## "OZONE!"

By: Joyce Morris 02/92

What I have to share is very important. I haven't got an awful lot but I am sure God will enlighten us even more on the subject. It is so interesting what God is doing in this day and at this time. The Lord had something very important to say. We want to share with you what was enfolded to us.

Several months ago the Lord had us all get in the Spirit and we saw the sun (SUN) knowing that it was the Father because in the Word it says that God is the sun. *Mal 4:1,2* As we become one with the Father then we become one with the sun. All of a sudden we saw how the earth revolves around the sun and we saw rays of light going out from the sun (Jesus Christ) to minister to a lot of people. The thought had come to me during that time, how God over a period of years has given man the knowledge of how to use the natural energy that comes from the sun. The sun has energy and power, and is an enormous source of energy in which our world uses. Man invented electricity and it took a long time for us to get to it. I remember when I was little we didn't have electricity. Now the better part of the world has it. We know when it gets dark people just flip a switch and the electricity lights up their houses and it dispels the

darkness. It is so wonderful to realize that God is the Sun and He is the light of the world. In the Father's time, He is going to turn everybody's switch on and He will be their light.

God will eventually be the light in every man. He is the one who awakens every individual. This week as we got in the spirit, the Lord began to tell us that He wanted to take us to where the ozone layer is being depleted. We know that the ozone layer is like a veil, which protects the earth from being burned up from radiation. **This layer, as it is diminishing, is a sign and a message to the entire world.** I heard the Lord say, as clear as crystal, *that this is all in His divine plan.* It is similar to billboard signs we see when approaching a city. The billboard has a message. Men all over the world are aware of the ozone. Every nation is hearing about it and many are becoming alarmed by it. In the Word, God said, *there would be signs in the sun and in the moon.*

This is a sign that God is doing in the natural for the whole world to see. Now the message is that God in the spiritual is the SUN and the sun represents the glory and the brightness of the Lord. We know that in the Old

Testament when Moses went up and spent time in the presence of the Lord, the glory of the Lord began to shine upon him. When Moses came down off of the mountain the glory of the Lord was revealed. Israel could not handle the brightness and could not look upon Moses. Moses had a veil over his face. God has had to put a veil over His face because His rightness would kill many people. The Lord was telling me that the veil is being removed. The glory of the Lord is going to cover the whole earth and every eye shall see it.

Isaiah reports that the veil is being removed off of the sun, and in so doing it is also being removed off of man's mind to have the heart return to the Lord. This is a time of many hearts returning to the Lord. When the heart returns to the Lord, the veil is rent. *2Cor 3:15,16.* If you read *Isaiah 40, Verse 3*, it represents John the Baptist who was preparing the way of the Lord and there was a voice crying in the wilderness. By the grace of God, the sons are going to arise and ascend and become one with the Father, to become the brightness of His coming. In *Isaiah 40, Verse 3*, we see the voice crying in the wilderness; **prepare ye the way of the Lord, clear away the obstacles, make**

straight the way and a smooth highway in the desert for our God. Every valley shall be lifted up and filled up and every mountain and hill be made low and every crooked and uneven way shall be made straight and level and rough places a plain and the glory and majesty and the splendor of the Lord shall be revealed and all flesh shall see it together for the mouth of the Lord has spoken it. This is what is so exciting. The ozone layer is coming off to reveal a sign of God's glory to all creation, and mankind will see it. Everyone will see what God is doing in this day. His splendor and His glory shall be seen.

You will hear a lot of negative talk but God is positive in this. The brightness of His coming will also cause the earth to burn—to burn up those things that are not like Him, to burn the elements of the earth.

Luke 21:25 "There shall be signs in the sun, moon and stars and upon the earth distress, trouble and anguish. --Is that not what is going on right now?—to continue: "of nations in bewilderment and perplexity (without resources, left wanting, embarrassed, in doubt, not knowing which way to turn) at the roaring of the tossing of the sea." The sea represents humanity. Verse 26-27, Men swooning away or expiring with fear and dread and apprehension an expectation of things that are coming on the world; for the very powers of heaven will be shaken and caused to totter. And then they will see the Son of Man coming in a cloud with great transcendent and overwhelming power and all His kingly glory (majesty and splendor)." So the

ozone is a sign and a wonder to the whole world of the coming of the Lord in all His majestic power and glory in His sons.

Rev. 1:16, "His face was like the sun shining in full power at midday." So the natural sun is nothing but the face of God. The natural sun represents the face of God in all His glory, brilliance, power and splendor. God has never really demonstrated Himself totally to the world yet. So get ready saints, the action has already started. God has revealed to me that as the ozone hole is enlarged, God's power increases. The energy coming off of the sun is shining brighter and hotter on the earth. God's anointing and His power and the surge of energy will increase and the brightness of His coming will shine forth and every eye will see and behold the glory of the Lord. The glory of the Lord will fill the whole earth. The knowledge of God and His glory shall fill the whole earth. It is all in the plan of the Lord. This ozone is a sign to all mankind—a message to the entire world of God's glory and splendor, and you are a part of it.

Remember recently when God took us up in the spirit where we were beyond the galaxies and we were becoming one with the Son and the Father. The bible says that the sun is set. We saw how the Lord, as He set you up there, that we wouldn't come out of the realm anymore.

It says that He is coming in the clouds. Rev 3:12 and Matt 24:30. Who are the clouds? We are! We are the clouds of glory. "The clouds" is speaking of the glory of the Lord to minister to the creation with His majesty and His power and His splendor. This

power will burn up and tear down things that God has been displeased with, but draw and awaken many. It says that many that are wise shall be like the brightness of the sun. Now when these things begin to occur, look up for your redemption draweth nigh. It doesn't say, look down. Don't be depressed, don't be upset, and don't be caught up with the darkness. Don't be caught up with the negative forces but look up for your redemption draweth nigh. Redemption of what? Of your bodies. Can you see how near we are and how close we are to what God is doing today?

Luke 21:32-34, "Truly I tell you this generation (those living at that definite period of time) will not perish and pass away until all has taken place. The sky and the earth (that is, the world, the universe) will pass away but my words will not pass away. You are the words of the Lord. You will not pass away. But take heed to yourselves and be on your guard, lest your hearts be overburdened and depressed (weighted down) with headache and nausea of self indulgence, drunkenness and worldly worries and cares pertaining to the business of this life, and lest the day come suddenly upon you like a trap or a noose."

Guess what is happening today? People who are of the world are full of fears and worries and burdens. Some don't know which way to turn. For some of them, their hearts are failing. Some are having heart attacks because of the fear that is gripping them. They are not seeing the positive side. Remember, God is life. God is good news. God is not doom and

gloom. We will be hearing a lot of doom and gloom from what man is seeing in the natural but God has a positive aspect. Yes, there will be things destroyed. Yes, there will be people in distress. Yes, the systems will fall. But the good news is that all of this MUST take place for the Kingdom and His glory. He has it all divinely planned according to His purpose. He is definitely on time.

So God is saying don't be caught up in your worries. Don't be caught up in fretting about your ordinary everyday needs. God knows your needs. He wants you to be caught up in the Spirit because when you are caught up in the Spirit these things become insignificant and of low priority. He doesn't want you to be caught up in the cares of this world lest that day come upon you suddenly like a trap and a noose. Luke 21:35, 36, "For it shall come upon all who live upon the face of the earth. Keep awake then and watch at all times (be discreet attentive and ready) praying that you may have the full strength and ability and be accounted worthy to escape all these things that take place and to stand in the presence of the Son of Man."

What I see is that God has used everything you have gone through in your entire life in creating you into being that pillar in the temple. A pillar is something that holds up the house and it stands still and is immovable and that is what the Father has been doing in every aspect of your life. Everything that you have gone through is to bring you to a place where you will be able to stand in the Holy

Place. The Word talks about "when you see the abomination of desolation, stand in the holy place." Also "come into My chambers and shut the door about you until indignation is past." Until all these things have come to pass. The good news is that God's light and His energy will be revealed to the whole world and no one will be left out or missed. When the veil is completely removed by the energy of God, the world will keep revolving around the sun. But what is it really revolving around? The FATHER. He is totally in control. Completely! Through this, God will become the light of the world. Jesus said, "I am the light of the world." Then He said, You are the light of the world. He will become the light of mankind and they will look to Him and depend on Him to be their source, depend on Him to be their power and energy and strength and their glory.

God will burn up all those things that have hindered them. The earth will burn like an oven. So that is the good news. Ps.84:11-12, "For the Lord God is a Sun and a Shield; the lord bestows grace and favor and glory (honor and splendor and heavenly bliss). No good thing will He withhold from those who walk uprightly. O Lord of hosts, blessed (happy, fortunate, to be envied) is the man who trusts in you (leaning and believing on you, committing all and confidently looking to you)." So that is all that God is asking of you in this hour. He is asking you to **trust Him and lean on Him.** Ps. 57:5, "Be exalted, O God, above the heavens. Let your glory be over all the earth."

Hab.3:4, "And His brightness was like the sunlight; rays streamed from HIS hands and there in the sun-like splendor was the hiding place of His power." God's glory has been hidden and you have been hidden. We have been hidden in Him but the bridegroom is coming out of His chamber. He is not going to stay hidden anymore. It is the appearance of the Lord in His brightness, His fullness and His glory. At times you have probably seen the sun shining really bright. Before I came to the Lord I could never look into the sunlight. But have you noticed now that God has cleaned up your life and now when the sun is very bright you can look at it and it doesn't bother your eyes like it used to. Why? Because you are becoming His glory. The Word says, "Blessed are the pure in heart for they shall see God." Face to face. Why? Because you are becoming one with the Father. You are Emmanuel in the flesh. Seeing Him face to face. If your heart is pure, you will be able to look at an individual and see God face to face. If there is a negative thought in your mind, you will miss God. You won't see God. Those with negative thoughts will see you but won't see the face of God. Many times they haven't seen the face of the Lord and God had to send His angels as messengers to remove everything out of His Kingdom that offends the Kingdom of God. Mat 13:41, The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; Mat 13:42 And shall cast them into a furnace of fire: there shall be

wailing and gnashing of teeth.  
Mat 13:43, Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

That is what the Lord has been doing. He has been coming with messages and consuming everything that is not like God. Everything that offends the kingdom will be removed and then you become like the Sun and the brightness of the Lord shall be seen upon you. The Father is filling His house with His glory.

Mal. 4:1-3, "Behold the day comes that shall burn like an oven and all the proud and arrogant yes, and all that do wickedly and are lawless shall be stubble; the day that comes shall burn them up, says the Lord of hosts so that it will leave them neither root nor branch. But unto you who revere and worship fully and fear my name shall the Sun of Righteousness arise with healing in His wings and His beams and you shall go forth and gambol like calves (released from the stall) and leap for joy. And you shall tread down the lawless and wicked, for they shall be ashes under your feet in the day that I shall do this, says the Lord of hosts."

In other words, the sons are going to do a clean-up job. A clean-up job of the environment has been going on in this world. It has already started because there is a hole there around the sun and rays have been beaming through the hole and some people have been turning into the light and becoming one with the Father. The **I Am** has already been sending rays of light all over the world to set things in order to

tear down those things that are not of Him.

Psalms 97:1-5, "The Lord reigns. Let the earth rejoice and let the multitude of islands and coasts be glad." In other words, God is sovereign and He is in control. 2, "Clouds and darkness around about Him (as at Sinai); righteousness and justice are the foundation of His throne. 3, Fire goes before Him and burns up His adversaries round about. 4, His lightening illumines the world; the earth sees and trembles. 5, The hills melted like wax at the presence of the Lord of the whole earth. When the ozone is completely depleted it will be the entire presence of God and His splendor. Verses. 7-8, "Let all those be put to shame who serve graven images, who boast of idols. 8, Fall prostrate before Him, all you gods. Zion heard and was glad and the daughters of Judah rejoiced in relief because of your judgments, O Lord."

Guess where the rays are coming through first? ZION. No wonder God's sons have been going through the fire. Have any of God's sons in the past few years felt the heat? We are getting things burned up in our lives. This is where the rays must penetrate first. In the sides of the north. They sing, beautiful are the situations, because they found out that it took the fire to burn out and consume the situations in their lives and everything that looked so bad turned out to be beautiful. Psalm 48:1

So that is the good news. Verses.9-10, "For you Lord are high above all the earth. You are exalted far above all gods. 10, You who love the Lord, hate evil; He preserves the lives of the

saints (the children of God). He delivers them out of the hand of the wicked." Prov. 4:18, "But the path of the (uncompromisingly) just and righteous is like the light of dawn that shines more and more (brighter and clearer) until (it reaches its full strength and glory in) the perfect day (to be prepared). The path of the just is like the light of the dawn; it shines brighter and brighter until the perfect day."

**To God be all the Glory. Amen.**
