“Reigning in Life”

By: Joyce Morris

11/05/2000

God gave this ministry a name. This ministry's name is called "Lord of Life." In order for Jesus Christ to be in complete control of your life, He has to swallow up your soul. He doesn't do it all at one time. To swallow up your soul, a transformation has to come about. He has to start changing your way of thinking and your way of doing things. He changes your attitude and outlook, and how you view the circumstances and situations in your life. It is a process that you go through.

There is so much corruption all over the world. Everything you can see is aging, decaying and dying. Corruption is reproduced only by the carnal mind. The carnal mind is totally incapable of producing life. The mind of Christ is what gives life, and that is why our mind must be transformed into the mind of Christ. It takes time to make this transformation because when we came into this world, we were conformed to this world, its ideas, ways, concepts and beliefs. We were conformed by our parents because of their beliefs and their ideas. We were conformed even in the church orders, and religion. Christ says, "I am the way." We come by the way of Christ into the kingdom of

God. When we come into the kingdom we bring all the baggage with us. We bring everything we learned in the world into the kingdom of God, that offends His kingdom. That is not God's way, not the way God thinks, and does things. It takes a while for us to get it. We have to be totally deprogrammed and reprogrammed and allow the Lord Jesus Christ to begin to teach us His ways by His Spirit. This is why He said, **"I am the Way, I am the truth, I am the life."** Every truth that Christ gives each one of you, it brings liberty and freedom in your life to where you become free. The Lord is burning up these things by His Spirit, things we don't even know about or are even aware of. Sometimes we don't know that there are thoughts in the mind that exalts itself against the mind of Christ, but God knows what they are. 2Co 10:5, Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

We need to start understanding what life is. What is life? A lot of people think life is

eating well, a lot of money, driving a fancy car, and having a job you want. What is life? Life is having peace in your mind. If you don't have peace, then you have worry, doubt, and anxieties. Life is peace of mind. When you have peace in your soul, everything is okay. When you have peace in your mind, you have no worries. With that peace, you are not worried about what is going to happen tomorrow. You are living in the moment, in the present tense. There are two thieves that try to rob you of that peace. The two thieves are the future and the past. That is why the Lord is trying to teach us to live in the moment, taking one day at a time. Sometimes you do have to plan regarding something in the future. Your mind should not plan for the future except when the Lord speaks to your mind. As an example, you need to go to France. Then you ask the Lord when, and set the plans in motion. I'm trying to bring a balance here. Matt 6:34, Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

Living in the moment-that's hard to do sometimes, isn't it? You should be giving full

attention to the Spirit and the Word and being fed by it. We should hold to it, not letting your minds wander, but living in the moment of what God is feeding us from His table today. Do not be anxious for seeking things, but listen intently to what He says.

The Lord wants us to choose life. We make choices every moment and every day between life and death. This is what was happening in the Garden of Eden. Adam knew God. A lot of people were there in the Garden of Eden. The Garden of Eden is the kingdom of God. We have been born again and we all are in the garden. Everyone sitting here is in the kingdom of God. Our citizenship is in the kingdom of God. Paul says, "I am dead to the world," He was in the world, but not of it.

Gen 2:16-17, And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: Gen 2:17, But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die. The Lord gave one commandment. He said, "You can eat from all the trees. (We can feed from the Christ in each other.) We can eat from your tree if I need some peace, and love. We can come and get a hug. We can eat from the fruits of the spirit off of each tree that is in the kingdom of God. If you don't have the right fruit, I don't want to eat that. If you have a rotten apple there, I don't want to hear that. If you have a lot of anger and bitterness, then I would prefer to just stand over here and pray for you. God said you can eat from those trees. He gave

them a simple instruction. He said, "Tend to your garden." The garden is your mind. This is where all the thoughts, battles, and problems are. The problems are here, in your mind. You may say, "Sister Joyce, all my problems are outside of me." No, they are in your mind. It's how you are looking at the problem. If you are looking at the problem right, then you have no problem. Did you get that? I said, "There is not a problem outside of you." It's all here in your mind. It's the attitude and the outlook on the problem. If you are looking at it the way God teaches you to look at it, then you don't have a problem. It might be this or that, but it's okay. It's in the hand of God, and He will lead, guide and direct you in what you should do in any given situation. He said, "Tend to your garden. Keep it. Guard it." You have to guard your mind, isn't this true? Sometimes that mind just starts rattling on with all these thoughts and you have to say, *Be still, and know that I am God.* I'm not going to feed on those thoughts." Do those thoughts bring you life, happiness and peace? If they don't, delete them. If you can't delete them, you might say, "Well sister Joyce, this has such a stronghold on my mind, I can't delete it. If you can't delete it, just go within and commune with Christ because Christ is life, and you are not separated from Him. You might think you got separated, but you didn't. You are still hooked up to the lifeline. All you have to do is commune with Him and praise Him, and the life of the Christ that's in you swallows up those thoughts in your mind, and you have life,

peace and joy in the mind again. Basically God told Adam, Adam, I'm not going to make man a robot, but I'm setting two paths in front of man. I'm setting two courses in front of man. Man can love me with all of his heart and can serve Me all the days of his life. Man can submit to Me, My thoughts and My ideas and live and walk in the realm of the spirit in the cool of the day in the Garden of Eden all the days of his life." This is what God was saying to Adam. He was saying, "You will never have to fall in that death realm. You will never have to fall into that realm of corruption, but Adam, I'm giving you a free will."

If God had not given that one commandment, then man would have lived forever. Death and sin had not entered in until the time of the fall. It says, "*Death reigned by one man.*" And that is in *Romans 5:12*, It says, in verse 12, *Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men.* That one man is that corporate Adam who brought death and corruption with the fall. Spiritual death brings death and corruption all around us. *Romans 5:17*, says, *For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.* Christ wants us to reign in life all the time. He set two courses before Adam. The tree of life and the tree of the knowledge of good and evil were in the midst of the garden. If you can understand that the tree of the knowledge of good and evil is the carnal mind, self-will, and the five senses, then

you can understand that the tree of life is the Spirit of God, Jesus Christ, and the bread of life. This enables you to walk in the spirit and not in the flesh. God gave Adam a choice. God said, "I set before you this day life and death. Death is the tree of knowledge of good and evil. Life is yielding to Christ and the Spirit of the Lord allowing Christ to be Lord of our life with complete control. He is not always in control of every area of your life. If you let Him be in control of every area of your life, you would be completely transformed right now. I would look at you and see your transformed body. If He were in control of every thought you had, every word you spoke, and all the members of your body, then you would have the same experience Jesus had on the Mount of Transfiguration. There are seven levels of submission. Seven is perfection and completeness. The soul needs to lie down with the Christ and come into total submission.

We are responsible for our actions and for what we know. We are not responsible for what we don't know. The Lord wants us to begin to walk in His ways. He wants us to choose life so we can be happy. Jesus said, "I came that you might have life and life more abundantly. The more you walk in His life, the more you begin to experience abundant life. The abundant life over flows to others ministering to them because of the life you are experiencing in Christ. That is reigning in life.

Jeremiah 21:8 says, *And unto this people thou shalt say, Thus saith the Lord; Behold, I set before you the way of life, and*

the way of death. He was giving two paths like He did in the Garden of Eden. He told Adam that one was a way of life, and the other a way of corruption. Adam did not fall until the serpent came to the woman. The serpent is that small voice that comes to steal rob and usurp. The serpent works through the carnal mind, carnal thinking, and thoughts that did not come from the mind of Christ. The serpent does not come to your true self, which is your spirit, because Christ in you cannot be tempted. It is the soul that can be tempted, the thoughts, ideas, and subtle things that come from the carnal mind. God wants to be involved in everything you do, in every decision you make. God wants you to be in His plan and not your plan. God wants to be supreme everyday of your life. He wants you to wake up in the morning and say, "Yes, sir. I am here sir, to do as you will today." Eventually God will swallow up your soul to the point that you will no longer have a will. Your will has been swallowed up in the Spirit of the Lord, and you will walk in oneness with Christ yielding to His still small voice. He wants to be in everything you do because if you let Him lead you in all your decisions, you will experience rest, peace, joy and life. If you make your own decisions and your own choices, there is no life or peace there. There will be frustration, anxiety and worry.

He set a course in the beginning. Then He goes to Israel and tells them the same thing. You can see the two commandments in the New Testament. The two

commandments fulfilled everything. *"Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbour as thyself."* Luke 10:27. If you did those two things, it would be the fulfillment of the law of life. I hope you can hear this.

I want to bring a balance. Sometimes, what God calls life, we call horrible. Look at Job. God said, "Job, I want to bring you into a double portion. Job, I want to bring you into My nature. So, Job, I am going to allow Satan, the refiner, to refine you. I am going to allow him to touch the things you have, to remove your family, and all of your flock. Everybody will look at that and say, "That's death. There's no life in that." Why did this happen to Job? I mean, Job is sitting there with boils all over his body, and underneath his arm. If you ever had a boil, you know how painful it is. Everybody looking at Job was pointing a finger and saying, "What has he done? What did he do? He must have done something really bad for God to do all those things to him. So what has he done?" He hasn't done anything. Do you see what God was doing? He was testing Job, He was proving Job, and showing Job what was in himself. God was showing Job both the good and bad that was in him. The good and the bad go together. God says, "I see the darkness and the light the same." Whatever course or whatever you have to go through to bring you into total submission to Christ, it is a process of death that God is working into you, dying to that soul so that you might walk in

the newness of life all the time
Death and life work together.
God sees that darkness and the
night as the same. *Psalm 139.12*
Even the darkness is not dark to You,
And the night is as bright as the day.
Darkness and light are alike to You
Here is another example. Many
people are worshipping other
gods, Baal. They were doing
everything totally different from
what God had spoken to them.
They had 450 prophets who
worshipped Baal. Elijah stood
before the Lord Himself. He
heard from the Spirit of God, to
pronounce the judgment upon
the people at that time. God knew
it would take three years for them
to become humble enough to
hear what God wanted to speak
through Elijah. This is what God
is doing all over the world. God
is bringing correction through
His judgments. He is preparing
man to hear what He is trying to
say for His glory and His power.
He wants to give man His
kingdom, His love, His life and
His peace. He wants to give
everyone all that He has because
He died on the cross for all
mankind. *1Kings 17:1* *And Elijah*
the Tishbite, who was of the
inhabitants of Gilead, said unto
Ahab, As the LORD God of Israel
liveth, before whom I stand, there
shall not be dew nor rain these
years, but according to my word.

1Kings 18:17-22, *And it came*
to pass, when Ahab saw Elijah,
that Ahab said unto him, Art
thou he that troubleth Israel?
18:18, *And he answered, I have*
not troubled Israel; but thou, and
thy father's house, in that ye
have _____ forsaken _____ the
commandments of the LORD,
and thou hast followed Baalim.
18:19, *Now therefore send, and*
gather to me all Israel unto

mount Carmel, and the prophets
of Baal four hundred and fifty,
and the prophets of the groves
four hundred, which eat at
Jezebel's table. 18:20, So Ahab
sent unto all the children of
Israel, and gathered the prophets
together unto mount Carmel.
18:21, *And Elijah came unto all*
the people, and said, how long
halt ye between two opinions? If
the LORD be God, follow him:
but if Baal, then follow him. And
the people answered him not a
word. 18:22, Then said Elijah
unto the people, I, even I only,
remain a prophet of the LORD;
but Baal's prophets are four
hundred and fifty men.

Everybody is trying to live
longer today. They are trying
everything that you could
possibly think of, diets, exercise,
etc. They don't realize that they
have the fountain of life that is in
Jesus Christ who is God. The
point that I am making is the
Lord, trying to get us into a realm
of walking with Him and having
a different outlook on things. Yes,
I realize we have things come our
way that must be dealt with or
minister to, but you don't
constantly focus on that. If God is
dealing with heavy areas and you
feel the weight, just walk away
from it a while and it will
subside, because the Lord is
using His life in you to consume
the darkness in other people's
lives. Life is where it is. It is a
path of life and joy.

In Nehemiah, chapter 8. God
gave me some more scriptures.
Start putting it to use each day of
your life. In the day that God
used Ezra, Moses commanded all
of Israel to come and hear the
law. He commanded everyone to

come, and they had to listen to
the priest.

The day is coming where all
nations will have to listen to the
law of life. God is going to open
up the book of life to every man,
and everything is going to be
taught out of the book of life-not
King James. Notice in Revelation
chapter 20, that God does not
judge man out of King James, but
the book of life.

This does not take away from
the Bible. That's not what I'm
saying.

What is the book of life? The
book of life is God, God's own
book that no man can
contaminate or touch. The book
of life is within everyman
because it's God, it is Jesus Christ.
It is the word and the spirit
where that man, has never
contaminated and never will.
Man will be judged out of the
book of life. At this particular
time, they were calling all of the
people to come hear what was
going to come out of the law. The
law brings condemnation and
guilt. The law of life makes you
conscious of God, aware of God,
and you desire to have a
relationship with Him. You want
to know Him and who He is. The
Law of Moses promotes fear with
the do's and the don'ts. Jesus
issued in the law of life, which is
the book of life. It all goes
together.

There is a difference between
the Law of Moses and the law of
life. Jesus Christ became the
fulfillment of the law. Therefore,
we have the law of life. And the
law of life is in the New
Testament. All the people came
together, to listen as he read about
God's ways, out of this book. The
people were attentive to the book

of the law. In verse 7, it wants you to see that Ezra, opened the book, and caused the people to understand the law, and the people stood in their place.

Rev 1:6, And hath made us kings and priests unto God and his Father; to him be glory and dominion forever and ever. Amen.

This is what the Lord is doing. He is raising up His king and His priests not after the order of the Levitical priesthood, but after the order of the Melchizedek priesthood. In Hebrews, chapter 7 it says that the order of the Melchizedek priesthood is peace and righteousness, which is life, which we know is Jesus Christ. That is the order that Christ issued in, the order of life so that we can commune and fellowship with Christ and we can hear the Lord. The Lord has tabernacled Himself inside of us. Under the law, God was somewhere way out there. God was not in here (within the individual). With the law of life, when we are filled with the Holy Spirit, God tabernacles Himself in us. When the book of His life was opened in the people it caused them to understand the law, and they stood in their place. It would be great if the Lord would get some ministers who would really seek Him for the interpretation of the word and stand there and let Christ teach the people, not the carnal mind. We have heard from the woman long enough. I am not talking about a natural woman. The woman is the soul. We have heard from the soul too much. We need to hear only from the Spirit of Christ out of the Book of Life individually, so they can learn the ways of the Lord *Neh*

8:9, And Nehemiah, which is the Tirshatha, and Ezra the priest the scribe, and the Levites that taught the people, said unto all the people, This day is holy unto the LORD your God; mourn not, nor weep. For all the people wept, when they heard the words of the law. The Law of Moses make you feel very unworthy that you are not good enough for God, that you will never make it The law of life does cause you to become convicted of your mistakes, your rebellion or whatever is going on in your life. The conviction that takes place is love lifting. Conviction where you yield to this love, peace and joy, and it brings life to you and it takes away the guilt. It takes away the condemning. You condemn yourself when you love the darkness more than the life He desires to give you. There is no condemning. It is nothing but life. There is a big difference in the law of life and the letter of the law. John 3:19, This is the judgment, that the Light has come into the world, and men loved the darkness rather than the Light, for their deeds were evil.

Under the Law of Moses, they told the people not to mourn or weep, for all the people wept when they heard the words of the law. Verse 10, Then he said unto them, go your way, eat the fat, and drink the sweet, and send portions unto them for whom nothing is prepared; for this day is holy unto our Lord; neither be ye sorry; for the joy of the Lord is your strength. 11, So the Levites stilled all the people, saying, Hold your peace, for the day is holy; neither be ye grieved. 12, And all the people went their way because they understood the words, which were declared unto

them. They were tapping a little bit into the feast of tabernacles right there. There is a feast that all nations will come to. It is a feast that swallows up all other feasts. It is a feast that Jesus Christ fulfilled on the cross. The feast that God told Israel that they had to come to on the 15th day and 15 means rest. They couldn't worry about their jobs. They had to forget about their problems. For seven days they had to just sit there and totally worship God and enjoy Him and become so caught up in God that they were not worried about anything. They were resting. They didn't have any problems; they had rest, and joy. It's a feast of celebration, joy, life and it is a feast of peace. When Jesus Christ came, you experienced Him as your Savior and God tabernacled Himself in you. That was the beginning of the feast of tabernacles in you and in me. Understand that God tabernacled Himself and He lives inside of us. We are to celebrate this feast every day of our lives. If we get a true grasp of this message and walk in this message, there will never be any murmuring, complaining, worry or unbelief. Every day you are celebrating God and celebrating this relationship with Him. When problems come along, you say, "I'm going to look at this problem the way God wants me to look at it. God says for me to count it all joy when I go through trials. God says in everything give thanks because this is the will of God. "You mean I've got to give thanks in everything, Lord?" The murmuring, complaining and the worry is the death realm. When I began to put the feast of tabernacles into practice every

day and I began to seek the kingdom of God first, I began walking in the realm of His life and getting the victory.

"Somebody did something terrible to me, so I am going to let them have it." You can't let them have it because the Bible says you are to bless them, not curse them. If you curse them with words, that's not bringing life. If they are not moving the way you want them to, and they are not doing what you are trying to make them do, then it isn't them, it's you. You have to look at what is going on in you. If you're getting angry because someone is not doing what you want them to do, you need to stand back and say, "You're the potter, Lord. You are molding him." Forgiveness goes into action then. Forgiveness is letting go of it. If anything is bothering you, you must let go of it and not have anything against anyone.

Psalm 12:1 says, "Help Lord." How many times have you said that? Has God ever put you in a helpless situation? The Lord loves us. He puts us in a helpless situation so we have to call upon His name. God is waiting very patiently to teach us to depend on Him in everything. Sometimes the ego and the pride get in the way. *Psalm 12:1*, Help, Lord; for godly man ceaseth; for the faithful fail from among the children of men. 2, They speak vanity ever one with his neighbor; with flattering lips and with a double heart they do speak. These are double-minded people. Sometimes they speak out of the mind of Christ, and other times out of the carnal mind. *Verse 3*, The Lord shall cut off all flattering lips and the

tongue that speaketh proud things. 4, Who have said, With our tongue shall we prevail; our lips are our own who is Lord over us? The serpent sticks its tongue out and hisses. The tongue has a lot of poison in it. We can say some terrible things about people and wish that we had never spoken, because we know that poison just came out of our mouths. If you get mad or angry, don't speak your mind because if you do, you are just creating more hell for yourself. You just need to wait on the Lord and let the Lord put the words in your mouth that you are to speak. It says in *Verse 6*, the words of the Lord are pure words; as silver tried in a furnace of earth, purified seven times.

Paul said in, *2Cor 4:8*, We are troubled on every side yet not distressed; we are perplexed, but not in despair; 9, Persecuted, but not forsaken; cast down. (We get down sometimes.) But not destroyed. 10, Always bearing about in the body the dying of the Lord Jesus. Why are we always bearing about in the body the dying of the Lord Jesus? So the life of the Lord Jesus might be manifest in our bodies. All that Job and Paul went through, and all that you go through is to bring us to a place where Christ is revealed in us. It is what we experience in our walk with Him. When God puts us through the fire, situation or circumstances, it is to bring us in the life of Christ.

I want to bring a balance. Disobedience brings death. Obedience brings life. Everybody has made mistakes. If you learn from those mistakes, they become circumstances bringing about correction which brings life. If

you don't learn and you keep making the same mistakes over again, the same situation will keep reoccurring until you finally get the message the Lord is trying to give you. Correction brings life when we yield to what He is saying. Those mistakes will elevate us and bring us into the realm of life, and then you can identify with creation.

2Cor 4:10, says, Always bearing about in the body the dying of the Lord Jesus, that the life also of Jesus might make manifest in the flesh. 11, For we, which live, are always delivered unto death for Jesus' sake. If you start getting a reputation or your pride starts increasing, the Lord will cause another death experience to happen in your life. It is for Christ to be manifested in us. *12, For we which live are always delivered unto death for Jesus' sake, that the life also of Jesus might be made manifest in our mortal flesh.* He is in each of us. He wants to express Himself to the fullness in all that He is. All that He has done in your life, He will continue to do until he is manifested in your life. Our eyes or our senses trip us up at times. If we walked in the mind of Christ, we would walk in faith all the time. We would never get distracted, concerned or worried about anything if we walked in the realm of faith every day. If we really totally trusted God in every situation, there would never even be a worry, doubt or concern **God is transforming the mind** into faith, hope and love. If you walk in faith, hope and love all the time, you would not see anybody but Jesus. You wouldn't see anyone else; all you would see is Jesus. You would see no

man. You would see no flesh. All you would see is Jesus That's the Mount of Transfiguration. That's why He chose Peter, James and John. He chose those three because their names represent faith, hope and love. He took them to the Mount of Transfiguration, and they saw the booth, and they said, "This is a good place to be." It is a state of mind that God wants us to walk in all the time. God wants us to walk in the mind of Christ in peace and life all the time. The carnal mind is reasoning and the intellect that will bring you out of the spirit and out of the mind of Christ. Mat 17:1, And after six days Jesus taketh Peter, James, and John his brother, and bringeth them up into an high mountain apart, 2, And was transfigured before them: and his face did shine as the sun, and his raimLith him.

Romans 8:5 says, For they that are after the flesh do mind the things of the flesh... I realize that you have jobs, things that you have to think about, but the Lord will help you in your job and in your schoolwork. He will help you in anything. He's there and He wants to be a part of everything. He wants to direct it.

My cooking was pretty bad at times, and I would ask the Lord why. The Lord said, "Well, you don't let Me cook with you." He said, "It would taste good if you would let Me work through you. Then He gave me a recipe for eggplant Parmesan. When I started letting the lord help me, I said, "Help me Lord, put this together. Show me, Lord, what I should put in this. It was amazing the things we could do together. One day we made a

Chinese meal. I didn't even get any of it because my family had eaten it before I could sit down to eat. God wants to be in everything we do. When He tells me to go and eat at a restaurant and I don't ask Him what restaurant to go to, the food is not going to taste good because I didn't let Him direct me. He wants our light to shine to these people wherever He designates you to be. You wonder why things don't work. He says, "Well, I'm not in it. You didn't ask Me." He wants to be the director. The Bible says, For they that are after the flesh do mind the things of the flesh; but they that are after the spirit the things of the Spirit. ^ For to be carnally minded is death, but to be spiritually minded is life and peace

Romans 8:5-6 in the Amplified Bible reads like this; For those who are according to the flesh and are controlled by its unholy desires set their minds on and pursue those things which gratify the flesh, but those who are according to the Spirit and are controlled by the desires of the Spirit set their minds on and seek those things which gratify the Holy Spirit.

The tree of life is the mind of Christ. The tree of the Knowledge of Good and Evil is the carnal mind. The Bible says, "Come and let us reason together." The Lord said, "Joyce, I don't want you reasoning on these things without Me. If you start reasoning on these things without Me, then you will go right in to unbelief, worry, doubt, fear, anxiety and frustration. If you will come to Me, and let us reason together, then you will stay in the mind of Christ, and I will put My

thoughts in your mind to direct your footsteps. I told God, "Sometimes it is frustrating when I have to let You be in control of my life," because I would just like to go out there and get done and get it over with. I remember when I needed a car. Do you think He would let me go and get one? No! I had to let Him direct me. When you let Him direct you, He will lead and guide you to different places because He wants to be a light to people, and come in contact with them. When He wants to show you what you are to have, He will show it to you then. Sometimes the soul says, "I need a vacation. I need a break. I've learned through hard knocks that it's best to wait and let Him direct it. You are going to have experiences in Christ if you do.

Choose life. Let God be in charge and not you. A lot of you here are learning these things. We must practice them each day.

Read *Psalm 16*. It's about David. He said the Lord would not lead him into corruption or into hell. He would lead and teach him the path of life. The way of the path of life is to the wise. We need the wisdom of the Lord in the choices we make. We need God's wisdom in our decisions. We make decisions all the time. As we pray and earnestly want God's will, He will answer us. Trust Him. We learn from our mistakes and keep on walking in Life. Have fun with your adventure with Christ each day, and start **reigning in life** with Him.
