God showed me that He would deliver me in His time. It was years later when He did. I overcame it through the word and my relationship with Christ. You have got to identify with who you are in Him. The spirit will try to interject repeatedly, but you have to be sure not to feed it. It is about not having an identity crises, but having to identify with who you are in Christ. How many times do we identify with the flesh? How many times do we identify with feelings and emotions? How many times do we identify with images outside of us? I am not denying that there is darkness in the earth, but we have to learn where we live, and we have to be what God has called us to be. If we don't, then

we will be caught up in all those roaring waves of thoughts, and the energy that is in the world.

You are not darkness; you are the light of the world. God showed me that you can develop patterns of thoughts, and that some of these patterns become strongholds in the mind. God gives you time to know when that is happening. Sometimes it will creep up on you before you know it. It is the little foxes that spoil the vine. It is the little things that just creep in. Those little creepy, goofy thoughts which are very subtle. I asked God if this is an on going thing. He answers yes, until I rise up in you; until I fully rise up inside of you. It is about discipline and you can not do this without Him. It is the word of God that will sustain you. Look at **John 15:5; if you abide in me and my word abide in you.** First you have to abide in Him. You are to be one with Him, because if you are not one with Him you get into the flesh, and it is all about me, me, me. You just have your mind on yourself. You are minding the things of the flesh.

I find that no matter what condition you are in, if someone needs help and God says to minister to that person, you just do it. Then you forget about yourself. I have gone to the 7-11 store as weak as a kitten. (I don't know how weak this is, but you know what I mean.) We would go there and serve coffee. I would say, God these people don't know what I am going through. He would tell me to shut up and minister to the people. As I was willing to do that, all this energy would come over me, and through me to minister to total

strangers. Why? Because I got my eyes off of myself. **Phil. 2:5 Let this mind be in you, which was also in Christ Jesus.** He wants you to have the same mind that He had; so He said if you abide in Me, I will abide in you. The only way you can abide in Him is to have a union, a relationship with Him and to trust Him and walk in faith. No wonder He said if you abide in me and my word; My words abide in you. You can ask what you will and I will give it to you. It shall be yours! No maybe, if, ands or buts about it. I want to say that again. **IT SHALL BE YOURS!**

Now go back to **Gen11:6** look at these peoples. It says they have the same language and they are in unity. They are doing what they believe in, and they were all one in unity. They believed it all together. And the Lord said, **behold they are one people and they have one language and this is the beginning, and NOW NOTHING will be held from them.** LORD HAVE MERCY! Did you hear that? Did you get it? I could shout on that one! Now God said, **this is the beginning of what they will do and now nothing they have imagined they can do will be impossible for them. Nothing will be withheld from them. He said you will ask and I will give it unto you.** He can't hold it back. They were people in the negative, but if they would get the right image, God would not hold back.

If you and I begin to get a picture of God's word in our mind and begin to do what He says and believe and trust Him, and walk this thing out, He can not hold anything back because

He watches over His word. He said, **nothing will be withheld from them which they have imagined to do.** Notice, they had to have the image first. Now look at all the successful people in the world. They are successful, because they have an image in their mind. They don't even know God. Some worldly people are wiser than God's own people. The church looks really bad and that is why some say I don't want what you have, because where does it get you. LORD HAVE MERCY! God doesn't mind if you have things because He is a rich DAD! But He doesn't want you to get totally caught up in things. He says **Seek ye first the Kingdom of God.** Seek first His word, His will and His righteousness and all these things shall be added unto you. You can not have one foot in the world and one foot with Jesus. You have to come out of the world. You have to come out of the system; out of Babylon. You can not keep going back into religion (churches) because God is saying-come out of her! Come out of her or you are going to be sucked into it before you even know it. Be ye separated unto Me. He is setting some people apart. Let's get the same language here! If you want to have unity you have got to have the same language. If you want to have unity you have to start doing it. Oh, God is so good! He is so good! Thank you Lord!

It is about the images in the mind with illusions. God used my son to call me up and tell me about a car that he wanted to buy but he wasn't sure whether he should or not. He told me about some man who had been trying

to sell Him a 1982 Corvette for the last two years. He wanted my advice. Well I reminded him that he said that he needed a new bed so why would he want to buy a sports car? He described the car and it created an image in my mind of a car that was not a good buy. He really wanted me to tell him what to do but I said son, you need to talk to the Lord. My son stays on the computer for hours when he has nothing else to do. He kept procrastinating and his brother told him to stop talking about it so much and just make up his mind. He continually talked about what was wrong with the car. I had a poor image in my mind regarding the car. He bought the car and asked if he could come by to show it to me. Now he had already created an image in my mind, but when I went outside to take a look at it, it looked like a brand new car! It had no dents. It did not need a paint job, the motor was purring, it had new shocks. He brought the car for only \$5,000.00. I had to share that with you just to show you how someone else can create an image in your mind and it is not even a true picture. I fell for it. I accepted what he had told me. The Father wants you to know the word. Check everything out with Him. We all misjudge. We misjudge ourselves many times, but God wants us to have the correct image in our minds and the only way that can happen is to know the word. Everybody has a situation to deal with and if the Father has spoken to you, and has said that He will take care of it, then believe Him. I always make sure if there is something within me that He is trying to get

me to look at. Examine yourselves! That is the first thing that you do. Examine yourselves to see whether you are still in faith; believe the word. Examine yourselves to see if you have followed His instructions. **II Cor. 13:5 Examine yourselves, whether ye be in the faith; prove your own selves. Know ye not your own selves, how that Jesus Christ is in you, except ye be reprobates?**

Have you been talking about people or pastors when you shouldn't be? You have to talk about certain things, and sometimes you have to show an individual where they are in false teachings. Jesus didn't beat around the bush. This scripture comes to me, **He that orders his conversation aright I will show him the salvation of God, Psalms 50:23** Jesus was a man of few words. If you need healing in your body and the Lord has spoken to you that He is going to heal you, believe Him! Now I am not doing away with doctors. I am not saying that. I tell everybody, just follow the Lord; to the leading of the Spirit. Sometimes people believe in medicine more than they believe in Jesus Christ, and His healing. At times you are given medicine to sustain you, but that is not the bottom line of healing, and I asked the Lord why? He is touching some of you already with His healing and some are getting better in certain areas in your life and I thank the Lord for that, but I really think that some of you will be healed by the word. You have been in the word for so long and now He is holding you accountable for what you know. It can come in any

way or form that He wants to use, because He is God. But again we have to allow Him to give you a word and then you have to put that picture in your mind and not lose sight of it. If you need a job and He has told you He is going to give you a job, then you need to start praising Him and thanking Him and rejoicing and acting as though you have it. You can not look at what is going on in between. Trust me; I know it is not easy. It takes patience and endurance as you wait to see it come to pass.

Sometimes He will bring a test that is a whopper! But recognize what is going on, and hold on to that sweet, sweet word; that living word that He gave you. I remember when I was a size 12, but I had an image in my mind of being a size 8. Of course I did not know that I was going to be sick, and this would cause me to loose a lot of weight. But anyhow I had an image in my mind that came to pass.

The Lord wants us to become addicted to love, joy and peace. This is where He wants us to live, to live above all of our circumstances through Christ and His word. TO GOD BE ALL THE GLORY. AMEN!!
