## **“Release/Power”**

*By: Joyce Morris*

*Date 07/08/07*

The Lord does not work outside of His Word, and He has been telling us how important His Word is. He is telling us how important it is to have our minds transformed by the renewing, letting the Word transform our minds, and as our minds are transformed, we are becoming less informed of the ways of this world. He said for us not to be conformed to the ways of this world but to be transformed by the renewing of our mind through His word. **Rom. 12:1, 2 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. Verse 2 And be not conformed to this world : but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.**

Our soul is the seat of our emotions and our will. God wants to use our minds so He can create through us. He is the Creator and He is the God of creation, and He is always creating, and He continues to create through man. That is what I really want you to embrace today because as you conceive the Word, God proves to you by

putting you through a test to just show you how much Word you do have in you. That is the only reason you have a wilderness experience. That is the only reason that you have a fire experience because it exposes just how much the soul (the mind) has been transformed and has conceived the Word. We will talk about conception later on to show how you conceive the Word in the soul.

I want to start with Christ Himself because I want to teach you today how to allow Him to operate through you. I also want to teach you how to operate in the Word, and how to allow Him to release His power out of you. The best example I can give you is Christ Himself, because you must understand that the presence of God and the power of God are two different things. When you accepted Christ as your Savior, you received the Holy Spirit at that time. You received the presence of God then, but you were not endued with power then. They are two definite experiences. The presence of God and the power of God are two different things. The presence of God is what calms the mind down. It is what brings the soul back in alignment with God's thoughts. \*It is what

brings the soul back into the rest of God, and when we understand that the tree of life is nothing but wisdom and understanding. You gain wisdom and understanding through experiencing the Word and through the experiences you have as you go through life. When you don't learn from those experiences, then those experiences they keep occurring again, because you did not overcome them through the Lord. They continue to repeat themselves because you actually are creating those experiences.

I want to cover some things to help you understand the awesomeness of God's plan of what He has even to the very end of all creation. I want to go as slowly as possible because I want you to comprehend it.

I want to go to Philippians just for a minute, and I just want to read that to you, and then I want to expound on it because this is what we are going to base this on. We are going to start in the beginning before anything was even created, and then we are going to go from there. But what I want you to see is what Jesus said in **Phil. 2:5** We have to go to verse 4 first. **Look not every man on his own things.** These own things can be your own situation, your own

problems, your own lack of needs, your own promises that you are waiting for, your own loved ones. But He is saying here **Look not every man on his own things, but every man also on the things of others.** There goes that word "things" again. Some of you will have to get the tape on "things" because this even stems off of the word things. **Verse 5 Let this mind be in you which was also in Christ Jesus.** This is what we really, really want to expound on. **Let this mind be in you which was also in Christ Jesus.** That one little sentence can build a whole big, major message on it because we are going to talk about the mind of Christ. We are going to talk about the attitude of Christ. We are going to talk about how He really was able to receive the power without measure. You see, the Father loved Him so much that He gave Him His power without measure. He had the fullness of all that God was. The Bible says that as He is, so are we in this world. So I am going to show you why we lack and have not obtained what He is wanting us all to obtain. I want to show you what Christ had in the beginning.

We know that God is Spirit. We also know that the Father has a soul. It is in the scriptures. Interesting! **LET THIS MIND BE IN YOU WHICH WAS ALSO IN CHRIST JESUS. VERSE 6, WHO, BEING IN THE FORM OF GOD, THOUGHT IT NOT ROBBERY TO BE EQUAL WITH GOD.** I have got to stop there just for a second. When was Christ equal with God? God was the beginning, and so God created Him the first son. He is

the firstborn, and He is the one that God created before anything else was created. The world was not yet created, everything that you see outside of you was not created, only the One, number one, the Lamb that was slain before the foundation of the earth. God created Himself a Son that looked like Him and He was equal to God. He made Him equal because Jesus was spirit in the beginning with the Father. So He did not find it robbery to be equal with God because He was spirit at that time. Oh, I hope you hear what I am saying. So, here is Jesus, equal with God. So God creates a son, but then God tells the son to create all things. God is the source of everything. You see, what was in God is what came out of Him, and God created His first son who came out of Himself. So I began to really see that what is in you comes out. Basically, it is what is in us that keeps being created. In God, He is righteous and He is holy, and in Him, He is full of light. In Him, there is no darkness. So that is why when He said, "Let there be light" there could only be light because He is light.

I hope you get as excited as I am getting because I am telling you, when we get through this, you are really going to see what needs to change in you and me. God said, "Okay, Son, I am a creator, so the Bible says in **Col. 1:15-22** that through Jesus Christ He created all things. He created the thrones, He created the principalities, He created the world, He created everything. He spoke it, and He created it. It came out of Himself because He came out of God. He was spirit,

so everything that came out of Christ was still coming out of God because it was all coming from the same source. So everything consists of Christ, and everything sums up in Christ. So everything was created by Him, and everything was created for Him. If everything was created by him and everything was created for Him, I can really understand why everything came out of him and everything is going through him and everything has to go back into him. How is that going to happen? Lord have mercy! **1Cor. 15:27,28**

In the beginning in the Garden of Eden there was no death. There were no diseases, fear, doubt or pride. There was no ego because in the beginning everything was in harmony and in the beginning there was nothing but life and in the beginning was nothing but the kingdom of God, and God created man, and He began to create a people to be like Him, in His image and His likeness. So there were people in the kingdom of God that were in the likeness of God and in the image of God. He said to Adam, "As long as you eat of the tree of life, as long as you eat and feed off of my wisdom and feed off of my understanding, the only thing that is ever going to come out of you is nothing but a continuation of the kingdom of God. God has given you the resources because He has given you the kingdom of God. The kingdom of God is within, and everything that God created was a thought, but that thought had to be spoken. Basically you couldn't just stand there and be thinking. He said,

“Let there be,” and there was. So when He spoke it and it was a thing, it took time to take on form. Jesus was spirit with the Father in the beginning, and then He was creating everything, and He was equal with God. I want you to see what equal means— **HAVING THE SAME QUANTITY, MEASURE, VALUE AS ANOTHER.** That was before when He was spirit. This is where He was. That was the glory that He had with the Father. No wonder He wanted to go back. He wanted to go back to that glory, not the glory that He walked in on the earth, which was the glory of God, but He was going back to the glory that He had before. This is what God is doing. He is creating a people to be perfect like Him. If you look up that word perfect, it means “to fulfill God’s ultimate.” **To fulfill God’s ultimate - that means that everything that was perfect in the beginning will eventually end up being perfect at the end because He is not going to let anything not be perfect.** Because, you see, it is man that brought death in the world. It is the fall of Adam that brought all the diseases in the world. It is the fall of Adam that brought all the sickness in the world. It wasn’t God. It was man rebelling against God’s ways, man rebelling against God’s word, man rebelling against God’s commandments. When we rebel and we disobey, we are cutting ourselves off from the lifeline because God doesn’t operate except through His word. Everybody is reading all worldly stuff and they won’t read the Word. That is why everybody gets into error because they don’t

understand God’s ways and His Word. They don’t get the balance. They are all searching when it is all right here in this love book right here.

So being the same is identical to the value, having the same privileges, statuses or rights. That is what Jesus had in the beginning as spirit, as the Christ. He had all the same privileges as the Father. He was equal with the Father, and He performed as the Father. That’s why in Colossians it says that He created all those things, and how much we can see the Father seeing that He created a son - no wonder fathers get excited when they have a boy and the son that looks like him. It says here - **“having the same privileges, statuses or rights being the same for all members of groups, gave every player an equal chance”** - I got this out of the dictionary, believe it or not - gave every player an equal chance to win” - He’s given that to all of us. We are winners. We are not losers. We are all winners - okay? Having qualities such as strengths or abilities necessary for a task or situation, one that is equal to another. The bottom line is, Christ was equal to the Father, but He did something. I want to show you what He did. He gave up what He had. He gave it up. Back to **Philippians 2:6-7 Who, being in the form of God, thought it not robbery to be equal with God: But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men.** What happened was, He was stripped of His glory from the beginning. He was willing to lower Himself

down. If you want power, that’s the only way you get it. You have to come down. He was Spirit, what did He do? He had to take on form. Why? **Because God wanted to show man His ways. God wanted to show man what He looked like. God wanted to show man how He behaved. God wanted to show man His attributes, His nature, His love, His compassion, His goodness. He wanted to reveal power to man, and He was going to do it through His firstborn, a beloved son.** Jesus was willing to be lowered down into this lower form because He was spirit, and then when He came into the womb of Mary, we know He was a holy thing. We are going to get into that later on. But that holy thing was a Word. It came out of the spirit of God from an angel. Notice that it was a holy thing, so every word that comes out of the mouth of God is a holy thing. That holy thing is very precious. If God gives you a word, the only way that that can be fulfilled is that you have that conception and you receive it. You have to believe it first, then you have to receive it. To receive it means to take it - it’s yours, and then you have to conceive it after you receive it. Conception comes about when it gets in the heart, it gets in the mind. How you can know that you have conceived it, is that individual knows that what he is saying is true. No matter what the obstacles are, they know that what God has said to them is true. They have settled it within themselves. You have to learn to settle these things within your being when God says something, no matter what everything else goes on around

you, you have to know that God said it, and you know that it is His word. But what happens for a while, is you experience doubt and unbelief. Doubt and unbelief cause you to draw back. I will get into that later on. Doubt and unbelief is wavering. One day you believe, the next day you don't. If you can understand, God is a supernatural God, and we are living in a supernatural realm. You see, we are *in* the world, but we are not *of* the world. Now, the world looks at the things which are seen, and God looks at the things which are not seen. Also, He says things even though they are not because, you see, God is faith. Nothing existed outside of Himself, but everything that He spoke came out of Him. That resource that was in Him, He spoke it, it was a thing and then it took on form. It took time, and then He said He saw. We talked about this before, but I am trying to lay a foundation here. I started thinking about this because I really saw what Jesus did. He lowered Himself. He lowered Himself, He came down, He was stripped of that glory. Adam also was stripped of that glory. He was spirit in the beginning when God created. The first corporate man that He created, they were in the same glory. He spoke to Adam, and He said, "Call all of these animals. Give them a name. Again, He is saying, "Be like Me. Create, create, create, create, create. You are My co-creators. Create, create, create, okay?" And so when he was giving all the names to all of these animals, I think he did a good job. A snail is definitely a snail. A snake is definitely a snake.

Creepiest thing you have ever seen. A deer, think about it. How he chose those names. How did he choose that? He was one with God. Every word that he was speaking was coming out of the Source that was within him, which was the kingdom. So he wasn't sowing just his own words. He was sowing what he was hearing, and what he was hearing he was saying.

Jesus understood this and this is why He had so much power. We have shared this with you before, He had so much power, and that is why He was a man of few words. He understood that He was only to say what He heard the Father tell Him to say. When He would say what the Father would say, it had power and effect to it, and that's what counts because everything that He heard from the Father, that that word could not fall to the ground. You see, the reason He was given the power without measure, was because His words came out of the spirit. It didn't come from the carnal mind. It didn't come from the emotions and the feelings. It didn't come from the sense realm, none whatsoever. He was always hearing from the voice of the Father. He was one with God, but He had to grow up into that like you and me because He lowered himself down into another form. Adam had to be lowered down into another form because God said, "In order for you to multiply and to replenish the earth, in order for you to replenish and share My kingdom with other people. Because there are other people out there who are in darkness in their own mind. They lack the truth of God

because they do not have God's truth, they don't understand the truth of My kingdom, and so, therefore, I am telling you, Adam, **guard your garden, (guard the mind) eat off of the tree of life and multiply, replenish the earth, replenish and multiply and fill the whole earth. Fill the whole earth with what?** The kingdom of God, the gospel of the good news. Fill the whole earth with what? Nothing but peace love and joy, compassion and tenderness and patience, to fill the whole earth with all of who God is.

So what happened to Adam, pride set in. If you look at the scriptures, he said, "I will ascend. I will ascend and be like God." You see, the only way that you ascend, is to descend. What Christ did, He humbled Himself. He humbled Himself and became a servant unto God. He became a servant unto the Lord. He humbled Himself even to the cross. He humbled Himself to do the will of the Father. He said, "I came here to do the will of My Father." He had an understanding of why He was here. He was here to do God's will. He was willing to love the Father more than His mother and His dad. He was willing to love the Father more than His brothers and sisters. He was willing to love the Father more than His friends and the disciples. He was willing to love the Lord more than anything else because He knew He had a destiny. He wasn't focusing on Himself. That wasn't what He was here for.

God gives you His power because that is the only way you can walk with Him. The Word, the Holy Spirit and the power of

God. Basically He gives it to you for others.

When I was ministering down at Lorton Prison, we would go down there, and they would sing all these songs, and they were all involved in their emotions and their feelings, screaming and shouting. If God spoke, you couldn't have heard Him. God taught me a long time ago, He said, "Take that little Autoharp and just start singing and My anointing will come upon it. The only thing that I require of you, Joyce, is to focus on Me and surrender to Me." If you want the power of God to come out of you and to be released out of you, there has to be a surrender of yourself to the Father. When you surrender to the Father, and praise Him, then His presence will touch others. They will catch on and they will start surrendering to the Lord, and the power begins to escalate in a group. You see, this is how the power of God operates.

People can come in, and they can sense the presence of the Lord, but the presence of the Lord does not deliver the way the power does. The power of the Lord is what gets to the source. The power of the Lord is what breaks the yoke. The power of the Lord is the anointing. Through the praise and the worship, the anointing is there. It is ascending, and the power is coming out, and it starts coming out and escalating to minister to His people. That's why when we sit here and we sit quietly, what is He doing? He is setting the captives free. He is ministering to creation all over the world. That's why we say we have to become as one, we have to come

into a unity. Blessed are the brethren that are one and in unity. **Ps. 133:1,2 Behold, how good and how pleasant it is for brethren to dwell together in unity! It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments;** to minister to His people. When one person is sitting there and thinking about what they are going to cook for dinner when they go home, or one is thinking about a loved one that is there, or you are going to come here sometime and there are going to be thoughts, because of the experiences you had before you got here. We have learned to get rid of those thoughts before we get here, and then that is why we are really one and be in the Spirit. We are as one and getting our eyes turned on Jesus. When you turn your eyes on Him, the things of this world grow strangely dim. Your situations - you forget about them. Your problems - you forget about them. You are just surrendering. When you surrender with praise, there is a gush and even, sometimes you will be working on some strongholds or whatever. I have learned a long time ago not to focus on the strongholds but to focus on Him. The more I surrender myself to Him, boom, the power starts escalating and coming out of you. That's how you release the power. Not once do we see that Jesus Christ asked God to give Him power to heal people. He didn't have to ask for it. He knew how to release it. He knew how to let it flow out of Him. So there are different ways for the power to operate in you

and me, the power to escalate through praise and worship that will cause the presence of God to come in and cause people's minds to become still so that God can be who He is. Let God arise and the enemies be scattered and then the power of the Lord begins to move. The power of God escalates when you commune with Him inside, and it's all about surrendering.

This is what Jesus did, Jesus took on another form. He was spirit. He created everything. Everything that came out of Him was the source that He tapped into with God Himself. Because He was one with the Father before the foundation of the earth. He came in the earth, He was in a different form (body). You see, He was still spirit. He was still God. God was in Him. Father was in Him. The spirit took on a form, the same form you've got, like you've been condensed into matter, but you are atoms. Every living thing in this world that you see, has atoms in it. Your car has atoms in it, the trees have atoms in them. Everything that you see outside of yourself, the flowers came out of God. I realize that we have seeds to keep replanting, but God is the one that started the whole thing. So God sent Jesus. He was brought here to destroy the works of the devil, to destroy the chaos and the mess from all that man did. That's why He realized that He needed a corporate man comprised of many sons because He did not want to do this all by himself. He knew that we could not come back into that glory that God wanted us to come into without His going to the cross, because He had to deal with that

fallen state that man had become, that carnal man, that carnal mind that man had become.

When we are born into that carnal mind, we are born as a living soul. We have been taught everything from our father and our mother. We have been taught everything from people who are in the world. We have been taught everything through experiences, and the sorrows and the grieves that we have had from that lower state, until we are born again. God has to root out, tear down, and build up His nature in us. What He is doing, He is taking His words and rooting out our nature, and He is building up Himself in us with the Word and changing our way of thinking. The more you become the Word, then that is what you will speak, because what you say is what you get. I began to understand that you have the resources within, so if everything came out of God and He was the resource of everything and whatever came out of Him is what He said, that is a lot to think about. That is a whole lot to think about. That means that everything that comes out of me and every word that comes out of you is a thing that takes on form. **Remember, we were thinking that the negative words don't take on form. Yes, they do. They take on form.** Everything takes on form. Whatever you sow, you reap. If you sow to the spirit, you reap life. If you sow to corruption, which is the flesh and the carnal mind, you will reap corruption. **Gal. 6:7-8**

This goes all the way back to the beginning, how everything started and how God is going to

clean up this mess to finally get some people to where they have this conception of His Word and as they conceive His Word through the process of growing up as He measures them into that perfect One New Man, we will have the fullness of God and operate in the fullness.

Anybody getting anything out of this? If you are not excited, I am! This is a powerful word as far as I am concerned. This is what is going to take us to that place.

Back to **Phil. 2-8. Being found in fashion as a man, he humbled himself, and became obedient 7 But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men.** So you see two stages there, - spirit in the beginning, created everything in Colossians, you can read that for yourself, so everything was created by Him and everything was created for Him, and everything consists of Him and everything will be consumed into Him. Amazing.

Even the negative words, when God is finished, He will consume them all. The world is in such a mess is because man was led into this lower state and was ignorant and not knowing God's Word and not knowing God's commandments, and not knowing and doing what God says. The bottom line is respecting who He says and what He says is truth and that He is who He says He is and respect Him for who He is and what He is. Eventually God will bring everybody to the place that they will respect Him because the Word says every knee shall bow and every tongue shall confess

that Jesus Christ is Lord in heaven and in earth and underneath. It is going to take some years or thousands of years to come to that place. He knows what it takes to bring them in. He is a consuming fire. **Phil.2:10,11 Phi 2:10 That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.**

This gentleman was crying because he had run around on his wife, and he didn't want to do that. He was blaming everything on himself and his surroundings. His wife forgave him, but he couldn't understand why he was the way he was. He couldn't understand why he did what he did because he loved his wife. To make a long story short, somebody asked him, "Who was your teacher in life? Who taught you how to do those things? Who taught you how to disrespect a woman? Who taught you how to betray a woman? Who taught you how to live in disrespect and lack of self-respect and not love? He went back to his father. His father disrespected the mother, ran around on the mother, yelled at the mother all the time, abused her with words, so he had been taught many things rather than Christ. God wants to be the teacher and He wants to teach us the truth and that is why He said, I am the way and I am the truth and I am the life and as we allow Christ to teach us all we can reproduce out of us is nothing but His way, His truth, His life.

Jesus knew the only way that He would obtain what He had with the Father in the beginning was that He had to lower Himself and take on a form and become like you and me because He could not identify with you and me unless He did. He couldn't have identified with your hurt. He couldn't have identified with your temptation. He couldn't identify with how you feel in your body without having a body. God is Spirit, you are spirit, so God needed to understand more what He created. That is something to think about. Man also needed to understand God through His Son, Jesus. God is spirit, but He created Adam in a form, in a body, but He created that body because He knew the time would come when He was going to live in that body. He knew one day that that was going to be his temple, that was going to be where He was going to reside. He was going to live inside of man, and there's not going to be a tent. He's going to live in a temple, and He's going to walk with you and talk with you, and you will be one with Him and let Him operate through you to multiply and create in the earth. You have to let the Lord undo all these silly ways we think and how we look at things, and we have to begin to understand the only thing that Jesus operated in was by faith, that everything that God created was by faith. God is faith. Have that same faith of God. God is faith. God used His patience as well. So, therefore, if you need one of the promises of God and God has given you all of His promises, the only way that you can receive it, is by faith. We

will get into that area in a little bit. So when you see the shapes, the form, instead of the word form in your dictionary. It is a shape, a structure or something has the strength distinguish the form. It was substance that came out of God—okay? It is the body outward appearance. So this body here is nothing but an outward appearance. It is a shell. The real and the genuine is in here, which is the soul, mainly the Christ inside. The outward appearance of a person, a figure. Everybody is looking on the outside. The essence of something as distinguished from its matter, the mode in which a thing exists or acts or manifests itself, a set order of words to give form. God created this form by His word. Now He is trying to keep this form (you) to use His word that comes out of the spirit to manifest whatever you need in life. It is the order of words to give form or shape, to become formed or shaped to a specified form or pattern, distinguished.

Now He wants me to talk about Moses for a minute. Moses revealed the power of God with a rod. In Exodus 10:1-4 don't know how many locust there were. They ate up the land and covered the earth. God formed the grasshoppers. Read Amos 7:1. Moses used the rod God gave him. He had the rod in his hand, but he cast it on the ground before Pharaoh and it became a serpent. I asked the Lord, "Why did the rod become a serpent and then swallowed up all the other serpents?" God reminded me that Jesus humbled himself and took on the form of a man. Through His death He must destroy him that had the

power of death that is the devil. That is why He was able to deal with the serpent on the cross. Heb. 2:14

When Moses came out of Egypt, he saw the glory of the Lord, the glory of the Lord is the nature of God and the presence of God. The power of the Lord is the word of God, the word of God being demonstrated, God's word being demonstrated in your life and mine. Israel came out of Egypt and guess what? They did not have any water. Why does God cause you to get into situations where you get boxed in? We try to go out and we try to find every resource we can to get us out of that situation when all the time the resources are within you. They were murmuring and complaining. In Exodus, God told Moses to raise up the rod and smite the rock. The rock was Christ. Christ is the rock, and this water just gushed out and nourished the people. He listened to the instructions of the Lord. He listened to the word of God. He did specifically as God said. Then you go into Numbers chapter 20. They got in a situation again where they didn't have any water, and they were really angry at Moses and complaining at Moses. People always do blame the leaders or they blame somebody else because then they don't have to see what they are doing themselves. Moses got caught up with the anger. He got caught up with their emotions and their feelings. Again the Lord says, "Moses, take the rod." Sometimes we forget to take the word and the spirit and the authority and the rod in Christ, and God has to remind us. **Verse**

**7 The Lord spoke unto Moses, saying, Take the rod, and gather thou the assembly together, (gather all the people together.) thou, and Aaron thy brother, (Now, He said something different this time. He didn't say, "Smite the rock." He said, "Speak. Speak to the rock. Speak to the rock." Speak ye unto the rock before their eyes; and it shall give forth his water. It didn't say maybe, but or if or whatever. But it shall. Then it goes on and it says, Thou shalt bring forth to them water out of the rock: so thou shalt give the congregation and their beasts drink. Verse 9-10 And Moses took the rod from before the Lord, as he commanded him. And Moses and Aaron gathered the congregation together before the rock, and he said unto them, Hear now, ye rebels;**

He is totally in another state of mind. Now, he heard what God said, but he didn't do what God said. He did it in his own strength, in a lesser power. There are so many people today who are looking for this and looking for that a lot of times they cannot understand that what they were looking for is temporary, and it really didn't fix the problem. **Verse 10 And Moses and Aaron gathered the congregation together before the rock, and he said unto them, Hear now, ye rebels; must ye fetch you water out of this rock?** He is angry. **Verse 11, And Moses lifted up his hand, and with his rod he smote the rock twice** He didn't speak, he hit it and he smote it twice. Now, what gets me is, it wasn't for Moses but it was for the people, you see, because the rod that Moses had was for the people,

and sometimes when you are a leader, you have to be careful. You can't get into everybody's emotions and feelings. You can't get into their anger. You have to learn how to stay in peace. You have to learn how to go with that flow of life in Christ. Moses did not speak to the rock, but he hit it twice. **Moses lifted up his hand, and with his rod he smote the rock twice; and the water came out abundantly, and the congregation drank. Verse 12 And the Lord spake unto Moses and Aaron, Because ye believed me not** (You didn't believe me, Moses, and that's why you hit the rock twice. You got so caught up in their unbelief. That's the truth. I feel sorry for Moses. Look how many people he had there. How many? What - three million? And they were all mad at him, they were all angry at him and blaming him, and they were all in unbelief and they were all murmuring and complaining, and so those thoughts took over his mind. God said because you have done that, you can not enter into the promised land. So that's why we can't get caught up in everybody else's fears and everybody else's doubts and everybody else's unbelief that is in this world. We have got to start getting caught up in the Word and let that conception take place where we become it.

I had a dream one time, and I will never forget it. I dreamed of a warehouse, and it was huge. It had every kind of gift that you could think of in that warehouse. Now the waters gushed out of that rock abundantly. Jesus said I have come that you might have life and life more abundantly. That is His desire. This

warehouse was in heaven, and God said, "Joyce, I have so many blessings stored up for My people. They are stored up, but they are in heavenly places. They are in the supernatural realm until they learn how to tap into it and how to get it and how to receive it and how not to let it go until it manifests in the natural. Isn't God good? He has everything. He owns everything. The reason people are lacking is because they lack the understanding, the wisdom, the knowledge, and the ways of God. Plus, I found out if you want healings? A lot of people lose their healing because they don't walk in love. A lot of people don't gain their healing because they haven't come into that place of walking in love all the time, and there are not any of us here that still walk in love all the time. So there is just a lot into this, but what I got excited about was seeing Christ Himself, and He was the resource of everything because God was in Him and He knew how to tap into the source that was in him and what was in Him came out of Him and it hit everybody else. It just flowed. He didn't work at it. He just was what He became, which is the Word. There was a lot we didn't cover, a whole lot. I really want to share even more on how you can really get this thing operating and more effective in your life.

The Lord showed me this morning how simple this is. It is so simple and not complicated. We have made it complicated by trying to work for it.

We hope and pray that you can get into the simplicity of it all and apply it to your life to start walking this out to the Glory of

our Heavenly Father through  
Christ.
